The Color Of Money:

The Color of Money Mehrsa Baradaran, 2017-09-14 Read this book It explains so much about the moment Beautiful heartbreaking work Ta Nehisi Coates A deep accounting of how America got to a point where a median white family has 13 times more wealth than the median black family The Atlantic Extraordinary Baradaran focuses on a part of the American story that is often ignored the way African Americans were locked out of the financial engines that create wealth in America Ezra Klein When the Emancipation Proclamation was signed in 1863 the black community owned less than 1 percent of the total wealth in America More than 150 years later that number has barely budged The Color of Money seeks to explain the stubborn persistence of this racial wealth gap by focusing on the generators of wealth in the black community black banks With the civil rights movement in full swing President Nixon promoted black capitalism a plan to support black banks and minority owned businesses But the catch 22 of black banking is that the very institutions needed to help communities escape the deep poverty caused by discrimination and segregation inevitably became victims of that same poverty In this timely and eye opening account Baradaran challenges the long standing belief that black communities could ever really hope to accumulate wealth in a segregated economy Black capitalism has not improved the economic lives of black people and Baradaran deftly explains the reasons why Los Angeles Review of Books A must read for anyone interested in closing America's racial wealth gap Black Perspectives

The Color of Money Walter Tevis, 2022-02-15 The sequel to *The Hustler* sees former champion Fast Eddie Felson return to the thrilling world of competitive pool from the bestselling author of *The Queen's Gambit* The basis for the famed Martin Scorsese film Tevis writes about pool with power and poetry and tension Grabs the reader and doesn't let go You don't have to appreciate pool to like this book to appreciate its sense of living on the edge Washington Post Twenty years have passed since Fast Eddie Felson conquered the underground pool circuit During that time he married and ran his own pool hall but having left that all behind he is now badly in need of money and pool is all he knows On the beautiful aquamarine waters of the Florida Keys he ropes his former rival Minnesota Fats into a series of exhibition matches in the hopes of picking up a cable TV deal But playing the old master a terrible feeling nags at him that he has sat on his talent and that the best part of him is now gone And when he vows to get back in the game seriously this time he finds a challenging road ahead and the only thing standing in his way is himself

The Missile Defense Agency and the Color of Money Thomas Karako, 2016-08-04 This study explores the growing competition for scarce dollars at the U S Missile Defense Agency MDA It traces the agency's roles and missions assigned to the agency and the growing trend of using what was originally intended to be a research and development budget for procurement and sustainment of missile defense assets As adversary missile arsenals develop in both size and sophistication continued improvements to our current missile defense systems will be required to keep pace with the threat The combination of an ever shrinking top line and new roles and missions being assigned to MDA make that task difficult Finding a new path forward and more clearly defining the

position of the agency inside the Department of Defense will be essential for a more sustainable missile defense posture

Scorsese by Ebert Roger Ebert, 2009-05-15 Roger Ebert wrote the first film review that director Martin Scorsese ever received for 1967's *I Call First* later renamed *Who's That Knocking at My Door* creating a lasting bond that made him one of Scorsese's most appreciative and perceptive commentators Scorsese by Ebert offers the first record of America's most respected film critic's engagement with the works of America's greatest living director chronicling every single feature film in Scorsese's considerable oeuvre from his aforementioned debut to his 2008 release the Rolling Stones documentary *Shine a Light* In the course of eleven interviews done over almost forty years the book also includes Scorsese's own insights on both his accomplishments and disappointments Ebert has also written and included six new reconsiderations of the director's less commented upon films as well as a substantial introduction that provides a framework for understanding both Scorsese and his profound impact on American cinema Given their career long back and forth this collection makes perfect sense In these reconsiderations Ebert invites us into his thought processes letting us see not just what he thinks but how he forms his opinions Ebert's insights into Scorsese are terrific but this book offers the bonus of further insights into Ebert himself Time Out Chicago Ebert film critic for the Chicago Sun Times is an unabashed fan of Scorsese whom he considers the most gifted director of his generation Of special note are interviews with Scorsese over a 25 year period in which the director candidly discusses his body of work Publishers Weekly
