Preventing the Sexual Victimization of Children Charles Patrick Ewing, 2014 Preventing the Sexual Victimization of Children is the first book to critically evaluate national and international efforts to reduce child sexual abuse and ameliorate its effects

Breaking Free Kay Toon, 2018-02-15 This classic book has helped many thousands of people to manage the impact that childhood sexual abuse has had on their lives The positive and optimistic approach continues to empower survivors to break free from the past This new edition by clinical psychologist Kay Toon now refers to types of abuse that have come to light more recently such as street exploitation and abuse by celebrities politicians and football coaches as well as the use of digital technology to groom children and young people Breaking Free is regularly recommended by agony aunts and therapists A Department of Health project provided copies of Breaking Free and the Breaking Free Workbook to NHS Mental Health

Provider Trusts The voice of the cowed betrayed and helpless sexually abused child speaks powerfully throughout this book
British Journal of Psychiatry The way the book instils hope is inspiring Journal of Social Work Practice This book will be enormously helpful to those who have endured sexual abuse Nursing Times *Safeguarding Children and Young People* Stella Coleman, Corinne May-Chahal, 2013-06-17 What does the novice practitioner or the experienced practitioner moving into child care work from another sector need to know to practice effectively What skills do they need to call on In this valuable addition to The Social Work Skills Series Stella Coleman and Corinne May Chahal bring together their considerable teaching and practice experience to provide a reliable and practical guide to child protection work Topics covered include the legal and procedural context the professional context explanatory theoretical frameworks and models of practice managing risk evidence based practice social work interventions parents carers and families continuing professional development This is an essential text for all students teachers and professionals working with children and families

Protecting Children and Adults from Abuse After Savile Marcus Erooga, 2018-01-18 The high profile reporting of child sexual abuse carried out by Jimmy Savile over decades has had far reaching consequences raising public awareness and concern yet we continue to uncover new cases of institutional abuse which have been taking place under the radar for years This book distils the learning from 80 public inquiries relating to Savile as well as related cases of institutional abuse and analyses the key findings It examines what we now know about offending within organisations and institutions and how organisational failures can enable abusers Each chapter also outlines solutions offering perspectives for individuals and organisations on what practical action they can take to minimise risk in the settings in which they work The book includes chapters specifically dedicated to the NHS sports organisations and schools and is necessary reading for professionals with responsibility for safeguarding in any setting

Care Planning in Children and Young People's Nursing Sonya Clarke, Doris Corkin, 2023-08-15 Care Planning in Children and Young People's Nursing Develop a care program to meet a child's individual needs with this essential guide Even seemingly minor decisions can have a significant impact on the early development of a child so it is essential for children to receive a carefully tailored program designed to meet the needs and concerns of each individual child The second edition of Care Planning in Children and Young People's Nursing adds significant scope and material to the already vital first edition Taking a child young person and family centred approach it offers a comprehensive and accessible discussion of care planning with continuous reference to core principles and nursing values This new edition continues to be a fundamental resource for the planning and execution of high quality nursing care for children and young people Readers of the second edition will also find Detailed case scenarios designed to cultivate discussion and produce greater competence Increased emphasis on the voices of children and young people In depth discussion of care planning for specific conditions including new chapters on Sickle Cell Disease Mental Health and Wellbeing of Children and Young People Transition from Children's to Adults Services and more Care Planning in Children

and Young People's Nursing is a must have for children's nurses or for any nursing professionals involved in the care of children and young people

Working with Trauma-Exposed Children and Adolescents Joanna Pozzulo, Craig Bennell, 2018-12-07 Far too often children and youth experience trauma from rare events such as mass shootings terrorism attacks and school lockdowns to very common occurrences such as bullying exposure to drugs and alcohol or various mental health issues They can experience these events both directly and indirectly from surfing the internet watching television or through their friends Our children spend a large portion of their day at school interacting with other students teachers and school personnel where these topics are raised and discussed This edited volume addresses how our teachers and school personnel can help students deal with these potentially traumatic events to reach the most positive possible outcomes This collection brings together leading experts including academics and professionals working in the field to provide the most current evidence based practices on how to help students who may have experienced or witnessed trauma It presents research and advice on how to respond to traumatic events regarding bullying drugs and alcohol sexual abuse mental health lesbian gay bisexual transgender and queer LGBTQ safety stranger danger childhood disruptive behaviors school shootings and lockdowns and terrorism It also includes a chapter focused on how to implement a school safety program Schools cannot deal with these issues alone effective strategies must engage family members and the broader community Hence the collection includes a chapter on how schools can partner with families and the communities they reside in to bring about positive change All this work pays close attention to cultural and religious sensitivity socio economic variabilities diversity issues and developmental stages

Challenges in the Management of People Convicted of a Sexual Offence Kasia

Uzieblo, Wineke J. Smid, Kieran McCartan, 2022-01-01 This book provides an up to date analysis of major issues in the field of sexual abuse both established and emerging and asks how we can develop the most evidence based fit for purpose approach in responding to and preventing it Sexual abuse is a multi disciplinary international issue that exists at the crossroads of theory practice and research Therefore the book is future facing and asks the reader to critically reflect upon current and future research and practice and to ask what next In doing this the book examines the theory research and practice on a range of topics including grooming behaviors risk management risk assessment sexual fantasies professional engagement and policy development These and other essential topics for effective and efficient care for people who have committed sexual offenses are addressed as part of the ultimate goal to reduce and even eliminate sexual victimization in the future

Safeguarding Children and Young People Nick Frost, 2020-11-04 Safeguarding Children and Young People offers students and practitioners an accessible and multi disciplinary guide to working together with other professionals to deliver a child centred and co ordinated approach to safeguarding in line with the Working Together to Safeguard Children guidance Taking a whole systems approach and offering support on prevention assessment intervention systems and leadership the book reflects on recent challenges including contextual abuse child sexual exploitation and cyber abuse The book includes

case studies activities and points for reflection to aid learning and test understanding **Protecting Children, Strengthening Families** United States. Congress. Senate. Committee on Health, Education, Labor, and Pensions. Subcommittee on Children and Families, 2009 **Offenders and the Sexual Abuse of Children** James A. Cates, 2024-11-22 This book synthesizes the nascent but growing body of literature and research emerging on risk management and treatment of persons who sexually offend against children This volume demonstrates the need for change by placing current attitudes toward sexual offending in their sociocultural context and then discussing the impact of these attitudes Rather than parse the needs of children who have been victimized from those who have offended a model emerges that explains the interlocking dynamics of those who offend and those offended against This book upends the convenient fiction that child sexual abuse can be reduced by locking away those who offend and then monitoring them upon release Rather the book addresses the need for ongoing interaction of the two populations the reality that the two populations at times overlap and the increasingly public question of how to manage those who acknowledge an attraction to children but deny an intent to act on that desire Providing alternative viewpoints research avenues and policy options that can accommodate a more realistic effort to reduce the risk of sexual abuse it is a must read for all policymakers or professionals working with those who have offended or acknowledge attraction to children alongside students and researchers from forensic psychology clinical psychology or criminology backgrounds **Safeguarding, Child Protection and Abuse in Sport** Melanie Lang, Mike Hartill, 2014-07-11 The safeguarding of children and young people participating in sport has become an increasingly prominent concern in policy making and research communities around the world Major organisations such as the IOC and UNICEF now officially recognize that children in sport can be at risk of exploitation and abuse and this concern has led to the emergence of new initiatives and policies aimed at protecting vulnerable young people and athletes This book is the first to comprehensively review contemporary developments in child protection and safeguarding in sport on a global level The book is divided into two parts Part One critically analyses current child protection and safeguarding policy and practice in sport across a range of countries including the US Canada the UK Australia China and Germany providing a global context for current policy and practice This represents the most comprehensive review to date of the landscape of child protection and safeguarding in sport and provides a starting point for critical international comparisons Part Two explores a range of issues related to child protection and safeguarding in sport including many not covered in previous books such as emotional abuse injury and over training While in many instances the impetus for policy in this area has arisen from concerns about sexual abuse the second part of this book therefore opens up a broader more holistic approach to child and athlete welfare By bringing together many of the leading researchers working in child and athlete protection in sport from around the world this book is important reading for all advanced students researchers policy makers or practitioners working in youth sport physical education sports coaching coach education or child protection Safeguarding Children And Young

People Powell, Catherine, 2007-08-01 While many nurses and midwives are in an ideal position to prevent identify and respond to child maltreatment they may not have a clear understanding of the theory policy and practice of safeguarding children

Safeguarding Young People Dez Holmes, 2022-03-21 Focusing on young people and adolescence this book explores the complexity of contemporary adolescent safeguarding It highlights evidence informed practice and innovation in this area at the work serving as an accessible and invaluable resource for all working with and supporting young people facing risk and harm Core themes covered by the book are the nature of harms facing some young people the potential pitfalls of some professional responses and the current legal framework for safeguarding young people where harm occurs outside the family home It includes an overview of adolescent development and argues for a holistic systemic response that addresses the structural disadvantage facing many young people at risk and incorporates participatory and trauma informed practice designed to promote resilience It draws on innovative approaches in local areas such as Transitional Safeguarding to make the case for a person centred evidence informed and rights based approach to safeguarding young people As well as being invaluable to practitioners managers and strategic leaders working in this field this is also ideally suited to be a text for any social work course or professional development programme on adolescent safeguarding practice

The Handbook of Counselling Children & Young People Sue Pattison, Maggie Robson, Ann Beynon, 2014-11-30 This landmark handbook brings together the fundamentals of counselling children and young people theory research skills and practice It addresses what every successful trainee or practitioner needs to know in a way that is comprehensive accessible and jargon free Divided into four parts it covers theory and practice approaches including chapters on child development person centred psychodynamic CBT Gestalt approaches and more counselling process including chapters on the therapeutic relationship skills groupwork supervision practice issues including chapters on law and policy ethics diversity challenging behaviour practice settings including chapters on health and social care settings school and education multi agency and collaboration Each chapter includes a chapter introduction and summary reflective questions and activities helping trainees to cement their learning With chapters contributed by leading experts and academics in the field this book is essential reading for trainees and practitioners working with children and young people

Preventing Child Sexual Abuse Sandy K. Wurtele, Cindy L. Miller-Perrin, 1993-01-01 The past decade has seen a dramatic increase in the attention paid to the problem of child sexual abuse Professionals from the social work mental health medical academic and legal fields are all involved in researching the prevalence causes and consequences of abuse Child sexual abuse in multidimensional it is determined by forces at work in victims and offenders in the family and in the community and society at large Thoroughly researched Preventing Child Sexual Abuse surveys incidence and prevalence studies lists risk and protective factors in abuse discusses various indicators of abuse and reports on legislation related to abuse It reviews preventive programs aimed at children and adults and provides suggestions for an expanded involvement of parents professionals policymakers researchers and the

general public In doing so it provides the information needed to create prevention programs that attack the problem on several fronts at once *Tackling Child Sexual Abuse* Sarah Nelson,2016-06-08 This bracing book makes a forceful case for reinvigorating our efforts to address and prevent childhood sexual abuse In recent years Sarah Nelson argues the fight against childhood sexual abuse has been complacent or even fearful She attacks the causes of this head on reassessing backlashes like that surrounding the satanic panic and arguing that policy makers practitioners and academics have a duty to move beyond such problems and address the real issue To that end she proposes new models for child centered perpetrator focused protection community prevention and working with survivor offenders Sure to be controversial Preventing Child Sexual Abuse will challenge and galvanize the field **Online Child Sexual Abuse** Elena Martellozzo,2013-06-17 Online Child Sexual Abuse Grooming Policing and Child Protection in a Multi Media World addresses the complex multi faceted and at times counter intuitive relationships between online grooming behaviours risk assessment police practices and the actual danger of subsequent abuse in the physical world Online child sexual abuse has become a high profile and important issue in public life When children are victims there is clearly intense public and political interest and concern Sex offenders are society s most reviled deviants and the object of seemingly undifferentiated public fear and loathing This may be evidenced in ongoing efforts to advance legislation develop police tactics and to educate children and their carers to engage with multi media and the internet safely Understanding how sex offenders use the internet and how the police and the government are responding to their behaviour is central to the development of preventative measures Based on extensive ethnographic research conducted with the police and a specialist paedophile unit here Elena Marellozzo presents an informed analysis of online child sexual abuse of the patterns and characteristics of online grooming and of the challenges and techniques that characterize its policing Connecting theory research and practice in the field of policing social policy victimology and criminology this book adds significantly to our understanding and knowledge of the problem of online child sexual abuse the way in which victims are targeted and how this phenomenon is and might be policed

Strangers Who Molest Protecting Children From Sexual Predators Introduction

In the digital age, access to information has become easier than ever before. The ability to download Strangers Who Molest Protecting Children From Sexual Predators has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Strangers Who Molest Protecting Children From Sexual Predators has opened up a world of possibilities. Downloading Strangers Who Molest Protecting Children From Sexual Predators provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Strangers Who Molest Protecting Children From Sexual Predators has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Strangers Who Molest Protecting Children From Sexual Predators. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Strangers Who Molest Protecting Children From Sexual Predators. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Strangers Who Molest Protecting Children From Sexual Predators, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Strangers Who Molest Protecting Children From Sexual Predators has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.
