My writings speak of the transitions and changes in my cultural self, my maturing feminism, my encounters with destiny, history, and nature. I write to see more deeply. I write for the enchantment of words, the haunting spell of images emerging from the foam of memory. These writings are necessary companions and courageous teachers on this mysterious journey we call life. Taste Buds and Molecules Francois Chartier, 2011-10-25 What's the secret relationship between the strawberry and the pineapple? In *Taste Buds and Molecules*, sommelier Francois Chartier, who has dedicated over twenty years of passionate research to the molecular relationships between wines and foods, reveals the fascinating answers to these questions and more. With an infectious enthusiasm, Chartier presents a revolutionary way of looking at food and wine, showing how to create perfect harmony between the two by pairing complementary and often surprising ingredients.
