Systems Of Family Therapy An Adlerian Integration:

Systems of Family Therapy Robert Sherman, Don Dinkmeyer, 2014-01-09 First published in 1987 This book connects Adlerian theory defined as a human systems approach with the other systems theories of family therapy By comparison and contrast with five other popular family therapy theories the authors suggest that Adlerian family therapy can well serve as a much needed integrative model a need often stressed in the literature and in many conference presentations Adlerian psychology is described as an open system theory that provides the theoretical base for synthesizing the multitude of concepts and techniques now extant in the burgeoning field of family therapy Systems of Family Therapy fulfills the need for integration and synthesis and enables clinicians to make use of the broad range of ideas and methods generated in contemporary family therapy theories within an internally consistent framework Chapters describe the history of the theory basic principles and concepts structure of the therapy the behavior change model and specific techniques for conducting the therapy Many case examples are used throughout The volume is enhanced by five distinguished contributing authors who are skilled in both Adlerian theory and another major theory They each make a detailed comparison of the two theories with respect to history major concepts definitions of well and dysfunctional families diagnoses change models and techniques and a summary of their findings The theories analyzed are Satir's model the M R I Interactional View Strategic therapy Structural therapy and Rational Emotive therapy

Family Therapy Techniques Jon Carlson, Len Sperry, Judith A. Lewis, 2013-01-11 Family Therapy Techniques briefly reviews the basic theories of marriage and family therapy It then goes into treatment models designed to facilitate the tailoring of therapy to specific populations and the integration of techniques from what often seems like disparate theories Based on the assumption that no single approach is the definitive approach for every situation the book leads students through multiple perspectives In teaching students to integrate and tailor techniques this book asks them to take functional methods and approaches from a variety of theoretical approaches without attempting to reiterate the theoretical issues and research covered in theories courses

Solving Problems In Couples And Family Therapy Robert Sherman, Paul Oresky, Yvonne Rountree, 2013-05-13 Aimed primarily at clinicians who are required to find ways to interrupt patterns of destructive behaviour in couples and families this text provides a compilation of multi disciplinary techniques and flexible strategies to accomplish 14 major therapeutic tasks

Intervention & Strategies in Counseling and Psychotherapy Richard E. Watts, Jon Carlson, 2013-08-21 Psychology has recently shifted toward a phenomenological approach closely aligned with theories originally put forth by noted psychologist Alfred Adler However modern approaches are often presented in a language that differs from the original theories with no acknowledgment to the contributions of Adler Interventions and Strategies in Counseling and Psychotherapy corrects this oversight illustrating the many ways in which Adlerian ideas underpin and influence contemporary therapeutic approaches Original chapters by leading thinkers in the field address the practice of counseling and psychotherapy from a social cognitive perspective and

logically combine classic Adlerian theories with proven and effective methods from other approaches The book covers a wide range of topics including play therapy parent education couples therapy and problem solving counseling This book is essential reading not only for Adlerian psychologists but also counselors psychologists and psychotherapists of any theoretical stripe who wish to keep their practical skills up to date It is also of use to graduate and doctoral students enrolled in counseling and psychology programs

Theory and Practice of Couples and Family Counseling James Robert Bitter, 2020-09-07 This introduction to couples and family counseling lays the foundation for student skill building by encouraging the development of personal professional and ethical standards of practice This third edition has been expanded to include couples counseling and updated to reflect recent research and current practice Primary text features include a genogram delineating the history of the field a comprehensive discussion of 13 widely used theories with real life examples of quality work for each approach a single bicultural couple family system case for comparison across models and strategies for the integration and application of the models into clinical practice with diverse clients To help readers apply the concepts they have learned Dr Bitter provides numerous Illustrative examples case studies sample client dialogues and exercises for personal and professional growth Requests for digital versions from ACA can be found on www.wiley.com To request print copies please visit the ACA <https://imis.counseling.org/store/detail> Reproduction requests for material from books published by ACA should be directed to publications@counseling.org

Family Therapy Janice M. Rasheed, Mikal Nazir Rasheed, Mikal N. Rasheed, James A. Marley, 2011 This text offers a straightforward comprehensive overview of both traditional and evolving theoretical models of family therapy and intervention techniques as well as a discussion of clinical issues unique to family therapy practice Aiming to prepare students to develop beginning proficiency in family therapy the authors outline major family therapy models in detail including a step by step description of concepts theories skills and techniques as well as a history of each model and its conceptual and theoretical underpinnings The text also provides extensive case illustrations of family interviews that identify the specific stages clinical issues concepts theories and techniques associated with each model This core text is designed for graduate level courses such as Family Therapy Marriage and Family Therapy Marriage and Family Counseling Family Systems Theory and Family Counseling in departments of social work psychology nursing education or human services
