Stranger At The Crobbroads Love Inspired:

Stranger at the Crossroads Gena Dalton, 2011-09-15 TIME HEALS ALL WOUNDS Widowed veterinarian Darcy Hart wanted to believe the old adage but a year after the tragic deaths of her husband and son she knew it wasn't true Desperate to escape her grief stricken life Darcy headed south to Mexico and landed in the arms of a kindred soul with the bluest eyes in Texas LOVE HEALS ALL HEARTS Reclusive rancher Jackson McMahan didn't want Darcy's help but with a pregnant mare to care for he needed the feisty female vet more than he cared to admit What was it about the green eyed beauty that made him want to welcome her into his home and into his heart

Long Way Home Gena Dalton, 2011-05-23 The only man Jo Lena Speirs had ever loved had finally come home And though she hadn't seen Monte McMahan for years she recognized him the instant she saw him She would have known him anywhere just by the way her heart left her body Jo Lena knew she still loved him but she had more at stake this time than just her heart After six years on the professional bull riding circuit Monte McMahan had returned to the Rocking M Ranch Wounded Monte thought he sought solitude but instead found himself drawn to Jo Lena and the precocious niece who called her Mom Would the love of the woman he'd left behind be strong enough to heal his broken spirit

Midnight Faith Gena Dalton, 2012-12-17 Clint McMahan liked life the way it was peaceful and woman free So when Cait McMahan wanted to start a riding school on his ranch he wasn't keen on the idea He didn't like Cait interfering with a school or the gorgeous smile he couldn't get off his mind or off his land Before long Clint found himself involved in Cait's cockeyed idea himself and in over his head Because despite his growing feelings for the stubborn beauty he knew the ranch was all he'd ever needed and all he ever would Unless a tough as nails but soft underneath riding instructor could teach him there was more in store for him

Self-Emptying Love in a Global Context Robert T. Sears, Joseph A. Bracken, 2006-02-20 Care for the environment is an ever more pressing concern in today's world in which narrow self interest has blinded us to the growing pollution of atmosphere and seas and the destruction of animal species caused by our indifference and neglect Christianity has been blamed in part for this because of a misunderstanding of the Biblical call to have dominion over creation Our spiritual tradition has indeed so focused on human salvation that the Earth has been seen simply as a transient environment that will be left behind in the end In response this little book highlights another spiritual tradition within Western Christianity that affirms that creation itself will also be transformed with humanity through the self emptying love of God God's dominion after all is service rather than despotic control the raising up of the lowly of this Earth and of the Earth itself as part of a cosmic community The Spiritual Exercises of St Ignatius are examined in this light as a call not only to join Christ in redeeming humanity but also in extending Christ's care and love to all creation that longs for the freedom of the children of God
