John Waite (of Camberwell.)

The Comings Of Christ:

The coming of Christ and signs preceding His Coming John Waite (of Camberwell.),1896 *A Coming Christ in Advent* Raymond Edward Brown,1988 Father Brown reflects here not only on those annunciations of Jesus forthcoming birth in the Gospels of Matthew and Luke but also on the beautiful canticles the Magnificat and the Benedictus and on the origins of Jesus as given in the first words of the New Testament **The Time of His Coming** Michael Vilardi,2006-04-03 The second coming of Jesus Christ is a phenomenon that has lasted for generations and has even influenced human civilization itself Devoted people continue to wait for his return In the new book *The Time of His Coming* author Michael Vilardi explains to readers how and when Christ will return The book explains the biblical timeframes for all these events then explains why God will allow them to happen The book starts off by explaining the biblical plan for salvation The book then explains all the biblical events that must occur before Christ can return Events such as the Rapture The Tribulation period and Daniels 70th week The book explains why the events happen in the order that they do and what the purpose of each event is Each timeframe is interpreted with the sharpest details to enable readers to fully understand them The book also details who the false prophet Anichrist and two witnesses will be The Time of His Coming will undoubtedly provoke thought and attract the attention of many readers especially Christians non Christians and enthusiasts of the End of Time phenomenon For non believers the book will give them opportunities to test the accuracy of the bible and at the same time it will spark a new series of religious and historical debates among all readers Furthermore readers will be touched as they will be introduced to Gods Great Plan of Love and Salvation for all mankind The Time of His Coming is easily one of the most compelling books to read today Order your copy today **The Coming of Christ** Isaac Massey Haldeman,1906 **The comings of Christ, war's uniting influence, sermon** George Austen,1917 **Signs of the Coming Christ** R Scott Sykes,2004-10 Signs of the Coming Christ is a consolidation of all biblical prophecy that is relevant to the current age This scientific analytical approach sheds new light on ancient scriptures *God-fleshed* Roy Abraham Varghese,Rachel Varghese,Mary Varghese,2001 Drawing on the rich content of the Scriptures tradition and history *God Fleshed* offers a comprehensive roadmap of the quest for the Jesus of history and Christ of faith The fact that the Eucharist has taken on the actual form of flesh and blood gives the authors a specific perspective to trace the story of a God who becomes man and dies for humanity *The Coming Kingdom of Christ* John R. Rice,2000-08 **The Coming of Christ Jesus** Renee Kennedy,2017-02-27 God Chooses Renee Bankson Kennedy in her weakness and foolishness and for being despised and base to say It is time for the end of the evil age We must recognize Omnipotent God and know Him The truth of the Gospel can save all who believe Jesus Christ is the Truth the Life and the way The Carpenter Jesus built the Church soon Look up for the Coming of Christ Jesus today The Bible is God s inspired Word to instruct all in righteous living Seeking after such a life in Scripture will introduce you to a Great God in three persons it is not impossible to see the father the Son and the Holy Teacher in three persons as

one Great God who calls His name I AM You see what you may need today I AM can supply that You are not alone That crystal sea before His throne can supply Almighty God All He needs to know about you not the mortal with a crystal ball but the immortal and all powerful One who reigns over this Universe will tell you your future and what you can do today to prepare yourself for the things which are yet to come in your life God bless you with His wisdom righteousness sanctification and redemption When Renee Bankson Kennedy took her own scriptural Journey through the Bible she became deeply involved in the most fascinating and thrilling answer to everything she did not know The result she shares in this extraordinary and reassuring book that underscores for all today that in this most critical time there is a future and a hope in Christ Jesus

Come, Lord Jesus! Stephen Motyer, 2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer s comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God s future for his world
