Teach At Your Own Risk:

The Investigator ,1843 **The Teacher** ,1872 Nonmonogamy and Teaching Ashley Speed,2023-07-28 Educators are often overworked underpaid and at the crosshairs of every cultural debate Teachers dedicate themselves to creating safe nurturing environments for students but are themselves subjected to levels of personal scrutiny practically unseen in other professions In some careers keeping a picture of your loved ones on your desk isn t worth a second thought For teachers with nontraditional families it can come with the risk of becoming a political football Informed by her firsthand experience as a nonmonogamous educator Ashley Speed examines the typical objections raised about nonmonogamous people teaching children how to refute them and how to navigate some of the difficulties of being a nonmonogamous teacher in today s stormy political waters It also offers practical advice for administrators and parents who want to support nonmonogamous teachers and tips for teachers on how to make their classrooms friendly for kids from nonmonogamous families **The Massachusetts Teacher** ,1872 **Teaching Diversity Relationally** Grace S. Kim,Roxanne A. Donovan,Karen L. Suyemoto,2022-06-27 Teaching Diversity Relationally Engaging Emotions and Embracing Possibilities offers process oriented guidance for negotiating the psychological and relational challenges inherent in teaching about race privilege and oppression Grounded in the philosophy of Transformative Education and incorporating psychological theories the authors present concrete strategies for effectively teaching diversity and social justice courses The authors develop an intersectional social justice framework for Transformative Education that emphasizes five emotional relational pillars of successful teaching for diversity cultivating reflexivity and exploration of positionality engaging emotions fostering perspective taking and empathy promoting community and relational learning and encouraging agency and responsibility They provide guidance on how to prepare for social justice education that fosters the growth of learners and educators by addressing intersecting levels of engagement intrapsychic within individual students and educators relational between students between faculty and students and group dynamic Teaching Diversity Relationally follows the developmental arc of a diversity course across a semester exploring how students respond as the course moves into deeper content material and more intense discussions The authors describe the psychology behind these responses and offer best practices for different points in the semester to facilitate learning manage class dynamics build connections among students and prevent faculty burnout Teaching Diversity Relationally addresses the teaching process in diversity courses The authors companion text Unraveling Assumptions A Primer for Understanding Oppression and Privilege provides the foundational content for university courses that can be expanded upon with a range of disciplines Unraveling Assumptions offers an introductory exploration of power privilege and oppression as foundations of systems of inequality and examines complexities within meanings and lived experiences of race ethnicity gender sexuality disability and social class *The Difficulties of Christianity; Stated in a Series of Letters to the Rev. Hugh M'Neile* Charles SOUTHWELL,1849 **And Gladly Teach** MaryMelissa Grafflin,2010-07-28 Too often new

teachers with ideals and pure intentions are thrown onto the front lines with no clear guidelines about how to survive opening day let alone the moments days and years that follow In her handbook tailored for novice teachers seasoned educator MaryMelissa Grafflin shares practical suggestions and tested advice in order to help new teachers not only survive but also thrive in Americas most challenging school systems Grafflin has been teaching secondary students for fifty years and uses her vast experience to ask crucial questions of new teachers that will help them navigate more easily through their profession focus the direction of their careers and attain consistent success in the classroom Beginner teachers will learn specifically how to write a syllabus develop a grading policy plan a lesson organize successful back to school and parent conference nights incorporate ethics professionalism and discipline into every classroom Teachers just like their students are continuous learners and works in progress And Gladly Teach provides the kind of expert guidance that will help new educators achieve success motivate their students and wake up every morning knowing they are making a profound difference in the lives of their students

Teaching Asian America in Elementary Classrooms Noreen Naseem Rodríguez, Sohyun An, Esther June Kim, 2023-12-01 Asian American voices and experiences are largely absent from elementary curricula Asian Americans are an extraordinarily diverse group of people yet are often viewed through stereotypical lenses as Chinese or Japanese only as recent immigrants who do not speak English as exotic foreigners or as a model minority who do well in school This fundamental misperception of who Asian Americans are begins with young learners often from what they learn or do not learn in school This book sets out to amend the superficial treatment of Asian American histories in U S textbooks and curriculum by providing elementary teachers with a more nuanced thematically driven account In chapters focusing on the complexity of Asian American identity major moments in Asian immigration war and displacement issues of citizenship and Asian American activism the authors include suggestions across content areas for

guided class discussions ideas for broader units and recommendations for children's literature as well as primary sources
