James Agee: Selected Poems James Agee,2008-10-02 Better known for writing in a variety of other genres James Agee always thought of himself as essentially a poet Winner of the Yale Younger Poets competition in 1934 for Permit Me Voyage Agee was in the words of editor Andrew Hudgins as restless in his poetry as he was later in his prose exhibiting a variety that we expect from the protean mind that excelled in so many different kinds of writing Ranging from intense religious sonnets to lyrics for musical comedy Agee s verse takes us into the heart of his unique genius what Robert Fitzgerald called his sense of being a raging awareness of the sensory field in depth and in detail About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today s most discerning poets and critics The Selected Poems of James Agee James Agee,1968 The Making of James Agee Hugh Davis,2008 Wildly productive during his short life James Agee 1909 1955 is today perhaps best remembered as a novelist his posthumously published A Death in the Family won a Pulitzer Prize in 1958 but he was also a poet screenwriter journalist essayist book reviewer and movie critic In The Making of James Agee Hugh Davis takes a comprehensive look at Agee s career showing the interrelatedness of his concerns as a writer A full view of Agee s oeuvre Davis argues illuminates its deeply political nature as well as a debt to various sources particularly European surrealism that have been little noted by previous Agee scholars Davis challenges the view of Agee that has persisted since his death that he is best understood primarily as a romantic individualist at odds with convention and the literary mainstream and argues that this myth was largely constructed by friends and associates who were so immersed in the tenets of modernism that they distorted Agee s work and aesthetic intent in an attempt to purify it in modernist terms In revealing a writer of far greater complexity than the Agee myth allows Davis explores for example the leftist poetry that Agee wrote in the 1930s which was almost completely suppressed by his editors He also throws a fresh light on Agee s collaboration with photographer Walker Evans on Let Us Now Praise Famous Men and reevaluates A Death of in the Family in light of recent scholarship that has produced an almost entirely new version of the novel one much closer to Agee s original intentions A much needed corrective to the many misconceptions about Agee Davis s study is a provocative and lucidly written work that is certain to spark new dialogues about one of the most fascinating figures in twentieth century American literature The Complete Poems of George Whalley George Whalley,2016-11-01 The poems of a Canadian modernist best known for his investigations into poetic process **The Music of Time** John Burnside,2021-04-06 First published in a slight different form in Great Britain in 2019 by Profile Books Ltd Title page verso **The Enchantments of Mammon** Eugene McCarraher,2019-11-12 An extraordinary work of intellectual history as well as a scholarly tour de force a

bracing polemic and a work of Christian prophecy McCarragher challenges more than 200 years of post Enlightenment assumptions about the way we live and work The Observer At least since Max Weber capitalism has been understood as part of the disenchantment of the world stripping material objects and social relations of their mystery and magic In this magisterial work Eugene McCarragher challenges this conventional view Capitalism he argues is full of sacrament whether one is prepared to acknowledge it or not First flowering in the fields and factories of England and brought to America by Puritans and evangelicals whose doctrine made ample room for industry and profit capitalism has become so thoroughly enmeshed in the fabric of our society that our faith in the market has become sacrosanct Informed by cultural history and theology as well as management theory The Enchantments of Mammon looks to nineteenth century Romantics whose vision of labor combined reason creativity and mutual aid for salvation In this impassioned challenge to some of our most firmly held assumptions McCarragher argues that capitalism has hijacked our intrinsic longing for divinity and urges us to break its hold on our souls A majestic achievement It is a work of great moral and spiritual intelligence and one that invites contemplation about things we can't afford not to care about deeply Commonweal More brilliant more capacious and more entertaining page by page than his most ardent fans dared hope The magnitude of his accomplishment an account of American capitalism as a religion will stun even skeptical readers Christian Century

Complete Poetry of James Agee

Michael A Lofaro, Jesse Graves, 2024-11 It was a pleasure to immerse myself in this fine addition to Agee Studies Andrew Hudgins While best known for his work as a novelist journalist and film critic perhaps most so for the Pulitzer Prize winning A Death in the Family and for Let Us Now Praise Famous Men Knoxville born writer James Agee was also an award winning poet Having published his first volume of poetry at just twenty five years of age he did not publish any subsequent books of poetry and no definitive collection of his poems was ever compiled until now After years of diligently exploring Agee's writings including many manuscripts that were never published Michael A Lofaro and Jesse Graves have compiled and edited the Complete Poetry of James Agee consisting of nearly four times the number of Agee's poems than was previously accessible In addition to the meticulous textual preservation of the poems the volume enhances readers understanding of Agee's work with detailed annotations for each poem and a separate section for textual commentary shedding light on Agee's wide range of knowledge and his sometimes idiosyncratic use of syntax and punctuation Likewise an extensive introduction sets the stage for the collection contextualizing Agee's poetry within his other works While literary scholars will appreciate this comprehensive collection of Agee's extant poetry general readers will be astonished at the breadth of yet another genre in the work of this protean writer
