IT Project Management: A Geek's Guide to Leadership Byron A. Love, 2016-10-04 This book s author Byron Love admits proudly to being an IT geek However he had found that being an IT geek was limiting his career path and his effectiveness During a career of more than 31 years he has made the transition from geek to geek leader He hopes this book helps other geeks do the same This book addresses leadership issues in the IT industry to help IT practitioners lead from the lowest level Unlike other leadership books that provide a one size fits all approach to leadership this book focuses on the unique challenges that IT practitioners face IT project managers may manage processes and technologies but people must be led The IT industry attracts people who think in logical ways analytical types who have a propensity to place more emphasis on tasks and technology than on people This has led to leadership challenges such as poor communication poor relationship management and poor stakeholder engagement Critical IT projects and programs have failed because IT leaders neglect the people component of people process and technology Communications skills are key to leadership This book features an in depth discussion of the communications cycle and emotional intelligence providing geek leaders with tools to improve their understanding of others and to help others understand them To transform a geek into a geek leader this book also discusses Self leadership skills so geek leaders know how to lead others by leading themselves first Followership and how to cultivate it among team members How a geek leader s ability to navigate disparate social styles leads to greater credibility and influence Integrating leadership into project management processes The book concludes with a case study to show how to put leadership

principles and practices into action and how an IT geek can transform into an effective IT geek leader Celebrate Recovery Leader's Guide, Revised and Updated John Baker, 2025-07-01 A recovery program based on 8 principles from the Beatitudes In this revised and newly updated handbook for leaders there is a way the church can help the wounded move beyond their hurts hang ups and habits to experience the forgiveness of Christ Celebrate Recovery helps the church fulfill its role as Christ's healing agent You don't have to lead alone To lead people forward in spiritual physical and emotional restoration is to walk in the footsteps of Christ And that's why the Celebrate Recovery Leader's Guide is so important With everything you need to encourage lasting life change the newly updated handbook is the best way to facilitate Celebrate Recovery in your church and help people look forward to a whole new future The Celebrate Recovery Leader's Guide includes A Celebrate Recovery start up strategy A clear easy to follow format Step by step instructions for each meeting Guide for conducting leader training Teaching notes for the twenty five lessons of The Journey Begins Participant's Guide volumes 1-4 Overview of the twenty five lessons of The Journey Continues Participant's Guide volumes 5-8 Updated NIV Bible References Along with a willing heart this handbook is invaluable for leading men and women forward in complete restoration and transformation through Christ *The Future Leader* Jacob Morgan, 2020-02-19 WINNER OF CMI MANAGEMENT BOOK OF THE YEAR 2021 Are you a future ready leader Based on exclusive interviews with over 140 of the world's top CEOs and a survey of nearly 14 000 people Do you have the right mindsets and skills to be able to lead effectively in the next ten years and beyond Most individuals and organizations don't even know what leadership will look like in the future Until now There has been a lot written about leadership for the present day but the world is changing quickly What worked in the past won't work in the future We need to know how to prepare leaders who can successfully navigate and guide us through the next decade and beyond How is leadership changing and why How ready are leaders today for these changes What should leaders do now To answer these questions Jacob interviewed over 140 CEOs from companies like Unilever Mastercard Best Buy Oracle Verizon Kaiser KPMG Intercontinental Hotels Group Yum Brands Saint Gobain Dominos Philip Morris International and over a hundred others Jacob also partnered with LinkedIn to survey almost 14 000 of their members around the globe to see how CEO insights align with employee perspectives The majority of the world's top business leaders that Jacob interviewed believe that while some core aspects of leadership will remain the same such as creating a vision and executing on strategy leaders of the future will need a new arsenal of skills and mindsets to succeed What emerged from all of this research is the most accurate groundbreaking book on the future of leadership which shares exclusive insights from the world's top CEOs and never before seen research After reading it you will Learn the greatest trends impacting the future of leadership and their implications Understand the top skills and mindsets that leaders of the future will need to possess and how to learn them Change your perception of who a leader is and what leadership means Tackle the greatest challenges that leaders of the future will face See the gap that exists between what CEOs identified
