Straight White Male Handbook:

Straight White Male Handbook Tim Tuttle, 1994-01-01 Enjoy Tim Tuttle's insightful humor into the relationships between men and women. His funny tips range from Women Good Investments to Words You Should Never Use in Public. **THE STRAIGHT WHITE MALE HANDBOOK** is for men and women who enjoy good humor about the sexes. *The Bloomsbury Handbook of Sex and Sexuality in Game Studies* Matthew Wysocki, Steffi Shook, 2025-01-09 The Bloomsbury Handbook of Sex and Sexuality in Game Studies consists of a comprehensive collection of essays that review and supplement current work focusing on sex and sexuality in games. The chapters provide insight into sexual content in games, representation of various sexualities, and player experience. Together they contribute to a growing field of work concerning two difficult-to-define phenomena: the borders of sex and sexuality and video games. As we frequently see debates and discussions over who gets to love whom and who gets to exist in their true self, this handbook plays a part in outlining the parameters of crucial issues within the games that we play.

Straight White Men Can't Dance Addie Tsai, 2025-08-21 *Straight White Men Can't Dance: American Masculinity in Film and Popular Culture* investigates a trope proliferating throughout popular American media over the last half century that straight white men can't dance. Addie Tsai traces this reiterative moving image of vaudevillian buffoonery in film, television, and video from the mid 1980s to present day. During the height of homophobic hysteria in response to the AIDS epidemic, dance began to be used as a marker to scrutinize white men's position within homosexuality and masculinity. Therefore, white men could misperform good dancing to more securely sit within hegemonic masculinity. Tsai establishes how ethnic mimicry within American popular media, even that of white masculinity, is produced and reiterated from the 19th-century theatrical practice of blackface minstrelsy. This history resurfaces in one of the exceptions to the trope when white men use the hip currency of blackness to affirm their dancing masculinity through theft and positionality. By revealing how dance in American popular media reifies and problematizes gendered and racialized economies, *Straight White Men Can't Dance* demonstrates how the image of the buffoonish white male dancer operates as a smokescreen for the more violent manipulative forces of the reigning figure of white supremacy. **Wait—Is This Racist?** Kerry Connelly, 2022-03-01

A Be It Yourself Guide to Anti-racism for Churches and Church Leaders Whether you have been an ally for years or just recently opened your eyes to racial injustice, guiding your predominantly white church toward anti-racism is a daunting task. Where do you even begin? White churches especially feel an urgency to respond but at the same time suffer a sense of overwhelmingness and futility as if no one action, sermon series, or service project will solve the problem of racism in America. And they're right. Instead, we must begin to look deeply at our organizations, our traditions, our ministries, our leadership, our ways of making decisions, our ways of interacting with the world beyond the church to identify and address implicit biases and to discover how white pseudo-supremacy has been encoded into our way of doing church. *Wait Is This Racist?* is here to guide you and your church through this challenging and uncomfortable work. Intentionally interactive, practical, and biblically based, *Wait Is This Racist?* guides

church leaders and staff through an examination of all aspects of church life including leadership preaching and liturgy music small groups buildings and grounds and more to help churches create an action plan that will take them toward not only becoming anti racist but also actually doing anti racist work Offering educational tips powerful stories and insightful questions anti racism consultants Kerry Bryana and Josh will accompany you through this necessary work so that your church can truly become a justice oriented organization that leans more fully into the kin dom of God Features A clear audit of church operations and reasons why this work is so important Workbook style questions at the end of each chapter A workable action plan for churches to implement what they have learned Tips encouragement and questions for BIPOC leaders in primarily white churches Helpful glossary of terms to aid general understanding
