The Coming Spiritual Earthquake:

The Coming Spiritual Earthquake James T. Harman, 2022-02 The Coming Spiritual Earthquake is more than just the title to this book It poignantly describes what is about to take place on this Earth in the very near future Great Multitudes of believers will be astonished to find themselves in the Tribulation period if they do not wake up in time The popular Church Tradition fostered by the Left Behind mindset teaches that all believers will be Raptured before the horrible Tribulation period begins Find out where the major fault lines are before this SPIRITUAL EARTHQUAKE arrives See to it that no one takes you captive through hollow and deceptive philosophy which depends on human tradition and the basic principles of this world rather than on Christ Colossians 2:8 Most believers don't realize that the popular Left Behind series has lulled the Church asleep with the false assurance they will be Raptured when Jesus returns Many believers don't understand the critical difference between the Body of Christ and the Bride of Christ Christians must arise from their slumber now before the Tribulation period begins The Antichrist is waiting in the wings to make his grand appearance and once he is revealed it will be too late Time is critical because the greatest spiritual calamity of all time is about to take place and most of the Church is not ready *The Coming Spiritual Earthquake* James T. Harman, Prophecy Countdown Publications, 1993-07-01
