The Last Full Measure:

The Last Full Measure Jeff Shaara, 2011-01-05 In the Pulitzer prize winning classic *The Killer Angels* Michael Shaara created the finest Civil War novel of our time *The Last Full Measure* tells the epic story of the events following the Battle of Gettysburg and brings to life the final two years of the Civil War Jeff Shaara dramatizes the escalating confrontation between Robert E Lee and Ulysses S Grant complicated heroic and deeply troubled men For Lee and his Confederate forces Gettysburg has been an unspeakable disaster but he is determined to fight to the bitter end he faces Grant the decisive hard nosed leader the Union army so desperately needs in order to turn the tide of the war From the costly Battle of the Wilderness to the agonizing siege of Petersburg to Lee's epoch making surrender at Appomattox Shaara portrays the riveting conclusion of the Civil War through the minds and hearts of the individuals who gave their last full measure **BONUS** This edition includes an excerpt from Jeff Shaara's *Blaze of Glory*

The Last Full Measure Richard Moe, 2009-10-28 Since its publication Richard Moe's *The Last Full Measure* has garnered a reputation as the definitive history of the First Minnesota Regiment and one of a handful of classic regimental histories of the Civil War The First Minnesota Volunteers the first regiment offered to President Lincoln after the fall of Fort Sumter served in virtually every major battle fought in the eastern theater during the first three years of the Civil War This is the story of the Army of the Potomac during that period the initial enthusiasm dashed by sudden defeat at Bull Run the pride at being shaped into an army by George McClellan and the frustration with his and his successors inability to defeat Robert E Lee and finally the costly battle of Gettysburg the decisive battle in which the First Minnesota played a crucial and tragic role Drawing on a wide array of letters diaries and personal reminiscences Moe tells the story anew through the experiences of the men who lived it *The Last Full Measure* Michael Stephenson, 2013-06-04 Behind every soldier's death lies a story What psychological and cultural pressures brought him to his fate What lies and truths convinced him to march toward his death Covering warfare from prehistory through the present day *The Last Full Measure* tells these soldiers stories ultimately capturing the experience of war as few books ever have In these pages we march into battle alongside the Greek phalanx and the medieval foot soldier We hear gunpowder's thunder in the slaughters of the Napoleonic era and the industrialized killing of the Civil War and recoil at the modern automated horrors of both World Wars Finally we witness the death of one tradition of heroic combat and the construction of another in the wars of the modern era ranging from Vietnam to America's latest involvements in Iraq and Afghanistan Combining commanding prose impeccable research and a true sensitivity to the combatant's plight *The Last Full Measure* is both a remarkably fresh journey through the annals of war and a powerful tribute to the proverbial unknown soldier

The Last Full Measure (Divided We Fall, Book 3) Trent Reedy, 2016-04-26 Trent Reedy brings his action packed provocative trilogy about the second American Civil War to a stunning and stirring close in *The Last Full Measure* In a YA trilogy like no other Trent Reedy has raised the most primal questions of our national existence Do we owe our greatest loyalty to our friends Our

state Our country Our party How do we reconcile our individual rights and common needs What keeps us all united and what happens if we fall apart Now in this third book the Second Civil War has come to an end in Idaho The Feds have taken the fight to other fronts and Danny and his friends are free of US dominance But that freedom comes with considerable costs from Danny s disturbing flashbacks to the war to the Brotherhood of the White Eagle whose security for Freedom Lake looks more like outright thuggery After Danny makes a shocking discovery about the Brotherhood s final aims he and his friends lead a group of townspeople on a dangerous journey across a ravaged Idaho hoping to build a better society of their own and fulfill the dreams they had in what once was the United States
