The Church Of God As Revealed In Scripture:

The Church of God as Revealed in Scripture Arlo F. Newell, 1983 **Encountering God through the Church** Wade Rutland Howell Jr., 2019-02-21 In this thought provoking examination of how people encounter God Wade Howell examines the way humans come in contact with the divine Howell presents a biblical theological and philosophical case for why people who are physical can have a relationship with God who is spirit With an emphasis on centrality of the local church Howell demonstrates how God designed the church to satisfy the most intimate human needs which God placed in humans so he could be the source of their fulfillment With a heart for people and a love for God's church Howell echoes Augustine in showing why our soul is restless until it finds rest in God through his church C.S. Lewis--The Work of Christ Revealed P. H. Brazier, 2012-08-14 C S Lewis The Work of Christ Revealed focuses on three doctrines or aspects of Lewis's theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ www.cslewisandthechrist.net The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis's work **The Mystery of the Church: God's Self-Revelation in Ephrem the Syrian** Jijimon J. Puthuveettilkalam, This book offers a comprehensive study of Ephrem's surviving writings relevant to his understanding of the Church It traces the key themes of his ecclesiology examines how his ideas interrelate and explores their inner coherence Central to this investigation are four guiding questions Why is there a Church Where was it born How is it related to God's self revelation And how does it symbolise God's revelation to humanity In God's Custody Frederik A. V. Harms, 2009-12-09 Frederik A V Harms untersucht Calvins Ekklesiologie ausgehend von dessen Kommentar zu den Kleinen Propheten von 1557 1559 Harms stellt Calvins Sicht auf die Kirche aus historisch systematischer Sicht dar Seine Studie über die Ekklesiologie des großen Reformers wird begleitet von zwei historischen Teilen Zum einen bietet Harms Calvins historischen Kontext aus den Jahren 1558 bis 1559 als dieser Vorlesungen zu den Kleinen Propheten hielt Andererseits bietet Harms einen Überblick über die Auslegungsgeschichte der Kleinen Propheten von der Zeit der Frühen Kirche bis zur ersten Generation reformierter Orthodoxie *The Modern Theologians* David F. Ford, 2013-09-23 This popular text has been updated to ensure that it continues to provide a current and comprehensive overview of the main Christian theologies of the twentieth and twenty first centuries Each chapter is written by a leading theologian and gives a clear picture of a particular movement topic or individual New and updated treatments of topics covered in earlier editions

with over half the chapters new to this edition or revised by new authors New section singling out six classic theologians of the twentieth century Expanded treatment of the natural sciences gender Roman Catholic theology since Vatican II and African Asian and Evangelical theologies Completely new chapters on spirituality pastoral theology philosophical theology postcolonial biblical interpretation Pentecostal theology Islam and Christian theology Buddhism and Christian theology and theology and film As in previous editions the text opens with a full introduction to modern theology Epilogue discussing the present situation and prospects of Christian theology in the twenty first century **The Church and the Bible** Abp.

Thomas Joseph Carr,1895 **Karl Barth's Doctrine of Holy Scripture** Klaas Runia,2018-11-27 Hardly any Christian doctrine is discussed so much today as that of Holy Scripture Innumerable books are published about it and official discussions in many churches are concerned with it Karl Barth s doctrine plays a great part whether positively or negatively in all of these discussions and reports His stature is so great that no one can deal with the problem of Holy Scripture without considering Barth s view and defining his own position over against it Indeed many aspects of Barth s view have come to be generally accepted as beyond criticism Such uncritical acceptance is itself a good reason to devote a special study to Barth s doctrine of Holy Scripture because no matter how we assess it the Church Dogmatics of Karl Barth is one of the greatest forces in the modern theological world In its vastness and variety its comprehensiveness and detail it constitutes a challenge to every school Nor is it to be met by caricature or sweeping generalization The individual themes demand searching analysis and appraisal at the exegetical historical and dogmatic levels at which Barth himself develops them Only on the basis of detailed treatment can there be ultimate understanding and assessment of the whole It is because Dr Runia tackles this preliminary problem that his present work is so significant He does not add to the list of general books Choosing a critical and sensitive area he devotes himself to the concentrated task of presenting the Barthian teaching on inspiration in its normative form In the course of his analysis he examines the proposed biblical basis of Barth s statement and brings it into lively interaction with the Reformation tradition which Barth believes that he represents By means of a thorough inquiry into the single point Dr Runia thus gives us a far more informative stimulating and authoritative criticism that is possible in more comprehensive studies The result is a valuable work which deserves to be widely studied and which should serve as a model for similar investigations into the many detailed themes of the Dogmatics It is characterized by an honesty and relevance which gives it more than a narrowly academic interest The real problems are faced and it is candidly the most orthodox of statements Yet the great verities of the traditional doctrine emerge the clearer and stronger for this powerful discussion and in such a way that they may again make their salutary impact on a wider theological front *Dictionary of Scripture and Ethics* Joel B. Green, Jacqueline E. Lapsley, Rebekah Miles, Allen Verhey, 2011-11-01 2012 Reference Book of the Year Award Academy of Parish Clergy This one stop reference book on the vital relationship between Scripture and ethics offers needed orientation and perspective for students pastors and scholars Written to respond to the movement among biblical scholars

and ethicists to recover the Bible for moral formation it is the best reference work available on the intersection of these two fields The volume shows how Christian Scripture and Christian ethics are necessarily intertwined and offers up to date treatment of five hundred biblical traditional and contemporary topics ranging from adultery bioethics and Colossians to vegetarianism work and Zephaniah The stellar ecumenical list of contributors consists of more than two hundred leading scholars from the fields of biblical studies and ethics including Darrell Bock David Gushee Amy Laura Hall Daniel Harrington Dennis Olson Christine Pohl Glen Stassen and Max Stackhouse Kantian Reason and Hegelian Spirit Gary Dorrien, 2015-03-16 Winner 2012 The American Publishers Award for Professional and Scholarly Excellence in Theology and Religious Studies PROSE Award In this thought provoking new work the world renowned theologian Gary Dorrien reveals how Kantian and post Kantian idealism were instrumental in the foundation and development of modern Christian theology Presents a radical rethinking of the roots of modern theology Reveals how Kantian and post Kantian idealism were instrumental in the foundation and development of modern Christian theology Shows how it took Kant s writings on ethics and religion to launch a fully modern departure in religious thought Dissects Kant s three critiques of reason and his moral conception of religion Analyzes alternative arguments offered by Schleiermacher Schelling Hegel and others moving historically and chronologically through key figures in European philosophy and theology Presents notoriously difficult and intellectual arguments in a lucid and accessible manner
