THE COLL DOLL AND OTHER STORIES. WALTER MACKEN. Walter Macken,1971 *The Coll Doll and Other Stories* Walter Macken,1976 *The coll doll* Walter Macken,1971 The Coll Doll, and Other Stories Walter Macken,1969 The Doll's House and Other Stories , Doll's Wedding and Other Stories Chaso,2011-01-01 The stories in Dolls Wedding by the finest short story writer in modern Telugu are nuanced hard hitting and marked by the total absence of sentimentality A tightly constructed plot relies on a minimalist portrayal of characters among them beggars peasants widows children and the upwardly mobile middle class whose pragmatism drives them to break convention and fight for their survival The aged auditor s young wife in Got to Go to Eluru seduces an adolescent boy in order to produce a son who will protect her status when she is widowed in Firewood a peasant girl overcomes fear and speaks out when she is falsely accused of theft A realist devoid of ideologies Chaso was deeply interested in the actual life and the inner world of people around him These luminous translations bring Chaso to a new audience **More Mittens; with The Doll's Wedding and Other Stories** Aunt Fanny,2022-09-15 In More Mittens with The Doll s Wedding and Other Stories Aunt Fanny presents a delightful tapestry of narratives that resonate with charm and moral undertones commonly found in children s literature of the early 20th century The book is marked by a playful yet didactic prose style skillfully weaving together various whimsical tales that engage the imagination while instilling fundamental values such as friendship and kindness This compilation not only serves to entertain young readers but also invites them to revel in the enchantment of storytelling reminiscent of the works of contemporaries like Frances Hodgson Burnett and L Frank Baum who similarly nurtured a sense of wonder in their audience Aunt Fanny an esteemed author of children s literature captures the spirit of her time through her nuanced understanding of child psychology and developmental needs Her experiences as a caregiver and her keen observations of childhood behaviors deeply influenced her narratives imbuing them with authenticity and relatability By drawing from her own childhood memories and social context she crafts a world where children can navigate their curiosity and emotional experiences safely More Mittens is a treasure trove for both young readers and adults seeking to reconnect with the innocence of childhood It is highly recommended for parents looking to instill positive values in their children and for educators seeking enchanting stories that promote discussion on essential life lessons *Parvathy's Well & Other Stories: The India Collection* Poornima Manco, Beautifully written taking one to India and bringing the sounds smells colors alive It s full of twists and surprises Nothing is predictable or straightforward The India collection comprises the three books in the India series and a surprise bonus story Parvathy s Well of secrets and lies pleasure and guilt of children letting down parents and vice versa of women of a certain age and whether they ve still got it of entitled and misogynistic men and of the hypocrisy and double standards within Indian society With original and unexpected angles these tales explore the darkness that underpins the often ordinary lives of people Thought provoking intense and evocative these stories will transport you into the heart of India where

tradition and modernity collide often with devastating results Holi Moly from four friends holding each other up as they navigate life's hardships to a young girl determined to rise above her circumstances these are stories about the indomitable human spirit Heartwarming uplifting and bittersweet the third book in the India series comprises eight stories that explore the more joyful aspects of humanity Tales that reflect the many facets of a land and a people who despite their circumstances find that ultimately a life well lived is one that is replete with love and meaning A real gem of a book beautifully written and full of surprises It draws you in with the wonderful scenes through various lives in India I didn't want this book of short stories to end left me wanting more This collection of short stories draws you in and deserves your full attention These stories take you through a labyrinth of damaged and flawed characters Poornima's latest stories are still vivid with Indian culture colors and flavors but after having visited the dark side of humankind this volume tells universal tales of love friendship and above all hope
