Reflections of Life Kenneth D. Williams, 2016-05-21 Reflections on Life is a semi biography of my life's experiences I found that poetry was my best outlet for expressing my thoughts on many of my personal experiences and most of them are inspired by either an individual or a life event that I felt a need to capture and share Many people may have had similar experiences and can relate with my words I hope that my penned words can be an inspiration or can offer solitude or gratification to others Writing is a gift from God and I hope that my gift will be a present to your presence and a pathway to individual peace
