Faulkner,Howard S. Becker,2024-05-31 Every night somewhere in the world three or four musicians will climb on stage together Whether the gig is at a jazz club a bar or a bar mitzvah the performance never begins with a note but with a question The trumpet player might turn to the bassist and ask Do you know Body and Soul and from there the subtle craft of playing the jazz repertoire is tested in front of a live audience These ordinary musicians may never have played together they may never have met so how do they smoothly put on a show without getting booed offstage In Do You Know Robert R Faulkner and Howard S Becker both jazz musicians with decades of experience performing present the view from the bandstand revealing the array of skills necessary for working musicians to do their jobs While learning songs from sheet music or by ear helps the jobbing musician s lexicon is dauntingly massive hundreds of thousands of tunes from jazz classics and pop standards to more exotic fare Since it is impossible for anyone to memorize all of these songs Faulkner and Becker show that musicians collectively negotiate and improvise their way to a successful performance Players must explore each others areas of expertise develop an ability to fake their way through unfamiliar territory and respond to the unpredictable demands of their audience whether an unexpected gang of polka fanatics or a tipsy father of the bride with an obscure favorite song Do You Know dishes out entertaining stories and sharp insights drawn from the authors own experiences and observations as well as interviews with a range of musicians Faulkner and Becker s vivid detailed portrait of the musician at work holds valuable lessons for anyone who has to think on the spot or under a spotlight **Choral Artistry** Micheál Houlahan,Philip Tacka,2023-01-31 Choral Artistry provides a practical and organic approach to teaching middle school to college level choral singing and sight reading according to the Kod ly Concept of Music Education grounded in current research from the fields of choral pedagogy music theory music perception and
