Lamb and Kenneth L Pike's tagmemic model. The emphasis of the book is on syntactic structures rather than linguistic meaning and the book stresses the difference between a well formed sentence and a meaningful one. The final chapter brings these two aspects together to show the connections between syntax and semantics. Each chapter concludes with exercises from a diverse range of languages and a list of major technical terms. The book also includes a glossary as an essential resource for students approaching this difficult subject for the first time.

Instant Romanian for Parents and Caregivers Teri Doolittle, 2006-01-17 Instant Romanian for Parents and Caregivers is a supplemental language guide for people who will be living or working with Romanian speaking children. The book focusses on practical social communication with an emphasis on emotional regulation and attachment skills. Originally designed for adoptive parents, the book has been revised to help health care workers, teachers, missionaries and others who work with Romanian children find the information they need to do what they love. The format of the book is similar to standard phrase books with unique child friendly vocabulary that is not available in travel books and dictionaries. Extensive grammar and vocabulary tables provide an easy reference for instant communication between Romanian and English speakers after the translators have gone.
