Strangers In Their Own Land Peter Sichrovsky, 1986-04-20 A collection of interviews of young Jews living in German and Austria

Strangers in Their Own Land Peter Sichrovsky, 1987 Translated by Jean Steinberg

Being Jewish in the New Germany Jeffrey M. Peck, 2006 This book was written for an American Jewish readership But some chapters especially the first two address the non specialist while others especially the last two accommodate the expert The work contains one theme and one thesis The theme is simple and to be welcomed Americans and American Jews in particular need to understand that Germany has changed and that its Jewish community is made up of more than just a few souls morbidly attached to blood soaked soil We are therefore introduced to Jewish writers politicians and intellectuals to Jews of Russian origin German background and Israeli descent and to the many issues facing today's German Jewish community of 100 000 plus members Peck discusses the role of the Holocaust in German and American political life He relates how Russian Jews have begun to take over community institutions revitalizing German Jewry especially in Berlin and the provinces And he compares and contrasts the situation of Turks and Jews today whom many Germans still perceive as foreign no matter how acculturated they happen to be All of this material is interesting but not new Review from H Net

Contemporary Jewish Writing in Austria Dagmar C. G. Lorenz, 1999-01-01 Devoted to collecting the finest Jewish writing from around the world the Jewish Writing in the Contemporary World series consists of anthologies by country that are designed to present to the English speaking world authors and works deserving international consideration As a series the books permit a broad examination of the international crosscurrents in Jewish thought and culture Contemporary Jewish Writing in Austria presents a gathering of writers from several generations who have published a remarkable range of works in recent decades The result is a diverse portrait of Jewish experience in Austria since the Second World War Dagmar C G Lorenz has assembled an extraordinary roster of literary talents ranging from authors born in the early decades of this century to writers born after the Shoah The volume maps a complex tradition of Jewish discourse marked by a profound awareness of the literary past by the failure of a long anticipated Austrian Jewish symbiosis and by the unparalleled tragedy of the Shoah It is a modern tradition that has made an essential contribution to Austria's literary history while remaining in Lorenz's words distinct and unassimilated

German Jews in Love Christian Bailey, 2022-11-01 This book explores the dynamic role of love in German Jewish lives from the birth of the German Empire in the 1870s to the 1970s a generation after the Shoah During a remarkably turbulent hundred year period when German Jews experienced five political regimes rapid urbanization transformations in gender relations and war and genocide the romantic ideals of falling in love and marrying for love helped German Jews to develop a new sense of self Appeals to romantic love were also significant in justifying relationships between Jews and non Jews even when those unions created conflict within and between communities By incorporating novel approaches from the history of emotions and life cycle history Christian Bailey moves beyond existing research into the

sexual and racial politics of modern Germany and approaches a new frontier in the study of subjectivity and the self German Jews in Love draws on a rich array of sources from newspapers and love letters to state and other official records Calling on this evidence Bailey shows the ways German Jews romantic relationships reveal an aspect of acculturation that has been overlooked how deeply cultural scripts worked their way into emotions those most intimate and seemingly pre political aspects of German Jewish subjectivity **German-Jewish History in Modern Times** Mordechai Breuer,1996 This four volume collective project by a team of leading scholars offers a vivid portrait of Jewish history in German speaking countries over nearly four centuries This series is sponsored by the Leo Baeck Institute established in 1955 in Jerusalem London and New York for the purpose of advancing scholarship on the Jews in German speaking lands *Austrian Information* ,1988

Sojourners , 1995-01-01 This absorbing book of interviews takes one to the heart of modern German Jewish history Of the eleven German Jews interviewed four are from West Berlin and seven are from East Berlin The interviews provide an exceptionally varied and intimate portrait of Jewish experience in twentieth century Germany There are first hand accounts

of the Weimar Republic the Nazi era the Holocaust and the divided Germany of the Cold War era There are also vivid descriptions of the new united Germany with its alarming resurgence of xenophobia and anti-Semitism Some of the men and women interviewed affirm their dual German and Jewish identities with vigor There is the West Berliner for instance who proclaims I am a German Jew I want to live here Others describe the impossibility of being both German and Jewish I don't have anything in common with the whole German people Many confess to profound ambivalence such as the East Berliner who feels that he is neither a native nor a foreigner in Germany If someone asks me Who are you then I can only say I am a fish out of water
