A Novel** Seymour Shubin, 1954 **American Magazine**, 1907 **The Writings of Henry Fielding** Henry Fielding, David Herbert, 1872 **Fieldwork** Bruce Jackson, 1987 *Fieldwork* deals with the practical mechanical ethical and theoretical aspects of collecting data Jackson discusses how fieldworkers define their role how they relate to others in the field and how they go about recording for later use what occurred in their presence This treatment offers an abundance of useful information to those who do folklore fieldwork as well as those who work in any of the other social sciences or humanities An appendix relates the author's own experiences while documenting Texas's death row **The Bible in Spain** George Borrow, 1907 *Adventures in Contentment* Ray Stannard Baker, 1923 *The Bible in Spain, Or, The Journeys, Adventures, and Imprisonments of an Englishman, in an Attempt to Circulate the Scriptures in the Peninsula* George Borrow, 1908 *The Mainland Haole* Elvi W. Whittaker, 1986 Available for the first time in English this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government's responsibility for these atrocities The large scale imprisonment and rape of thousands of women who were euphemistically called comfort women by the Japanese military first seized public attention in 1991 when three Korean women filed suit in a Tokyo District Court stating that they had been forced into sexual servitude and demanding compensation Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan much if it inspired by Yoshimi's investigations How large a role did the military and by extension the government play in setting up and administering these camps What type of compensation if any are the victimized women due These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war Yoshimi

Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2 000 centers where as many as 200 000 Korean Filipina Taiwanese Indonesian Burmese Dutch Australian and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel Many of the women were teenagers some as young as fourteen To date the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers
