Strangers And Friends The Franco German Security Relationship:

Strangers and Friends Robbin Frederick Laird, 1989 **A History of Franco-German Relations in Europe C.** Germond, H. Türk, 2008-11-10 This book surveys Franco German relations from the French Revolution to the 1990s collecting the most current research from area specialists **Strangers and Friends** Robbin Frederick Laird, 1989 This comprehensive overview of the Franco German security relationship especially since 1982 examines the implications of the rapprochement for NATO and Europeanization It examines each country's strategic perspective the conventional arms dimension in terms of both forces and arms production and the nuclear arms issue in terms of the French strategic dilemma of promoting national independence on the one hand and extending deterrence to cover the FDR on the other **The Europeanization Of The Alliance** Robbin F Laird, 2019-07-11 This book assesses the dynamics of Europeanization within the Western Alliance in the 1980s that is the process of change whereby the key West European states have come to play a growing role within the Alliance It is the result of interviewing senior officials and specialists in Western Europe **The Oxford Handbook of the European Union** Erik Jones, Anand Menon, 2012-08-30 This is an authoritative one volume and independent treatment of the history functioning and nature of the European integration Written by a selection of leading scholars It covers the major institutions policies and events in the history of integration whilst also providing a guide to the major theoretical approaches that have been used to study it over time By bringing together such a distinguished cast covering such a wide array of themes the Handbook is intended as a one stop shop for all those interested in the European Union and its predecessors Written in an accessible style the volume is intended to shape the discipline of EU studies and to establish itself as the essential point of reference for all those interested in European integration both in universities and more broadly It represents a timely guide to an institution that is much discussed but often only imperfectly understood *Double-Edged Diplomacy* Peter Evans, Harold K. Jacobson, Robert D. Putnam, 2023-04-28 This original look at the dynamics of international relations untangles the vigorous interaction of domestic and international politics on subjects as diverse as nuclear disarmament human rights and trade An eminent group of political scientists demonstrates how international bargaining that reflects domestic political agendas can be undone when it ignores the influence of domestic constituencies The eleven studies in *Double Edged Diplomacy* provide a major step in furthering a more complete understanding of how politics between nations affects politics within nations and vice versa The result is a striking new paradigm for comprehending world events at a time when the global and the domestic are becoming ever more linked This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995 This original look at the dynamics of international relations untangles the vigorous interaction of domestic and international politics on

War David T. Zabecki,2014-10-28 Written by experts for use by nonexperts this monumental work probes Germany s Genius for War and the unmistakable pattern of tactical and operational innovation and excellence evident throughout the nation s military history Despite having the best military forces in the world some of the most advanced weapons available and unparalleled tactical proficiency Germany still lost both World Wars This landmark four volume encyclopedia explores how and why that happened at the same time examining Germany as a military power from the start of the Thirty Years War in 1618 to the present day Coverage includes the Federal Republic of Germany its predecessor states and the kingdoms and principalities that combined to form Imperial Germany in 1871 The Seven Years War is discussed as are the Napoleonic Wars the Wars of German Unification including the Franco Prussian War World War I World War II and the Cold War In all more than 1 000 entries illuminate battles organizations leaders armies weapons and other aspects of war and military life The

most comprehensive overview of German military history ever to appear in English this work will enable students and others interested in military history to better understand the sociopolitical history of Germany the complex role conflict has played in the nation throughout its history and why Germany continues to be an important player on the European continent The European Community and the Security Dilemma, 1979-92 Holly Wyatt-Walter, 2016-07-27 This book shows how the relationship between security and integration in Western Europe depends upon an enduring implicit bargain between the US and its European allies Despite internal and external pressures to develop a European security and defence identity distinct from NATO in the 1980s and 1990s EC member states have consistently rejected supranational integration in the areas of security and defence Despite considerable European dissatisfaction with American leadership of NATO Europe has continued to accept that leadership even after the end of the Cold War and the signing of the Maastricht Treaty *The Impact of the Franco-German Relationship on the Security of Western Europe* Michael Eugene Travis, 1990 This graduate thesis covers the Franco German Relationship and its impact on the security of Western Europe from post WWII to present A chapter is devoted to the relationships role as a catalyst in the organization of the Schuman Plan Pleven Plan EDC and WEU The thesis then concentrates on defense cooperation between the two countries since their 1982 Defense Initiative The European community EC NATO and Western European Union WEU are used as the principal vehicles by which the Franco German relationship and its role in Western European security is presented Keywords Security French German relations Defense Franco German Brigade Rapid Reaction Force FAR Foreign policy **Germany in the Twentieth Century (RLE: German Politics)** David Childs, 2014-12-17 The book traces the development of Germany from the Kaiser s Reich in the 1870s to the reunited democratic state led by Helmut Kohl in the 1990s The author begins by countering the popular view of Germany before 1914 as irredeemably reactionary and after assessing Germany s part in the First World War he outlines the rise and fall of the Weimar Republic The 12 years of Hitler s destructive experiment are presented in a balanced way as part of the overall development of the country Germany in defeat is then discussed as is her rebirth under Four Power occupation The last chapters explore the two separate German states and the events leading up to the restoration of German unity

France and the Construction of Europe, 1944-2007 Michael Sutton, 2011-03 This comprehensive history shows how France coupled the pursuit of power and the furtherance of European integration over a 60 year period from the close of the Second World War to the hesitation caused by the French electorate s referendum rejection of the European Union s constitutional treaty in 2005 **France, NATO and the Limits of Independence 1981-97** A. Menon, 2000-01-12 This book presents the first in depth assessment of France s policies towards NATO between 1981 and 1997 It also provides a critical assessment of these policies It argues that France s arms length relationship with NATO s integrated military structure served its purpose during the Cold War but increasingly came to impose high costs thereafter **North Atlantic Treaty Organization** Phil Williams, 2024-11-01 This volume consists of major books written in the English language on
