the self identifying process for Marie Rose as she negotiated the changing environment of the western plains during the late 1800s and early 1900s when large numbers of Anglo speaking immigrants settled in the area Clearly proud of her Metis identity Marie Rose was a member of an extended family who served as Louis Riel s soldiers and she presented that identity tentatively in her own writings Roles which Marie Rose assumed with pride were those of author historian mother and historical character and these roles serve as themes from which to examine her life
