**The Holy Grail** Richard Barber, 2004-12-02 The Holy Grail is an image familiar to us all as an almost unattainable infinitely desirable goal The idea has passed into everyday speech and the legends behind it are as current in today's culture as they have ever been And yet the Grail has no real religious meaning and is nowhere mentioned in the Bible What is the truth behind this elusive symbol Here Barber traces the history of the stories surrounding the Holy Grail He describes how through a long series of imaginative transformations the grail has moved from the sphere of romance to religion and in twentieth century popular culture has become an emblem of mysticism and man's highest aspirations intimately linked with the central ritual of the Christian faith The search for the grail has always been described as a quest in this book Barber goes on his own quest brilliantly exploring the richness of the Holy Grail's cultural impact Barber traces the history of legends surrounding the Holy Grail from Chretien de Troyes great romances to the popular bestsellers of the late twentieth century [University Library Bulletin](#) Cambridge University Library, 1908

[Method Infinite: Freemasonry and the Mormon Restoration](#) Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter-day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry's rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith's firsthand knowledge of and experience with both Masonry and anti-Masonic currents contributed to the theology structure culture tradition history

literature and ritual of the religion he founded      Decadent and Occult Works by Arthur Machen Dennis Denisoff, 2018-07-11

Arthur Machen has finally been recognized as a key contributor to the glittering age of British Decadence. Best known for the novella *The Great God Pan* and for his formative influence on weird fiction, in fact much of Machen's writing profoundly challenges literary and cultural convention. From the demonic horror of *The Recluse of Bayswater* to the plush occultism of *The Hill of Dreams* and the prose poems of *Ornaments in Jade*, this selection of works from throughout Machen's career brings to life his unique symbolist aesthetics and spiritual philosophy. This is the first edition of Machen's work to foreground his Decadent and occult writing. It includes a scholarly introduction, extensive annotations, and revealing contextual materials. Engaging with the gems of Machen's oeuvre, the collection invites readers to open their minds to a reality beyond the veil, the reality in Machen's view that matters most.
