Systematic Theology A Pentecostal Perspective:

Systematic Theology Stanley M. Horton, 1994 Twenty respected educators and authors examine the Pentecostal faith while addressing the strengths and weaknesses of various viewpoints Chapters include The Holy Trinity The Saving Work of Christ The Baptism in the Holy Spirit Divine Healing God's Inspired Word The One True God Spiritual Gifts and other areas

Types of Pentecostal Theology Christopher A. Stephenson, 2012-09-14 In the first critical study of the major theologians of pentecostalism one of the fastest growing and most influential religious traditions in the world Christopher A Stephenson establishes four original categories to classify pentecostal theologians methodologies in systematic constructive theology The four categories are based respectively on the arrangement of biblical texts the relationship between theology and Christian spirituality doctrine concerning the kingdom of God and pneumatology as a basis for philosophical and fundamental theology Stephenson analyzes each methodological type and suggests a pentecostal theological method that builds on the strengths of each He then offers his own original contribution arguing for a reciprocal relationship between pentecostal spirituality and doctrine that follows the pattern of *lex orandi lex credendi* and develops a doctrine of the Lord's supper as a demonstration of this reciprocal relationship *Types of Pentecostal Theology* provides critical insight into such fundamental issues as the relationship between theology and philosophy the dynamic between scripture and tradition and the similarities and differences between recent pentecostal theology and other currents in contemporary theology

An Introduction to Theology John R. Higgins, Michael L. Dusing, Frank D. Tallman, 1993 **Christian Doctrine** French L. Arrington, 1993-04-01 A basic exposition of the Christian faith with an emphasis on the vital role of the Holy Spirit in the life of the Christian and in the worship and ministry of the church

Systematic Theology Stanley Horton, 2011-08-22

Pentecostal Theology Wolfgang Vondey, 2017-07-13 Winner of the Pneuma Book Award 2018 from The Society for Pentecostal Studies Pentecostalism is the most rapidly growing branch of Christianity since the 20th century yet it does not lend itself well to a singular doctrine and there is therefore no single comprehensive account of Pentecostal theology worldwide In this volume Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God The book unfolds in two main parts illustrating the full gospel story and theology Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology formulate a Pentecostal theology of action translate apply and exemplify Pentecostal practices and experiences and integrate Pentecostal theology in the wider Christian tradition

Profiles of Pentecostal Theology Christopher A. Stephenson, 2021-10-25 Pentecostal theology is burgeoning in the academy and a vast body of literature continues to grow With precision and ease Stephenson carefully leads readers through an array of theological topics texts and figures Combining original analysis and

constructive contributions he classifies diverse and complex ideas in pentecostal biblical studies systematic theology and theological ethics Whether they are beginning students seeking an accessible initiation into an area that newly piques their interests or established scholars who need a sophisticated crash course in a yet unexplored field of inquiry readers will find Stephenson s accounts to be a reliable guide through this daunting topic **Pentecostal Perspectives** Timothy Laurito,2023-07-31 Step into the vibrant world of Pentecostal theology with Pentecostal Perspectives Explore the cornerstones of biblical theology from the view of Pentecostal thought Crafted with the careful balance of scholarly rigor and engaging accessibility this book bridges the academia and the pew Pentecostal Perspectives provides more than just theology it offers an exploration an invitation and a conversation into the heart of Pentecostal faith and practice *Renewal Theology* John Rodman Williams,1996 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God *Pentecostalism as a Christian Mystical Tradition* Castelo, Daniel,2017 Informed reassessment of Pentecostalism as a mystical tradition of the church universal Pentecostalism says Daniel Castelo is commonly framed as evangelicalism with tongues or dismissed as simply a revivalist movement In this book Castelo argues that Pentecostalism is actually best understood as a Christian mystical tradition Taking a theological approach to Pentecostalism Castelo looks particularly at the movement s methodology and epistemology as he carefully distinguishes it from American evangelicalism Castelo displays the continuity between Pentecostalism and ancient church tradition creating a unified narrative of Pentecostalism and the mystical tradition of Christianity throughout history and today Finally he uses a test case to press the question of what the interactions between mystical theology and dogmatics could look like
