Tactics for Criminal Patrol Charles Remsberg, 1995-01-01 Insider patrol tactics you can start using right now to safely turn ordinary traffic stops into major felony arrests of drug couriers gun traffickers and other violent criminals Brings you step by step the rarely shared techniques of elite officers who are already producing spectacular results while staying alive and legally unscathed Once you learn the secrets of sensory pat downs deception detection strategies for searches and single officer self defense your vehicle stops will never again be the same

Locking Up Our Own James Forman, Jr., 2017-04-18 Winner of the Pulitzer Prize for General Non Fiction Long listed for the National Book Award Los Angeles Times Book Prizes Finalist New York Times Book Review s 10 Best Books of the Year A beautiful book written so well that gives us the origins and consequences of where we are I can see why the Pulitzer prize was awarded Trevor Noah The Daily Show Former public defender James Forman Jr is a leading critic of mass incarceration and its disproportionate impact on people of color In Locking Up Our Own he seeks to understand the war on crime that began in the 1970s and why it was supported by many African American leaders in the nation s urban centers Forman shows us that the first substantial cohort of black mayors judges and police chiefs took office amid a surge in crime and drug addiction Many prominent black officials including Washington D C mayor Marion Barry and federal prosecutor Eric Holder feared that the gains of the civil rights movement were being undermined by lawlessness and thus embraced tough on crime measures including longer sentences and aggressive police tactics In the face of skyrocketing murder rates and the proliferation of open air drug markets they believed they had no choice But the policies they adopted would have devastating consequences for residents of poor black neighborhoods A former D C public defender Forman tells riveting stories of politicians community activists police officers defendants and crime victims He writes with compassion about individuals trapped in terrible dilemmas from the men and women he represented in court to officials struggling to respond to a public safety emergency Locking Up Our Own enriches our understanding of why our society became so punitive and offers important lessons to anyone concerned about the future of race and the criminal justice system in this country

Race, Ethnicity, and Policing Stephen K. Rice, Michael D. White, 2010-03-15 The text includes both classic pieces and original essays that provide the reader with a comprehensive even handed sense of the theoretical underpinnings methodological challenges and existing research necessary to understand the problems associated with racial and ethnic profiling and police bias

Policing the Black Man Angela J. Davis, Bryan Stevenson, Marc Mauer, Bruce Western, Jeremy Travis, 2018-05-15 A comprehensive readable analysis of the key issues of the Black Lives Matter movement this thought provoking and compelling anthology features essays by some of the nation s most influential and respected criminal justice experts and legal scholars Somewhere among the anger mourning and malice that Policing the Black Man documents lies the pursuit of justice This powerful book demands our fierce attention Toni Morrison Policing the Black Man explores and critiques the many ways the criminal justice system impacts the lives of

African American boys and men at every stage of the criminal process from arrest through sentencing Essays range from an explication of the historical roots of racism in the criminal justice system to an examination of modern day police killings of unarmed black men The contributors discuss and explain racial profiling the power and discretion of police and prosecutors the role of implicit bias the racial impact of police and prosecutorial decisions the disproportionate imprisonment of black men the collateral consequences of mass incarceration and the Supreme Court's failure to provide meaningful remedies for the injustices in the criminal justice system Policing the Black Man is an enlightening must read for anyone interested in the critical issues of race and justice in America **Pulled Over** Charles R. Epp, Steven Maynard-Moody, Donald

Haider-Markel, 2014-04-04 In sheer numbers no form of government control comes close to the police stop Each year twelve percent of drivers in the United States are stopped by the police and the figure is almost double among racial minorities Police stops are among the most recognizable and frequently criticized incidences of racial profiling but while numerous studies have shown that minorities are pulled over at higher rates none have examined how police stops have come to be both encouraged and institutionalized Pulled Over deftly traces the strange history of the investigatory police stop from its discredited beginning as aggressive patrolling to its current status as accepted institutional practice Drawing on the richest study of police stops to date the authors show that who is stopped and how they are treated convey powerful messages about citizenship and racial disparity in the United States For African Americans for instance the experience of investigatory stops erodes the perceived legitimacy of police stops and of the police generally leading to decreased trust in the police and less willingness to solicit police assistance or to self censor in terms of clothing or where they drive This holds true even when police are courteous and respectful throughout the encounters and follow seemingly colorblind institutional protocols With a growing push in recent years to use local police in immigration efforts Hispanics stand poised to share African Americans long experience of investigative stops In a country that celebrates democracy and racial equality investigatory stops have a profound and deleterious effect on African American and other minority communities that merits serious reconsideration Pulled Over offers practical recommendations on how reforms can protect the rights of citizens and still effectively combat crime

Police Suicide Ronald A. Rufo, 2017-07-27 There is no question that more police officers die from suicide than those killed in the line of duty The suicide and attempted suicide of police officers is a mental health concern that has been neglected for far too long Police Suicide Is Police Culture Killing Our Officers provides realistic insight into the life of a police officer through a

Policing the Open Road Sarah A. Seo, 2019-04-08 Sarah Seo shows that the rise of the car the symbol of American personal freedom led to ever more intrusive policing with devastating consequences for racial equality in our criminal justice system Criminal procedures designed to safeguard us on the road undermined the nation's commitment to equal protection before the law

Talking to Strangers Malcolm Gladwell, 2019-09-10 Malcolm Gladwell host of the podcast Revisionist History and author of the 1 New York Times bestseller Outliers offers a powerful examination of our

interactions with strangers and why they often go wrong now with a new afterword by the author A Best Book of the Year The Financial Times Bloomberg Chicago Tribune and Detroit Free Press How did Fidel Castro fool the CIA for a generation Why did Neville Chamberlain think he could trust Adolf Hitler Why are campus sexual assaults on the rise Do television sitcoms teach us something about the way we relate to one another that isn't true Talking to Strangers is a classically Gladwellian intellectual adventure a challenging and controversial excursion through history psychology and scandals taken straight from the news He revisits the deceptions of Bernie Madoff the trial of Amanda Knox the suicide of Sylvia Plath the Jerry Sandusky pedophilia scandal at Penn State University and the death of Sandra Bland throwing our understanding of these and other stories into doubt Something is very wrong Gladwell argues with the tools and strategies we use to make sense of people we don't know And because we don't know how to talk to strangers we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world In his first book since his 1 bestseller David and Goliath Malcolm Gladwell has written a gripping guidebook for troubled times

The Cambridge Handbook of Policing in the United States Tamara Rice Lave, Eric J. Miller, 2019-07-04 A comprehensive collection on police and policing written by experts in political theory sociology criminology economics law public health and critical theory

Just Policing Jake Monaghan, 2023 Policing is a source of perennial conflict and philosophical disagreement Though the injustices of our world seemingly require some kind of policing the police are often sources of injustice themselves But this is not always a result of intentionally or negligently bad policing Sometimes it is an unavoidable result of the injustices that emerge from interactions with other social systems This raises an important question of just policing how should police respond to the injustices built into the system Just Policing attempts an answer offering a theory of just policing in non ideal contexts Jake Monaghan argues that police discretion is not only unavoidable but in light of non ideal circumstances valuable This conflicts with a widespread but inchoate view of just policing the legalist view that finds justice in faithful enforcement of the criminal code But the criminal code leaves policing seriously underdetermined full enforcement is neither possible nor desirable So police need an alternative normative framework for evaluating and guiding their exercise of power Just Policing draws on research in political philosophy and the social sciences to engage a number of current controversies both scholarly and popular regarding the police It critiques popular approaches to police abolitionism while defending normative limits on police power The book offers a defense of police discretion against common objections and evaluates controversial issues in order maintenance such as the policing of vice and homelessness democratic control over policing community policing initiatives police collaborations and alternatives like mental health response teams and possibilities for structural reform
