The Coming Digital God:

The Coming Digital God Arno Froese, 2001-09 *The Digital God* William Indick, 2015-02-28 As humans charge up the steep slope of technological innovation digital age media increasingly shapes our perception of everything even spiritual matters The next stage of spiritual development may be the product of a digital interface between our own image of the divine virtual reality technology that produces real perceptions and with devices that stimulate areas of the brain associated with spiritual experience This book explores the influence of digital media on spirituality and the impact of the digital environment on our experience of the spiritual world The author predicts a future in which digital technology and neuroscience will combine to create a new understanding of the divine Instructors considering this book for use in a course may request an examination copy here **The Next Digital Decade** Berin Szoka, Adam Marcus, 2011-06-10 *A Thursday Next Digital Collection: Novels 1-5* Jasper Fforde, 2011-03-08 Enter the first five novels in the New York Times bestselling Thursday Next series over one million copies in print and follow literary detective Thursday Next as she adventures through her alternate reality of literature obsessed England What keeps this series humming is Fforde's lively engagement with books and the indefatigable woman he's created to defend them People It's easy to be delighted by a writer who loves books so madly Janet Maslin The New York Times The Eyre Affair Hailed by the Wall Street Journal as delightfully clever this riotous novel follows Detective Thursday Next as she tracks down the villain who plucked Jane Eyre from the pages of Brontë's novel and averts a heinous act of literary homicide Lost in a Good Book Thursday fights to save the love of her life navigating the works of Kafka and Austen and even Beatrix Potter's The Tale of Flopsy Bunnies But when she discovers a new play from the Bard himself and finds herself the target of a series of potentially lethal coincidences she realizes the stakes are far higher than she could have predicted The Well of Lost Plots Thursday is ready for a break She heads to the depths of the Well of Lost Plots where all unpublished books reside to lose herself in a cliché ridden pulp mystery What was supposed to be a well deserved reprieve turns into chaos as Thursday discovers the Well's dark underbelly a veritable linguistic free for all To top it off a murderer is stalking Jurisfiction personnel and nobody is safe least of all Thursday Something Rotten It's back to reality for Thursday and fiction never looked so good But as she travels with the dithering Danish prince Hamlet she becomes wrapped up in an outlaw fictioneer's plot for absolute power Can Thursday find a Shakespeare clone to stop this hostile takeover First Among Sequels Thursday grapples with a host of problems in the Book World but her biggest challenge is motivating her sixteen year old son Friday to follow his destiny as a member of the ChronoGuard As she juggles the trials of motherhood and saving the Book World Thursday finds she must face down her most vicious enemy yet herself **CSB Holy Bible, Digital Edition** CSB Bibles by Holman, 2017-01-15 The CSB Holy Bible Digital Edition features the highly reliable highly readable text of the Christian Standard Bible CSB which stays as literal as possible to the Bible's original meaning without sacrificing clarity The CSB's optimal blend of accuracy and readability makes Scripture more moving more

memorable and more motivating to read and share with others The Digital Puritan - Vol.II, No.4 , **The Digital Puritan - Vol.III, No.2** , **The Shape of Spirituality** Dick Houtman,Galen Watts,2024-10-15 Around 20 percent of Americans fall into the category of spiritual but not religious Yoga has become a ubiquitous pastime for middle class Westerners Mindfulness is increasingly incorporated into school curricula sports programs and even corporate culture Hollywood icons and Silicon Valley trendsetters tout the benefits of a spiritual life These developments reflect a widespread turn away from religion toward spirituality Yet the nature of this spiritual turn is still poorly understood and its consequences sorely underappreciated The Shape of Spirituality brings together leading sociologists to challenge common notions that spirituality is individualistic privatized and apolitical and to make the definitive case for its social and political significance Contributors examine the sweeping influence of spirituality on a variety of realms including health care and therapeutic practice popular culture civic engagement public protest conspiracy culture and progressive politics Leveraging cutting edge quantitative and qualitative data this authoritative book makes clear that far from being marginal and inconsequential spirituality holds profound public importance today **Building Your Digital Sanctuary** Brandan J. Robertson,2023-03-01 The COVID 19 pandemic accelerated the digital revolution faster than anyone expected In a few weeks faith communities around the world were thrust into developing fully digital ministries some doing it well and others struggling along the way However this moment of crisis opened the opportunity for all faith communities to reach unprecedented numbers of people and truly become ministries without walls Yet many churches have failed to fully incorporate a digital vision into their long term plan for ministry and have largely reverted to in person programs and services because of a lack of direction on how to build high quality and sustainable digital ministries Building Your Digital Sanctuary is an introductory guide for pastors and communications teams on how to lay the foundation of an impactful and sustainable digital sanctuary alongside your in person ministries Drawing on the wisdom of some of digital ministry experts this practical guide will provide the inspiration and insight churches need to minister in the emerging digital age *Faith and Language Practices in Digital Spaces* Andrey Rosowsky,2017-11-16 This volume shares the results of research conducted within and across the complex nexus of language religion and new technologies It identifies the dynamic and mobile ways religious practice and language interact online to modify confirm transform and consolidate linguistic resources and repertoires It makes a significant contribution to work in the emerging sub discipline of the sociology of language and religion and adds to the growing work on digital religion It also showcases leading and ground breaking researchers working on online and offline examples of the complex relationships evinced by the study of language and religion The chapter authors explore a wide range of religions technologies and languages in order to provide an innovative insight into the overlap between the study of language and religion and language and technology
