Opening with paintings by Whistler which were so influential on the artists of this period, the exhibition focuses on figurative paintings by select British, Irish, American and Australian artists from 1900 to 1914. It also includes George Lambert's *King Edward VII* 1910, completed shortly before Edward's death and now held in the Commonwealth of Australia Collection. In total, the exhibition comprises approximately 140 paintings, sculptures, costumes and fan designs drawn from national and international collections.
