Take My Hand:

Take My Hand Missouri Vaun, 2018-06-12 Artist Clay Cahill retreats to her hometown of Pine Cone Georgia when she is betrayed by a woman she thought cared and the pressure of the New York City art world becomes too much. Setting paints aside she takes a job at her grandfather's garage seeking the restorative comfort of small town life where women are sweet and life flows as slow as molasses. Manhattan art gallery owner River Hemsworth is preparing for a show when she is informed her aunt has bequeathed her a local gallery in Pine Cone a place where the idea of fashion is anything with a Carhartt label. En route to review inventory and unload the property quickly River wrecks her car and Clay comes to her rescue. If River can convince Clay to start painting again she may be able to pull off the show that will make her career and quench the desires she never expected to feel again.

Take My Hand Kerry Fisher, Pat Sowa, 2020-05-28 Everyone should read it it may just save a life. Susan Elliot Wright bestselling author of *The Things We Never Said* Friends for over thirty years Kerry and Pat's worlds came crashing down when their teenage sons were both diagnosed with life threatening illnesses within weeks of each other. They quickly discovered that there was no handbook on coping when your child is seriously ill but took solace in their friendship texting at all hours and finding glimmers of dark humour on difficult days. Together these two ordinary mothers found a way to navigate their new normal and wanted to share what they'd learnt. With heartfelt honesty they offer practical sanity saving strategies that allow you to keep putting one foot in front of the other when your family is in crisis including how to Tame raging mother guilt. It's often the elephant in the room. Could I have prevented this happening? Is it all my fault? Kerry and Pat share all the reasons why you shouldn't blame yourself. Ask for what you need from the people who want to help but don't know how. Forget the flowers but please fix the Hoover, walk the dog and pick my other child up from school. Knowing someone else is dealing with everyday chores is a great comfort when you're already spread too thinly. Look after yourself even when you don't care about yourself. When keeping someone you love alive consumes every scrap of energy looking after yourself is at the bottom of the priority list. But serious illness can quickly deplete everyone's resources. Kerry and Pat list all the ways they found to replenish their energy. Be hopeful in the aftermath of tragedy. Kerry and Pat show you how to move forwards alongside the grief and still take the joy where you find it rather than waiting for the grief to be over to start living again. Like a wise companion offering comfort and hope *Take My Hand* is a lifeline both to those overwhelmed by heartbreak and for friends and family who don't know how to help. Most of all it's a powerful reminder that no matter how difficult life gets you are not alone. *Take My Hand* is helping so many people. Took my breath away Julia Saunders.
