Strange Birds From Zoroaster's Nest:

Strange Birds From Zoroaster's Nest Laina Farhat-Holzman, 2000-01-01 **The Myth of the Andalusian Paradise**

Dario Fernandez-Morera, 2023-07-11 A finalist for World Magazine's Book of the Year Scholars, journalists, and even politicians uphold Muslim-ruled medieval Spain, al-Andalus, as a multicultural paradise—a place where Muslims, Christians, and Jews lived in harmony. There is only one problem with this widely accepted account: it is a myth. In this groundbreaking book, Northwestern University scholar Dario Fernandez Morera tells the full story of Islamic Spain. *The Myth of the Andalusian Paradise* shines light on hidden history by drawing on an abundance of primary sources that scholars have ignored, as well as archaeological evidence only recently unearthed. This supposed beacon of peaceful coexistence began, of course, with the Islamic Caliphate's conquest of Spain. Far from a land of religious tolerance, Islamic Spain was marked by religious and therefore cultural repression in all areas of life, and the marginalization of Christians and other groups, all this in the service of social control by autocratic rulers and a class of religious authorities. *The Myth of the Andalusian Paradise* provides a desperately needed reassessment of medieval Spain. As professors, politicians, and pundits continue to celebrate Islamic Spain for its multiculturalism and diversity, Fernandez Morera sets the historical record straight, showing that a politically useful myth is a myth, nonetheless.

Growing a Soul on the Planet Earth Ron Levitan, Claire Levitan, 2018-05-25 Most of us think there are only two possible answers to the question: Do you have a soul? Either we have a soul which will live beyond death, or there is no such thing as a soul, and when we die, nothing of us remains. But what if neither of those answers is correct? What if, instead, we are not born with a soul, but we have the possibility of growing one? Our potential for growing a soul was recognized by early Gnostic Christians, who practiced esoteric Christianity, which dates back to and originated in ancient pre-sand Egypt. It is a sacred science of being, a long-hidden esoteric teaching that G. I. Gurdjieff brought to the West early in the last century, and is called the Fourth Way. How do we grow a soul? Gurdjieff tells us: The whole secret is that one cannot work for a future life without working for this one. We must learn how to be present to ourselves in each moment, to integrate body, senses, mind. The techniques and practices Gurdjieff brought in the Fourth Way can show us how. Is there life after death? That's the primordial human question. Yes, you have a soul. How do you know? Isn't it just societal belief? If you have no soul, okay, here's how to live after dying. William Patrick Patterson, author of *Georgi Ivanovitch Gurdjieff: The Man, The Teaching, His Mission*. For those who have felt the wish, or recognized the need, to grow in themselves something higher, the Levitans introduce Gurdjieff's authentic way of self-transformation to do so. They also explore other ways, stemming from the same source, throughout centuries and millennia up to the present time, showing how Gurdjieff presented methods that completed what had been mostly lost, forgotten, or left out. Mary Ellen Korman, author of *A Woman's Work with Gurdjieff*. Ramana Maharshi, Krishnamurti, Anandamayi Ma, Pak Subuh. Essential reading, conveying with unique clarity and directness a distillation of the deep spiritual ideas contained in Gurdjieff's Fourth Way teaching. Faced with the question of soul, Ron and

Claire Levitan lead us to the deep esoteric meaning of that word and the responsibility it carries in giving significance to our lives the Earth and beyond Gurdjieffs language of neologisms often inaccessible is presented in a straightforward manner explaining the direct path to higher consciousness and conscience If youve ever wondered what soul is or what is meant by growing a soulthis is the book youve been waiting for Teresa Adams instructor Haida yoga the Online Fourth Way School
