T. S. ELIOT

Abstract

Edited by
LARRY A. DILL, University of Illinois

Two figures in contemporary literature have been so intensely and so extensively written about as T. S. Eliot. There is scarcely an area of intellectual and literary opinion in which Eliot has not served as a subject of discussion and as a point of reference for the formulation of characterizations and attitudes. In its cumulative aspect the comment on his work provides a survey of modern criticism from a perspective that is constant and useful.

In many instances the writers who have appraised Eliot are important figures by virtue of their own accomplishments, and their discussions are sometimes most significant as self-revelations. For example, the statements of William Butler Yeats and Harold J. Luck are instructive for what they re-

T S Eliot A Selected Critique:

T.S. Eliot Leonard Unger,1948 **T. S. Eliot** Leonard Unger,1961 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible to scholars students researchers and general readers Rich with historical and cultural value these works are published unaltered from the original University of Minnesota Press editions The books offered through Minnesota Archive Editions are produced in limited quantities according to customer demand and are available through select distribution partners **Anti-T.S. Eliot Stance in Recent Criticism** Nasreen Ayaz,2004 Thomas Stearns Eliot 1888 1965 English poet *The Dynamics of Criticism in T.S. Eliot* Mohammad Hanief,2000 The Book Is The Most Authentic One Ever Written On The Subject Apart From Its Wide Ranging And Usually Inaccessible Materials It Has Been Written In Such A Lively And Fluent Style That It Ravishes Both The Uninitiated And The Expert The Common Reader And The Scholar Besides Having Functional Utility For Examinations Interviews And Competitions And Elite Occasions It Is A Source Of Critical Strength And Ideas For Any Reader Of Taste And Interest Irrespective Of His Particular Language Literature And Department Mohammad Hanif Has Made A Diligent Collection Of Material From And About T S Eliot S Critical Writings And Has Arranged It Straightforwardly In Eight Chapters On The Sources Of Eliot S Ideas On His Views About Poetry Criticism Drama And The Novel And His Style Is Lively Clear And Forceful On The Whole He Roused By Attention By Some First Hand Observation On A Point Of Detail For Instance Eliot And Benda On Eliot S Possible Debt To Pater And On Eliot S Humour The Inclusion Of Chapter 6 On Eliot S Criticism Of The Nover Is Welcome And Mr Hanif Does Show That Eliot Ranged Widely In This Department Of Literature *A Half-century of Eliot Criticism* Mildred Martin,1972 Listing and commenting on almost 2700 items the work provides the only annotated bibliography of a major contemporary author that is virtually complete Includes three indexes **T.S. Eliot's Dramatic Theory and Practice** Carol H. Smith,2015-12-08 Although there have been innumerable studies of T S Eliot this is the first to examine closely the changes in his dramatic practice and to relate them to his artistic and intellectual development Professor Smith finds Eliot s dramatic theory rooted in his conception of the need for order in religion and art she traces this concept as it evolved from the overtly religious *The Rock and Murder in the Cathedral* through such symbolic drawing room plays as *The Family Reunion* *The Cocktail Party* and *The Confidential Clerk* to Eliot s latest study of human and divine love in *The Elder Statesman* Carol H Smith explores Eliot s interest in the jazz rhythms of the English music hall in the mythical method of Yeats and Joyce and in the work of the Cambridge School of Classical Anthropology Originally published in 1963 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **T.**

S. Eliot and Christian Tradition Benjamin G. Lockerd, 2014-06-18 T S Eliot was raised in the Unitarian faith of his family in St Louis but drifted away from their beliefs while studying philosophy mysticism and anthropology at Harvard During a year in Paris he became involved with a group of Catholic writers and subsequently went through a gradual conversion to Catholic Christianity Many studies of Eliot s writings have mentioned his religious beliefs but most have failed to give the topic due weight and many have misunderstood or misrepresented his faith More recently scholars have begun exploring this dimension of Eliot s thought more carefully and fully In this book readers will find Eliot s Anglo Catholicism accurately defined and thoughtfully considered Essays illuminate the all important influence of the French Catholic writers he came to know in Paris Prominent among them were those who wrote for or were otherwise associated with the *Nouvelle Revue Fran aise* including Andr Gide Paul Claudel and Charles Louis Philippe Also active in Paris at that time was the notorious Charles Maurras whose influence on Eliot has been exaggerated by those who wished to discredit Eliot s traditionalist views A more measured assessment of Maurras s influence has been needed and is found in several essays here A wiser French Catholic writer Jacques Maritain has been largely ignored by Eliot scholars but his influence is now given due consideration The keynote of Eliot s cultural and political writings is his belief that religion and culture are integrally related Several contributors examine his ideas on this subject placing them in the context of Maritain s ideas as well as those of the Catholic historian Christopher Dawson Contributors take account of Eliot s intellectual relationship with such figures as John Henry Newman Charles Williams and the expert on church architecture W R Lethaby Eliot s engagement with other contemporaries who held a variety of Christian beliefs including George Santayana Paul Elmer More C S Lewis and David Jones is also explored This collection presents the subject of Eliot s religious beliefs in rich detail from a number of different perspectives giving readers the opportunity to see the topic in its complexity and fullness

T.S. Eliot and American Poetry Lee Oser, 1998 Written in a fine and lucid prose style T S Eliot and American Poetry presents a critical study of Eliot s major poems as it examines what America means to its poets Eliot s contribution to a poetic dialogue on this subject with Ralph Waldo Emerson Edgar Allan Poe Walt Whitman Hart Crane Robert Lowell John Ashbery and other literary figures plays a significant role in this groundbreaking study Investigating Eliot s literary inheritance through his familial traditions represented particularly by his mother Charlotte Eliot and in terms of the American Renaissance Lee Oser addresses all phases of Eliot s career as a poet Following an introduction that reevaluates the importance of Poe and Whitman for Eliot and modernism the discussion proceeds from Eliot s reaction against the progressive ethos of late Puritan culture to the appearance in his writing of numerous figures of exile and disinheritance as an expression of lost American patrimony to his flight from the realm of history and his eventual return to the spiritual and cultural traditions of New England A final chapter weighs Eliot s impact on Robert Lowell John Ashbery and Elizabeth Bishop Through its dialectical view of American literary and intellectual history T S Eliot and American Poetry constructs a practical methodology for comparing Eliot with other

American poets Juxtaposing Eliot's poems lectures and essays including generous excerpts from Eliot's uncollected prose with landmark texts by Emerson Poe Whitman and many others Oser engages in a deeper analysis of Eliot's Americanness than has hitherto been possible In addressing Eliot's treatment of America as symbol and topos the work presents a multifaceted chronicle of Eliot's development that enriches formalist and historicist approaches alike T S Eliot and American Poetry makes numerous original contributions to the field of literary history No previous work has so richly pursued Eliot's literary and familial inheritance as well as his legacy to American poetry the result is a highly nuanced perspective on contemporary debates about poetry criticism and culture

The Ideology of T.S. Eliot's Essays Roy Glenwood

Pickett,1951 Eliot's Objective Correlative Flemming Olsen,2012 Eliot's dictum about the objective correlative has often been quoted but rarely analysed This book traces the maxim to some of its sources and places it in a contemporary context Eliot agreed with Locke about the necessity of sensory input but for a poet to be able to create poetry the input has to be processed by the poet's intellect Respect for control of feelings and order of presentation were central to Eliot's conception of literary criticism The result the objective correlative is not one word but a scene or a chain of events Eliot's thinking was also inspired by late 19th century French critics like Gautier and Gourmont whose terminology he not infrequently borrowed But he chose the term objective out of respect for the prestige that still surrounded the Positivist paradigm In its break away from Positivist dogmas criticism of art in the early 20th century was very much preoccupied with form In poetry that meant focus on the use and function of the word That focus is perceptible everywhere in Eliot's criticism Even though the idea of the objective correlative was not an original one Eliot's treatment of it is interesting because he sees a seeming truism the right word in the right place in a new light He never developed the theory but the thought is traceable in several of his critical essays On account of its categorical and rudimentary form the theory is not unproblematic whose fault is it if the reader's response does not square with the poet's intention And indeed Eliot's own practice belies his theory witness the multifarious legitimate interpretations of his poems

T S Eliot A Selected Critique: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
