

Strange Sapience The Creative Lawrence

J Spring

Strange Sapience The Creative Lawrence:

A "strange Sapience" Daniel Dervin, 1984 The aim of this book is twofold to apply the basic insights of psychoanalytic thought to D H Lawrence and his works and to arrive at a deeper appreciation of creative processes in general Although Lawrence himself was critical of psychoanalysis as a discipline he nevertheless created a memorable body of fiction that probed the struggle of people trying to achieve wholeness in the face of constricting psychological and environmental obstacles Though this creation of characters living on the edge of sanity Lawrence portrayed with great intensity the stifling effects of an industrial social order on the sensual and creative sides of human activity As a result he is of lasting interest both for his fictional depiction of the problem of creativity and for his own turbulent striving toward wholeness Informed by an attentive reading of Lawrence's total work a thorough knowledge of his life and a judicious application of modern psychoanalysis A Strange Sapience provides a compelling account of Lawrence's artistic maturation Dervin finds most useful those psychoanalytic writers who share an interest in self and object relations over the earlier instinct theory of drive and defense and those who appreciate normal developmental schemes rather than pathological patterns **D. H. Lawrence in the Modern World** Peter Hoare, Peter Preston, 2016-01-07 60 years after Lawrence's death the nature of his achievement is still being debated His vision has aroused passionate interest in many countries beyond his own As a writer in the 20th century and as one with international standing this book presents Lawrence in the modern world *The Life of the Author: D. H. Lawrence* Andrew Harrison, 2024-04-22 THE LIFE OF THE AUTHOR D H LAWRENCE Addresses the whole of D H Lawrence's life and writing career integrating biography critical analysis and recent scholarship in a single volume The Life of the Author D H Lawrence is a focused exploration of the whole of the author's life and writing career Combining biographical detail and close readings of works in different genres the book illuminates the complexities of Lawrence's writing through a careful questioning approach to biographical sources and recent scholarship Andrew Harrison provides original insights into Lawrence's relationship to working class experience his anti suffragist feminist views his reaction to the Great War his responses to racial and cultural difference his attitudes towards sex sexuality and sexual identity and much more Nine accessible chapters address important subjects in the author's life and writing including his treatment of taboo topics his conflicted relationship with the literary marketplace and the ways in which his writing challenged English middle class values Each chapter draws upon the biographical record to provide an interpretive context while highlighting aspects of Lawrence's work that relate to present day concerns such as his critical responses to wartime propaganda and censorship his critique of heteronormativity and his lifelong concern with issues around mental health and wholeness of being Designed to help readers develop a fresh understanding of Lawrence's writing The Life of the Author D H Lawrence Investigates Lawrence's wartime experiences tracing his transformation from an author who wished to change the attitudes of his readers into a radical anti establishment figure Addresses Lawrence's explorations of gender fluidity and non normative sexual

identities in his fiction Discusses Lawrence s concern with post war social reconstruction and his risk taking exploration of revolutionary political and religious movements in his novels of the 1920s Engages with psychoanalytic criticism on the attachment issues that shaped Lawrence s life and writing showing how he attempted to confront the psychic wounds of his childhood Based on materials and approaches the author has developed teaching Lawrence for more than two decades The Life of the Author D H Lawrence is an excellent textbook for undergraduate students taking English and English Literature courses as well as graduate students discussing Lawrence in the contexts of early twentieth century literature literary modernism and sexualities in modern literature **D.H. Lawrence and the Paradoxes of Psychic Life** Barbara A.

Schapiro,1999-07-29 Contributing to the debate about D H Lawrence s relationship with and fictional portrayal of women this book discusses how the dynamic tensions of his art dramatically reenact the competing forces of psychic and relational life In her examination of Sons and Lovers The Rainbow Women in Love and various short stories Schapiro discusses how Lawrence s best works reveal a continual struggle to recognize and be recognized by the other as an independent subject Drawing on Jessica Benjamin s psychoanalytic theory of intersubjectivity she also demonstrates how a breakdown of balanced subject subject relations in his texts gives rise to defensive polarities of gender and of domination and submission **The**

Consciousness of D.H. Lawrence Daniel J. Schneider,1986 This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence s thought and feeling over the course of his lifetime The author blends intellectual biography and psychology to focus on Lawrence s religious nature as a shaping force in his life Major Short Stories of D.H. Lawrence Martin F. Kearney,2016-12-05 First published in 1998 This

reference guide is designed for those who would be knowledge able readers of major short stories by D H Lawrence when the store of scholarship investigation and appraisal is far too vast for all but the expert An inclusive examination of what has been written about these short stories each chapter deals with a different short story and consists of five distinct sections 1 the complete publication history including all revisions and variants 2 a thorough examination of recognized and hitherto unrecognized sources as well as the influences at work on Lawrence in the creation of the story 3 the story s relationship to Lawrence s other writings 4 acknowledgement and summary of all extant critical studies and 5 a bibliography of works cited This study concentrates on six short stories culled from Lawrence s more than fifty works of short fiction *D. H. Lawrence*

in the Modern World Peter Preston,Peter Hoare,1989-06-28 When E M Forster described Lawrence as the greatest imaginative novelist of his generation his comment was a challenge to a world where Lawrence had notoriety but there was no agreement as to his literary standing Now sixty years after Lawrence s death the nature of his achievement is still being debated Although D H Lawrence thought of himself as an English writer his broad vision has aroused passionate interest in many countries beyond his own It is in two aspects as a writer of the twentieth century and as one with international

standing that this collection of essays presents Lawrence in the modern world Lawrence is seen from the perspective of the textual editor the psychologist and the social historian He is placed in the wide contexts of the puritan imagination British society drama and the regional novel The authors cover such stylistic issues as his characteristic narrative voices and touch on philosophical matters in an exploration of his concept of dualism The essays although the work of Lawrence enthusiasts are not uniformly reverential in tone All the authors are aware of the fundamentally exploratory nature of Lawrence s imagination and his consequent failures as well as triumphs in both conception and achievement Regardless of whether the works delight or anger they seem now as alive and pertinent as open to engagement acceptance or disagreement as at any time in the seventy five years since they first began to appear *D. H. Lawrence and the Child* Carol Sklenicka,1991 In the first major work that considers the importance of childhood representations in shaping the modern writer Sklenicka unearths the richness of possibility D H Lawrence found in his depiction of children and the complexities of family life Publishers website [Scenes of Shame](#) Joseph Adamson,Hilary Anne Clark,1999-01-01 Explores the role of shame as an important affect in the complex psychodynamics of literary and philosophical works **D. H. Lawrence, Technology, and Modernity** Indrek Männiste,2019-02-07 While the dehumanizing effects of technology modernity and industrialization have been widely recognized in D H Lawrence s works no book length study has been dedicated to this topic This collection of newly commissioned essays by a cast of international scholars fills a genuine void and investigates Lawrence s peculiar relationship with modern technology and modernity in its many and varied aspects Addressing themes such as pastoral vs industrial mining war robots ecocriticism technologies of the self film poetic devices of technology entertainment and many others these essays help to reevaluate Lawrence s complicated standing within the modernist literary tradition and reveal the true theoretical wealth of a writer whose whole life and work according to T S Eliot was an assertion of what the modern world has lost **A Bibliography of D. H. Lawrence** Warren Roberts,Paul Poplawski,2001-04-19 This pre eminent bibliography for D H Lawrence was extensively revised updated and expanded by Paul Poplawski for publication in 2001

D. H. Lawrence Paul Poplawski,1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence s life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence s achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence s career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world s foremost authorities on Lawrence s life and work The chapters that follow provide separate entries for all of Lawrence s works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism

relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence s travels and his development over time

Literature and the Relational Self Barbara Ann Schapiro,1995-07-01 Literature and the Relational Self is a tribute to the rich complexity of human nature as poets novelists and relational models of contemporary psychoanalysis mutually attest Psychoanalytic Psychologist While psychoanalytic relational perspectives have had a major impact on the clinical world their value for the field of literary study has yet to be fully recognized This important book offers a broad overview of relational concepts and theories and it examines their implications for understanding literary and aesthetic experience as it reviews feminist applications of relational model theories and considers D W Winnicott s influential ideas about creativity and symbolic play The eight incisive essays in this volume apply these concepts to a close reading of various nineteenth and twentieth century literary texts an essay on Wordsworth for instance explores the poet s writing on the imagination in light of Winnicott s ideas about transitional phenomena while an essay on Woolf and Lawrence compares identity issues in their work from the perspective of feminist object relations theories The cultural influences that have led to the development of the relational paradigm in the sciences at this particular historical moment have also affected contemporary art and literature Essays on John Updike Toni Morrison Ann Beattie and Alice Hoffman examine self other relational dynamics in their texts that reflect larger cultural patterns characteristic of our time The author reviews feminist applications of relational model theories and applies these models to works by William Wordsworth Virginia Woolf John Updike Toni Morrison and others

The Death-ego and the Vital Self Gavriel Reisner,2003 This volume presents original views of the relationship between desire and romance It begins by looking anew at the nature of desire citing its central theoretical text as Freud s Beyond the Pleasure Principle It traces the struggle between myth and romance between the ego on its way to death and the self in search of life through close readings of poems and letters of John Keats and in detailed considerations of a series of novels including Frankenstein Wuthering Heights Jane Eyre and Sons and Lovers

D.H. Lawrence James C. Cowan,2002 Lawrence s work which was early read in traditional Freudian terms has only recently been considered from other psychoanalytic perspectives In this self psychological study Cowan provides a new and path breaking analysis of Lawrence

Enactments Daniel Dervin,1996 These models begin with analogies to the theater as arena of accepted illusion and dramatic characters as types of imposters Political processes then come into sharper focus as the leader serves as delegate for a host of popular wishes fears and agendas that extend into the unconscious and comprise a group fantasy Group fantasy not only empowers the delegate but also defines and occasionally destroys this chosen figure as well

The Making of Psychohistory Paul H Elovitz,2018-04-17 The Making of Psychohistory is the first volume dedicated to the history of psychohistory an amalgam of psychology history and related social sciences Dr Paul Elovitz a participant since the early days of the organized field recounts the origins and development of this interdisciplinary area of study as well as

the contributions of influential individuals working within the intersection of historical and psychological thinking and methodologies This is an essential thorough reflection on the rich and varied scholarship within psychohistory s subfields of applied psychoanalysis political psychology and psychobiography *L'amante di Lady Chatterley* David H.

Lawrence,2011-02-14 Giudicato oltraggioso e scandaloso processato censurato messo all indice proibito questo l itinerario della storia degli amori tra una nobildonna Connie Chatterley e il guardacaccia Mellors Un libro che presenta una nuova fisiologia del rapporto tra uomo e donna in base alla quale essi possono conoscersi nella loro essenza pi vera reale e spirituale solo attraverso un sesso vissuto come mistica comunione e fusione reciproca Un romanzo che pone in primo piano la prevalenza dell istinto sul comportamento dettato dalle regole sociali e dalla morale corrente Questo romanzo non solo lo lessi ma lo vidi fin dalla prima scena Una fuga illustrata nell inconscio di un uomo e di una donna Un libro dall impianto tradizionale ancora ottocentesco ma dal valore universale Non solo il tentativo di Lawrence di liberare il sesso dall osceno anche un viaggio all interno del perch noi viviamo Il sesso non tutto ma il nastro trasportatore delle nostre emozioni pi profonde e noi viviamo per le emozioni Il resto pura sopravvivenza FRANZ KRAUSPENHAAR **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),

This book delves into Strange Sapience The Creative Lawrence. Strange Sapience The Creative Lawrence is a crucial topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Strange Sapience The Creative Lawrence, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Strange Sapience The Creative Lawrence
 - Chapter 2: Essential Elements of Strange Sapience The Creative Lawrence
 - Chapter 3: Strange Sapience The Creative Lawrence in Everyday Life
 - Chapter 4: Strange Sapience The Creative Lawrence in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Strange Sapience The Creative Lawrence. The first chapter will explore what Strange Sapience The Creative Lawrence is, why Strange Sapience The Creative Lawrence is vital, and how to effectively learn about Strange Sapience The Creative Lawrence.
 3. In chapter 2, the author will delve into the foundational concepts of Strange Sapience The Creative Lawrence. The second chapter will elucidate the essential principles that must be understood to grasp Strange Sapience The Creative Lawrence in its entirety.
 4. In chapter 3, the author will examine the practical applications of Strange Sapience The Creative Lawrence in daily life. The third chapter will showcase real-world examples of how Strange Sapience The Creative Lawrence can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Strange Sapience The Creative Lawrence in specific contexts. This chapter will explore how Strange Sapience The Creative Lawrence is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Strange Sapience The Creative Lawrence. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Strange Sapience The Creative Lawrence.
