The Collected Writings Studies On Isaiah And Essays On The Psalms 004:

The Collected Writings Samson Raphael Hirsch, 1986 **Wisdom Commentary: Psalms Books 4-5** Nancy L. deClaissé-Walford, 2020-10-15 In this close reading of Psalms 90-150 Nancy L. deClaissé-Walford discovers meanings in the Psalms that were there all along but hidden beneath layers of interpretation built up over the centuries. Approaching the canonical storyline of the Psalter with feminist critical lenses, she reads against the dominant mind set, refuses to accept the givens, and seeks to uncover a hidden alternate parallel set of societal norms. DeClaissé-Walford attends to how context affects the way hearers appropriate the Psalter's words; women for the most part hear differently than men; women of privilege differently than women living in poverty. Her interchanges with students and scholars in post-apartheid South Africa bring the biblical text alive in new ways for today's believers.

Ellicott's Bible Commentary Elliott, Charles J., Charles J. Ellicott Bible Commentary on the Whole for English Readers Volume 2 of 3 Charles Ellicott wrote this exceptional Bible commentary to be used for Pastors and Students. It is written to be explained rather than to be technical so that as to reach all English readers Charles Ellicott focuses on the English explanation rather than the Greek and addresses the expository side less than the technical since this does not contain Greek words or terminology. Dr. Charles Ellicott assembled and edited this commentary utilizing 28 different authors including Rev. Payne Smith, Rev. C. J. Elliott, and Rev. C. H. Waller. This is a must-have for anyone desiring a greater understanding of the Bible as a whole. The scripture and commentary are on the same page, making it easy to read and understand. This commentary is one that you will treasure in your library and you will not want to let this one pass you by.

Dictionary of the Old Testament: Wisdom, Poetry & Writings Tremper Longman III, Peter Enns, 2010-05-11 Tremper Longman III and Peter E. Enns edit this collection of 148 articles by over 90 contributors on Job, Psalms, Proverbs, Ecclesiastes, Song of Songs, Lamentations, Ruth, and Esther.

Isaiah's Servant Poems According to the Septuagint Eugene Robert Ekblad, 1999 This study analyzes the Septuagint version of Isaiah's Servant Poems (Isaiah 42:1-8, 49:1-9, 50:4-11, 52:13-53:12) as a translation and unique interpretation of the Hebrew text. The Septuagint version of the Servant Poems is of interest not only because it represents one of the earliest, if not the first, interpretations of the Hebrew text and thus an important stage in the history of exegesis of these poems, but also because this translation operates a transition from Hebrew modes of thinking and expression into a Greek language and context. The Septuagint version of the Servant Poems was cited by New Testament writers, read and commented on as Sacred Scripture by the early Church Fathers, and continues to be used by the Eastern Church. This study is a helpful resource to Old Testament, New Testament, and Patristic scholars and theologians alike. The introduction offers a methodology for classifying Septuagint differences to determine the specific exegesis and underlying theology of a given Septuagint text. Differences with the Hebrew text are categorized according to linguistic explanations: style, the translator's difficulty determining Greek semantic equivalents for obscure Hebrew vocabulary, errors or omissions, etc. Hebrew Vorlagen, non-linguistic explanations like contextual and

intertextual exegesis and combinations of linguistic and non linguistic factors The author identifies over 270 differences with the Masoretic Text in a presentation of the Septuagint text of each poem side by side with the Masoretic Text Qumran variants are compared with the Masoretic Text and Septuagint to help classify Septuagint differences to determine which may be signs of the Septuagint s unique exegesis and theology The Septuagint s numerous differences are bold faced in the English translation of each poem before the author presents a detailed verse by verse literary analysis of the Septuagint in the wider context of Isaiah 1 66 and the Greek Pentateuch The author argues that the vast majority of Septuagint differences with the Masoretic Text in Isaiah s Servant Poems reflect contextual and intertextual exegesis The Septuagint version expresses theological perspectives that are at times similar and often distinct from the Masoretic Text In a final chapter the author draws on the exegesis of each poem in preceding chapters to present the theology visible in the Septuagint version of Isaiah s Servant Poems concluding with an appendix that catalogues textual differences between the Septuagint and the Masoretic Text and a biblical index

Conflict and Enmity in the Asaph Psalms David Cameron Ray,2023-10-09 David Ray examines the extent to which the Asaph Psalms constitute a coherent collection through its ubiquitous motif of conflict A binary relational model and semantic roles at discourse level are used to uncover underlying power dynamics in the text Initially presenting a supposedly innocent collective as fixated on the presence of its opponent while God is perceived as absent the psalmists then focus on the failure of different generations to adhere to covenant obligations crystallised in divine judgment The Asaph Psalms closes with a sapiential outcome wherein the collective expresses dependence on God anticipating divine intervention against God s own ingathered heavenly and earthly opponents Ray configures a pattern of conflicts consistent with Deuteronomistic informed pastoral teaching namely to follow God s ways recognise complicity in suffering and place complete trust in the warrior judge God
