The Church That Takes On Trouble:

The Church that Takes on Trouble James C. Hefley, Marti Hefley, 1976 Chicago's historic LaSalle Street Church is THE CHURCH THAT TAKES ON TROUBLE Situated in an inner city neighborhood the church has turned its attention to the poverty violence and crippling needs that surround it and has grown to meet those needs While many other white congregations have slipped away to the safe suburbs Pastor Bill Leslie and many faithful members have adopted this maxim The church is for people not programs ministry to the present not the past When an activity becomes ineffective it's time to make changes or cut it off When circumstances force us to stop we should look to see what God is teaching us Sometimes it's necessary to take one step backward before we can take two steps forward Turning from the overemphasis on mass evangelism Leslie decided that the true ministry of the church is to disciple not hundreds or thousands but those whom God places in our trust LaSalle St Church began to seek out problem areas and then create church ministries that would help alleviate them Today LaSalle's programs are numerous and vital legal aid tutoring of neighborhood children counseling services aid for the elderly And the church has designed new worship techniques that put the emphasis on people's true needs and God's availability and power to help THE CHURCH THAT TAKES ON TROUBLE is a chronicle of a small body of believers seeking better ways to serve God and people those inside and outside the building's stone walls This is also a useful study guide for the modern urban church a testimony to the possibility of new life in desperate situations a tale of courage and a fresh application of the spiritual gifts available to all Christians JAMES and MARTI HEFLEY are a husband and wife writing team Other books they have written include WHAT'S SO GREAT ABOUT THE BIBLE CHRIST IN BANGLADESH IN HIS STEPS TODAY and THE LIBERATED PALESTINIAN *A Letter to a Gifted Church with Problems* Don

Stormer, 2016-11-10 Of the letters which Paul wrote to churches 1 Corinthians is the one in which he had to correct Christian practice most One gains the impression that many in Corinth would have been quite satisfied with the way they were living but Paul saw a number of areas where correction was necessary In their wisdom Christians in Corinth were claiming to be followers of different men However they needed to learn that true wisdom avoided a party spirit They needed to avoid taking fellow believers to court before unbelievers and to show them much more love They had to learn not to stumble those who were weaker in the faith and not to embarrass poorer believers when they met as a church for the Lord's Supper They were not to seek spiritual gifts that drew attention to themselves in order to have a greater sense of self importance Yet this was a church with great gift Although the letter was written to correct obvious abuses in Corinth it has ongoing lessons for each generation Principles emerge from the apostles' advice to the Corinthians which guide us many centuries later As we take to ourselves the advice and admonitions given so long ago we find that we can live more faithfully to the glory of God **The**
