**Evaluating Teaching** James H. Stronge, 2005-11-02 Foster the

development of highly qualified teachers and improve your school's teaching and learning with solid teacher evaluations. The connection between teacher evaluation fostering school improvement and the development of highly qualified teachers is receiving more attention than ever before. Just as there is a rational connection between school improvement and teacher performance, there is a necessary and rational connection between supporting and cultivating highly qualified teachers through effective evaluations and improving relationships in the school. In this updated edition, top-selling author James H. Stronge and his colleagues synthesize current teacher evaluation research and blend it with practice, highlighting how to design a sound teacher evaluation system, assess teacher performance thoroughly and accurately, implement a successful teacher evaluation system, incorporate student performance data, teaching portfolios, and classroom observation into the evaluation process. By aligning teaching performance and improvement goals with your school's mission, this text demonstrates how you can effectively encourage teachers to achieve a high standard of instruction at all levels.

**Handbook on Measurement, Assessment, and Evaluation in Higher Education** Charles Secolsky, D. Brian Denison, 2017-07-31. In this valuable resource, well-known scholars present a detailed understanding of contemporary theories and practices in the fields of measurement, assessment, and evaluation, with guidance on how to apply these ideas for the benefit of students and institutions. Bringing together terminology, analytical perspectives, and methodological advances, this second edition facilitates informed decision making while connecting the latest thinking in these methodological areas with actual practice in higher education. This research handbook provides higher education administrators, student affairs personnel, institutional researchers, and faculty with an integrated volume of theory, method, and application.

The New Handbook of Teacher Evaluation Jason Millman, Linda Darling-Hammond, 1990. The 25 chapters in this handbook examine evaluation purposes, processes, and methods, and discuss how they shape the implementation and outcomes of evaluation. Following an introduction in chapter 1, the nine chapters in Part I consider the purposes of evaluation. Chapters 3, 4, and 5 are concerned with the evaluation processes that determine selection into teaching: preservice evaluation, licensure, and certification. Chapters 6, 7, and 8 focus on how evaluation may support the development of greater teaching competencies for beginning and veteran teachers. Chapters 9 and 10 consider school accountability and school improvement. Part II examines the various methods used to evaluate teachers, along with their strengths and limitations as applied to the many purposes of evaluation. Chapters 11 and 12 deal with two methods for evaluating inservice teachers: classroom observations and ratings of classroom performance, while chapter 13 deals with teacher self-assessment. Chapters 14 and 15 deal with less widely used methods: the use of student test scores and the use of teacher portfolios. Chapters 16 through 18 address the use of formal

tests to evaluate teachers for licensure or certification and chapter 19 discusses combining evaluation data from multiple sources for decision making In Part III some of the system wide concerns that developers and users of evaluation plans must confront are discussed Chapters explore legal ethical administrative and economic aspects of teacher evaluation and ways to improve and support teacher evaluation The use of personnel standards to improve teacher evaluation is also discussed Each chapter contains references Contains six figures and four tables SLD
