personal light hearted style with geographical references to help identify the places Hopefully you will come away with a different view on Wales and a smile on your face Strange Tales of the Sea What lurks beneath the waves and onboard the most mysterious of ships Get ready to experience the lore and lure of the sea with these myths legends and true stories Centuries old folklore and tales of haunted vessels Sea monsters and ghosts Cannibalism at sea and mysterious disappearances Included are also tales of sailors ashore and the prostitutes and crimps that preyed on them Find out what happened to stowaways how they were treated and about the myth that women were not welcome on ships Strange Ireland In Ireland truth folklore mythology and legend are indistinguishably interwoven into a Celtic knot of strangeness From fact to fiction and the peculiar to the bizarre unravel some of Ireland s most curious lore the Blarney Stone kissing ceremony the giant behind the Giant s Causeway the escapades of Saint Patrick and the myths of the 1690 battle of the River Boyne among many others Among the twenty six chapters each detailing a unique Irish oddity discover the history of Emerald Isle in a new light More Strange Scotland More Strange Scotland is a collection of anecdotes facts folklore and legends about the strangeness of that little nation on the western fringe of Europe From fairies to witches and the frightening water horses Scotland has a host of legends Add haunted castles strange pub names and devilish people to the mix sprinkle with Aberlour spirits and the mists of Skye and then open the book If ghostly bagpipers and unseen river monsters don t scare you off then you may revel in the stories from this most strange of all countries
