Strangers in a Christian Land Darlene Bogle, 1990 Strangers in the Land: Traveling Texts, Imagined Others, and Captured Souls in Jewish, Christian, and Muslim Traditions in Late Antique and Mediaeval Times ,2024-06-03 This volume explores the ways in which representatives of different monotheistic traditions experienced themselves as the other or were perceived and described as such by their contemporaries This central category which includes not only those of different religions but also converts foreigners sectarians and women is studied from various perspectives in a range of texts composed by Jewish Christian and Muslim authors during late antique and mediaeval times Conceptualizations of such others are often intrinsically related to the idea of exile another important category that is analysed in this work *The Stranger in Early Modern and Modern Jewish Tradition* Catherine Bartlett, Joachim Schlör, 2021-07-15 Throughout history Jews have often been regarded and treated as strangers In *The Stranger in Early Modern and Modern Jewish Tradition* authors from a wide variety of disciplines discuss how the notion of the stranger can offer an integrative perspective on Jewish identities on the non Jewish perceptions of Jews and on the relations between Jews and non Jews in an innovative way Contributions from history philosophy religion sociology literature and the arts offer a new perspective on the Jewish experience in early modern and modern times in contact and conflict in processes of attribution and allegation but also self reflection and negotiation focused on the figure of the stranger **Discourses to a Christian Congregation in a Heathen Land** John Hobson (Chaplain at Shanghai.), 1858 Strangers in This World Hussam S. I Am a Pilgrim, a Traveler, a Stranger John Hubers, 2016-09-29 In this book part biography part critical analysis John Hubers introduces us to a man whose pioneering ministry in the Ottoman Empire has gone largely unnoticed since his memoir was penned in 1828 three years after his death in Beirut by a seminary colleague His name was Pliny Fisk and he belonged to a cadre of New England seminary students whose evangelical Calvinism led them to believe that God was opening up a new chapter in the life of the Church that included an aggressive evangelism outside the borders of Christendom Fisk and his friend Levi Parsons joined that effort in 1819 when they became the first American missionaries sent to the Ottoman Empire by the American Board of Commissioners for Foreign Missions Hubers s intent is to show the complexity of Fisk s character while examining the impact his move to the Middle East made on his perceptions of the religious other As such this volume joins a growing body of literature aimed at providing critical historical and religious context to the often checkered history of relations between American Christians and Western Asian peoples **Piety and Humanity** Douglas Kries, 1997 The nature of the relationship between early modern political philosophy and revealed religion has been much debated The contributors to *Piety and Humanity* argue that this relationship is one of dissonance rather than concord They claim that the early modern political philosophers found revealed religion especially Christianity to be a threat to the modern political project and that these philosophers therefore attempted to transform revealed religion so that it would be less of a threat and possibly even an aid Each essay is devoted to a particular work by a single political philosopher the thinkers and works discussed include Machiavelli s *Exhortation to Penitence* Francis Bacon s *New Atlantis* Spinoza s *Theologico Political Treatise* and Locke s *Reasonableness of Christianity* Each essay is followed by a brief selected

bibliography This book will be of great importance to philosophers political theorists and scholars of religion and early modern European history **A Book of Biblical Treasures** Sinthera Dodson,2022-01-16 A Book of Biblical Treasures contains a wealth of biblical knowledge that answers some of those most difficult questions about the deities of the Godhead It is a learning tool for knowing about the Trinity of the Godhead and what are the things that separates one from the other It is also an educational tool for understanding the Bible It has information that encourages its readers to look deep within their spiritual being as to the person that God created them to be and it ignites the hearts and minds of all its readers to want a solid relationship with God through acknowledging him as Creator of all things in heaven and upon the earth Finally A Book of Biblical Treasures leads all its readers through God s plan of salvation for all of humanity and it teaches the effectiveness of prayers in our lives as human beings by teaching us all two of the most important prayers intended for mankind the Teaching Prayer and the Saving Prayer This book contains mostly scripture from the King James Version of the Bible Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth 2 Tim 2 15
