William Brown

Tabernacle And Its Priests And Services 187

**James Hastings, John Alexander
Selbie, Andrew Bruce Davidson, Samuel
Rolles Driver, Henry Barclay Swete**

Tabernacle And Its Priests And Services 187:

The Tabernacle William Brown, 1996 Charles H Spurgeon described The Tabernacle as An instructive interpretation of the types of the Tabernacle This timeless companion to Edersheim s foundational work The Temple Its Ministry and Services is completely retypeset in a modern format The Tabernacle is now easier to read and consult than ever before Quotations from Scripture have been supplied in the margins to paint word pictures of the tabernacle its priest its rites and its sacrifices These bring to life the intricacies of the tabernacle and illuminate its significance Fifty illustrations depict the tabernacle and its surroundings the silver foundation the golden walls the curtains the hangings the furniture and the clothing of the priests These unique drawings and charts detail the form and beauty of this dwelling place of God Brown repeatedly points out the significance of the tabernacle for the modern believer His careful study and faithful interpretation show that the study of the tabernacle its rites and the meanings behind them clearly points to Jesus Christ as the final attainment of all the tabernacle s aspirations An earnest and prayerful study of the tabernacle and the purposes it served cannot fail to increase our knowledge of the grand truths of redemption

A Dictionary of the Bible Dealing with Its Language, Literature, and Contents, Including the Biblical Theology: Pleroma-Zuzim James Hastings, John Alexander Selbie, Andrew Bruce Davidson, Samuel Rolles Driver, Henry Barclay Swete, 1906 *The Church at Home* John Heyl Vincent, 1893 **The LORD's Service** Robert D. Macina, 2019-06-26 Worship in the Old Testament has been frequently misunderstood Its rites and ceremonies are often perceived as legalistic works that were required by an angry God to gain his favor or avert his wrath But is that really what the Bible teaches To be sure the LORD did institute the divine service in the Old Testament with all of its laws rites and ceremonies Yet did God do this in order to be appeased or pleased by the ancient Israelites When the priests enacted the offerings and sacrifices at the sanctuary was it merely to do good works that God required but without meaning or purpose for his people Was worship in the Old Testament always what the people did for the LORD or did God do anything that was beneficial to the Israelites This book answers these questions and furthermore dispels the recurring misinterpretation of worship in the Old Testament The LORD established the divine service in the Pentateuch not to receive what he demanded from the people of ancient Israel but on the contrary to cleanse them from their sinful impurities sanctify them to share in his holiness and dwell among them with his blessing

A Dictionary of the Bible: Pleroma-Zuzim James Hastings, John Alexander Selbie, Andrew Bruce Davidson, Samuel Rolles Driver, Henry Barclay Swete, 1902 **A Dictionary of the Bible** James Hastings, 2004-10 For over a century the ten volume Dictionary of the Bible has been the definitive reference It is a Dictionary of the Old and New Testaments together with the Old Testament Apocrypha according to the Authorized and Revised English Versions and with constant reference to the original tongues Articles have been written on the names of all Persons and Places on the Antiquities and Archaeology of the Bible on its Ethnology Geology and Natural History on Biblical Theology and Ethic and even on the obsolete or archaic words occurring in the English Versions James Hastings 1852 1922

was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

Trajectories Bryan C. Babcock, James Spencer, 2018-03-02 *Trajectories* meets an urgent need in both undergraduate and graduate study of the Old Testament Too often Old Testament theology focuses on the end product and leaves the process obscured Each chapter of *Trajectories* provides a clear path connecting biblical research to theological conclusions The final chapter offers a step by step method for completing a thorough hermeneutical analysis framed within a discussion of the gospel message *Trajectories* also seeks to situate Old Testament theology in relation to global and generational trends influencing the church and evangelical theology The implications of globalization and the rise of millennials on Old Testament theology are critical and thought provoking topics for discussion Chapters in *Trajectories* are organized thematically so the textbook can serve as a companion study guide to courses in the Old Testament and New Testament In addition the exploration of topics allows each study to link to the New Testament Each chapter concludes with tangible applications for the contemporary Christian church and with questions for group discussion and reflection

Priesthood and Temple in John's Apocalypse Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality

The Spatiotemporal Eschatology of Hebrews Luke Woo, 2024-07-11 There are two coexisting realities classified under New Testament eschatology the temporal and spatial While much scholarly attention has focused on the temporal Luke Woo argues that the spatial aspect is either neglected or relegated to Platonic or cosmological categories Woo thus seeks to provide a holistic understanding by investigating these realities for believers under the heavenly tabernacle motif in the Epistle to the Hebrews Woo posits that the author of Hebrews presents the heavenly tabernacle and all its high priestly activity in order to eschatologically situate orient and ground believers thus enabling believers to actualize their

heavenly priestly identity by serving as priests on earth Woo uses Edward Soja's Tripartite Critical Spatiality to analyze the heavenly tabernacle's Firstspace Secondspace and Thirdspace features found in Hebrews 4:14 8:1 5:9 1:14 He suggests that Christ in his resurrection and ascension enters an actualized heavenly tabernacle which allows believers to spiritually occupy that sanctuary space in the presence of God establishing a spatial orientation for believers who can identify as heavenly priests and be motivated to serve as such as they live on earth

Family Worship for Ever Day in the Year John Heyl Vincent, 1904
