Eisenschiml and R. Newman ,1956 *The Civil War, Vol. 1: The American Iliad as Told by Those Who Lived It (Classic Reprint)* Otto Eisenschiml,2019-01-25 Excerpt from The Civil War Vol 1 The American Iliad as Told by Those Who Lived It The American Iliad is not intended to be just another story of the Civil War Instead it aims to present this heroic period as a panorama letting the events pass before the reader s eyes much as they passed before the eyes of the men and women who lived at that time The Civil War beyond most wars went deep into every aspect of life and was much more than a series of battles It affected every living being both north and south of the Mason and Dixon Line and produced many strange human experiences some of which we have woven into this narrative as an integral part of the picture We did not write this book Dozens of people wrote it people who witnessed a stirring contemporary scene and tell about it in their own words They may have been commanding generals or soldiers in the ranks newspaper reporters statesmen or housewives If they observed well wrote honestly entertainingly and this is where we lay our emphasis with dramatic suspense we have drawn on their contributions in the compilation of this volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Civil War Ralph Newman,Otto Eisenschiml,1956 *The Civil War ,1956* *The Civil War: The American Iliad, as told by those who lived it, by O. Arnold-Friend,US Army Military History Institute,1982 *Naval Campaigns of the Civil War* Paul Calore,2015-09-16 This analysis of naval engagements during the War Between the States presents the action from the efforts at Fort Sumter during the secession of South Carolina in 1860 through the battles in the Gulf of Mexico on the Mississippi River and along the eastern seaboard to the final attack at Fort Fisher on the coast of North Carolina in January 1865 This work provides an understanding of the maritime problems facing both sides at the beginning of the war their efforts to overcome these problems and their attempts both triumphant and tragic to control
