The Kiss:

The Kiss in History Karen Harvey, 2005-07-15 Writers have previously placed the action of kissing into categories kisses of love affection peace respect and friendship Each of the essays in this fascinating book takes a single kind of kiss and uses it as an index to the past For rather than offering a simple history of the kiss this book is about the kiss in history In this collection an eminent group of cultural historians explore the kiss through sources as diverse as religious texts popular prints court depositions periodicals diaries and poetry This collection shows that by analyzing the kiss and its position embedded as it is as part of our culture history can use small gestures to take us to big issues concerning ourselves and others the past and the present

The Kiss That Counted Karin Kallmaker, 2013-03-18 Don't miss this Lammy Award Winner CJ Roshe knows she can never relax her vigilance especially when her grip on her secrets begins to slip Contact with the good hearted Karita Hanssen leaves CJ wishing for impossible things friends roots a lover who knows her real name With a life cheerfully balanced between all the things that she loves Karita gives freely of her time and affection She isn't looking for more until something in CJ's eyes suggests that there could be feelings deeper stronger and more dangerous than any she has ever felt CJ is committed to only tonight with her body and certainly no tomorrows when it comes to her heart Karita has always lived for today while she waits for tomorrow to happen One kiss couldn't change all that unless it's the kiss that counted Golden Crown and Lambda Literary award winning author Karin Kallmaker's tale of two women two outlooks and two futures trying to become one adds to her long list of best selling and critically acclaimed lesbian romance novels

The Kiss: A Romance of Two Children Driskill Horton, 2010-06-03 This book is a tribute to two precious people I called Mom and Dad by conveying their life story The book takes excerpt from Mother and Dad's diaries so they are obliquely able to convey their story Part of what of the story concerns Mother's self portrayal detailing experiences from birth until her young husband was leaving to fight in World War II It depicts Mom's tender loving attributes which those that knew her had the privilege of experiencing I honestly do not think she realized possessing such wonderful attributes which made them all the more enjoyable for those of us who crossed her path on the road of life Another portion is by Dad depicting his World War II story Then I fill in by describing what occurred as seen through my eyes which emerged from a lifetime of inspiration they

Massimo Recalcati, 2021-01-14 The kiss is the image that perhaps more than any other encompasses the beauty and poetry of love Every love is required to maintain the kiss to make it last When they kiss lovers carve out their hiding holes finding their peace from war When they kiss the noise of the world is silenced its laws broken time is stolen from its normal continuity They fall together in their distinct embraced tongues The kiss joins the tongue that declares love with the body of the lover And the extinction of the kiss and most importantly of the desire to kiss one's beloved announces the demise of love In this short book Massimo Recalcati one of Italy's leading intellectuals and bestselling authors offers seven brief lessons on the mystery and miracle of love from the serendipity of the first encounter to its end or its continuation over time as mysterious and miraculous as the first encounter itself
