The Comforter Jesus Talks Again Making Sense Of God Bible And Life:

The Comforter Damien G. Fallon, 2001-05 And when the Comforter comes he will show the world how wrong it was Jesus A profound progressive and sometimes controversial look at God Bible and Life Through the teachings of Jesus the author shows how lost Christianity and religion in general has become and utilizes Jesus to break free of our outdated beliefs and the Bible Imagine that Jesus came back and explained the truth about everything including our lives Jesus prophetically stated that such a thing would happen through the Comforter and this is the theme of the book God life death sex love money sin commandments religion reality the world after all our big questions are dealt with The book expands with the teachings of Jesus being neutrally applicable to people of all beliefs a modern day teacher for all mankind The author also uses and relates personal experiences as encouragement to us all A definite life changing book that will challenge conventional beliefs and habits You ll read it more than once and grow with each read

Do You Know for Sure God the Father Has Your Back? Reza Mohseni, 2024-09-10 In today s complicated world it is really important to identify the truth especially when facing challenges As God s children it s our responsibility to steer our loved ones toward what truly matters guided by biblical wisdom Imagine a world where everyone understands that following God s teachings leads to a fulfilling life Emulating Jesus by adhering to the Holy Spirit and God s principles brings joy Since Jesus came into my life I discovered the key to joy True joy goes beyond happiness it stays with us even during tough times Happiness depends on external things and is temporary but joy lasts because it comes from having God in our hearts When we seek God every day we find contentment Seeing God s impact during uncertain times and understanding the future He has for us brings us joy My book Do You Know for Sure if God the Father Has Your Back shares my life changing encounter with Christ and how it can impact others It explores faith kindness love and discovering purpose through believing in Christ It serves as a testament highlighting the greatness of our God and affirming His faithfulness during tough times It highlights that God is with us showing us the way and leading us into His light through His Word love and grace This is true for anyone who is seeking Him Often society tells us that pursuing wealth and fame is paramount However life s path determines our destination Psalm 1 reminds us that following Christ s way is vital to avoid going astray Jesus s words in Matthew 7 24 25 emphasize the importance of building our foundation on solid ground What we allow into our lives shapes our output This book extends an invitation to embrace God s love and discover purpose and tranquility through faith God the Father Has Your Back is more than a book it s a heartfelt message for those seeking a meaningful life

Aquarian Gospel Of Jesus the Christ with Bible References Levi Dowling with Rev. Nancy Althouse, *Israel and the Covenants in New Testament Times* Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7:13-14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10:18 and the Israel of God Gal 6:16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
