Wiersbe, 2025-10-22 A companion volume to Wiersbe's Expository Outlines on the New Testament this unique commentary offers practical expositions of key Old Testament chapters **Creative Bible Lessons from the Old Testament** Laurie Polich, 2011-02-22 Okay so they used mule mail instead of e-mail but they were still surprisingly modern men and women With emotions decisions and dilemmas as raw and real as the students sitting in front of you every week David and Rahab Daniel and Ruth even with their rough edges they passionately loved Jehovah in a way today's adolescents can understand and emulate Here are 12 Old Testament character studies including Believe it or not Abraham Living by faith is not for wimps Faith overcomes a fast past Rahab What you live is what you believe Everything else is just talk The waiting game Joseph Trials and temptations can make us strong Benchwarmer to first string Moses Often God uses the least likely person to do great things Right woman right place right time Esther God has created each one of us for a purpose Keeping promises Ruth Commitment means more than saying the right words Bad days for good people Job Suffering may be the condition from which humans benefit the most The long way home Jonah Sometimes we simply say no to God And to help you teach the lesson are clips from easy to get videos games for mixing and games that teach in depth ready to use questions guaranteed to spark small group discussion original role plays scripts dilemmas faced by these ancient but very human believers in their Yahweh For youth workers Sunday school teachers and CE directors Creative Bible Lessons from the Old Testament will help your students understand that the God who offered hope and courage to ancient history makers still does the same for teenagers today 12 lessons *A five years' course of Bible and Prayer book teaching. Lessons for the first (-fourth) year*, 1894 *Genesis thru Revelation: Complete Bible Study* Ed Genske Ph.D., 2016-02-11 This Bible study is based on God's inerrant Word This study is unique in that it is laid out into thirty two sessions that can be completed in one school year This Bible study can be tailored to a junior senior high school class setting a two semester college level setting or to a less formal teen or adult Bible study group setting Learning is reinforced by students reading the Word then hearing the Word and finally writing about the Word Each session covers main events and or people relevant to the Bible's

main message The main message is that God's plan to save a fallen world was accomplished through the redemptive act of his Son Jesus who died on the cross and rose from the grave For all who believe in Jesus he will grant eternal life By the time you complete all thirty two sessions you will have spent time in every one of the sixty six books of the Bible In the teacher's copy detailed information is provided to help the teacher design his/her course that will be most relevant to their classes Further the teacher's copy contains all of the answers to the questions in every session The LORD's Service Robert D. Macina, 2019-06-26 Worship in the Old Testament has been frequently misunderstood Its rites and ceremonies are often perceived as legalistic works that were required by an angry God to gain his favor or avert his wrath But is that really what the Bible teaches To be sure the LORD did institute the divine service in the Old Testament with all of its laws rites and ceremonies Yet did God do this in order to be appeased or pleased by the ancient Israelites When the priests enacted the offerings and sacrifices at the sanctuary was it merely to do good works that God required but without meaning or purpose for his people Was worship in the Old Testament always what the people did for the LORD or did God do anything that was beneficial to the Israelites This book answers these questions and furthermore dispels the recurring misinterpretation of worship in the Old Testament The LORD established the divine service in the Pentateuch not to receive what he demanded from the people of ancient Israel but on the contrary to cleanse them from their sinful impurities sanctify them to share in his holiness and dwell among them with his blessing *Elementary lessons on Genesis* John Dickenson (B.A.), 1899 The United Presbyterian , 1901
