Travis Norvell, 2022 G Travis Norvell challenges church leaders and members persistently asking them and their respective churches what they are doing to make a real difference in others lives The author proposes that the people of the living church start moving in around and with their communities to truly move toward renewal and social justice drawing on his own experiences as a church pastor who walked rode his bike and took the bus as he went about his work The book provides concrete practical ways for the church body and individuals to begin implementing this movement including study questions suggested resources and experiments between chapters that can help them find the ways that work best in their respective contexts *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. Internal Revenue Service, 1989 **Theology and Migration** Ilse Ahn, 2019-08-26 In an age of global migration how should Christian theologians and church leaders respond to its various challenges and problems What is a fundamental theological framework with which we are to engage in them In this volume Ilse Ahn attempts to answer these questions by presenting a Trinitarian theology of migration In doing so he first provides an overview of recent theological works on migration by introducing their key theological insights A Trinitarian theology of migration becomes possible as we begin to see that the three Sacred Persons the Son the Father and the Holy Spirit are distinctively yet intrinsically involved with the phenomenon of human migration within God's grand vision of liberation and redemption From a Trinitarian theological perspective in all stages of human migration from taking leave to getting integrated migrants and citizens are called to join in
