Dansky, 2021-11-11 Most Americans do not understand the real threat that the transgender agenda or the so called gender identity movement poses to all of us especially women and girls nor do they understand the extent to which it is taking over U S law and civil society. The simple truth is that gender identity functions to abolish sex and all of our civic institutions government media academia and business have been completely captured by it. We have been told that transgender is a word to describe a marginalized group of people who are in need of civil rights protection it is not. Instead it is an incoherent word that is being used to advance a much broader agenda. There are many people including people on the political left who understand the threat that enshrining gender identity in law and society poses but they are silenced when they try to speak out. This book shines a light on the truth about gender identity the transgender agenda the very real threats that they pose to all of society specifically to the rights privacy and safety of women and girls and what the global Women's Human Rights
