## **The Chu Chi Chronicles:**

**The Chu Chi Chronicles** Walker O'Brien, 2001-09-25 Chu Chi is a handsome powerful and brave Siberian Husky But he didn't start out that way The Chu Chi Chronicles is a collection of stories about Chu Chi and his pals who live in the Canadian village of Reindeer Lake In the first three stories we join Chu Chi and his friends as they engage in a series of adventures as they explore their world Encounters with polar bears jewel thieves and a beautiful show dog who steals Chu Chi's heart are a few of the many special moments to be found in these stories From the beginning of the Great Race the reader is rooting for Chu Chi's team to win the prize It's a spot on the Royal Mounties Olympic Sled team When our hapless group attends their first dog show chaos erupts when they discover a jewel robbery and eventually solve the crime And as the intrepid team of dogs attempt a dangerous rescue on Christmas Eve in the midst of a blinding blizzard supernatural events guide the outcome and give us all a gentle reminder of what is truly important The Chu Chi Chronicles blend tales of adventure with messages of wisdom and hope They are the kinds of stories many of us read as children but The Chu Chi Chronicles include a decidedly modern touch These adventures can be read again and again and then passed on to the next generation They are ideal for younger readers but have a message for everyone W O 2001

, 2010-07-05 The collection of documents known as the Kaqchikel Chronicles consists of rare highland Maya texts which trace Kaqchikel Maya history from their legendary departure from Tollan Tula through their migrations wars the Spanish invasion and the first century of Spanish colonial rule The texts represent a variety of genres including formal narrative continuous year count annals contribution records genealogies and land disputes While the Kaqchikel Chronicles have been known to scholars for many years this volume is the first and only translation of the texts in their entirety The book includes two collections of documents one known as the Annals of the Kaqchikels and the other as the Xpantzay Cartulary The translation has been prepared by leading Mesoamericanists in collaboration with Kaqchikel speaking linguistic scholars It features interlinear glossing which allows readers to follow the translators in the process of rendering colonial Kaqchikel into modern English Extensive footnoting within the text restores the depth and texture of cultural context to the Chronicles To put the translations in context Judith Maxwell and Robert Hill have written a full scholarly introduction that provides the first modern linguistic discussion of the phonological morphological syntactic and pragmatic structure of sixteenth century Kaqchikel The translators also tell a lively story of how these texts which derive from pre contact indigenous pictographic and cartographic histories came to be converted into their present form
