Dutton** Matthew Dutton, 1721 *The Percy Anecdotes* Sholto Percy, 2025-08-04 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **A Practical Treatise on Sheriff Law, etc** George ATKINSON (Serjeant-at-Law.), 1847 Jacques Tourneur Chris Fujiwara, 2015-05-07 At least three of director Jacques Tourneur s films *Cat People* *I Walked with a Zombie* and *The Leopard Man* are recognized as horror classics Yet his contributions to these films are often minimized by scholars with most of the credit going to the films producer Val Lewton A detailed examination of the director s full body of work reveals that those elements most evident in the Tourneur Lewton collaborations the lack of monsters and the stylized use of suggested violence are equally apparent in Tourneur s films before and after his work with Lewton Mystery and sensuality were hallmarks of his style and he possessed a highly artistic visual and aural style This insightful critical study examines each of Tourneur s films as well as his extensive work on MGM shorts 1936 1942 and in television What emerges is evidence of a highly coherent directorial style that runs throughout Tourneur s works **Histories of Emotion** Rüdiger Schnell, 2020-11-23 This study addresses two desiderata of historical emotion research reflecting on the interdependence of textual functions and the representation of emotions and acknowledging the interdependence of studies on the premodern and modern periods in the history of emotion Contemporary research on the history of emotion is characterised by a proliferation of studies on very different eras authors themes texts and aspects The enthusiasm and confidence with which situations actions and

interactions involving emotions in history are discovered however has led to overly direct attempts to access the represented objects emotions feelings affects as a result too little attention has been paid to the conditions and functions of their representations That is why this study engages with the emotion research of historians from an unashamedly philological perspective Such an approach provides among other things insights into the varied often contradictory observations that can be made about the history of emotion in modernity and premodernity **Stranger in the House** Patricia

MacDonald,2003-11-07 National bestselling author Patricia MacDonald spins a tale of nerve shattering suspense that leads readers down the dark winding roads of a picture perfect suburban town WHAT DID HE SEE WHAT DOES HE KNOW Eleven years ago Anna Lange s life was shattered when her young son Paul disappeared though she never gave up hope that he might be alive Now her son has been returned The joyful family reunion is short lived however as the nervous withdrawn Paul begins to behave strangely Anna s husband and daughter grow fearful living in the same house with him But Anna believes that Paul is still recovering from the extreme psychological trauma he experienced the night he disappeared though he claims he has no memory of that time Does he or doesn t he Someone remembers and will stop at nothing to keep the truth a secret Now Anna will have to contend with a nightmare from the past that will either tear her family apart or destroy them together **Radical** ,1867 **The Radical** Sidney H.
