

Dust of Snow

The way a crow
Shook down on me
The dust of snow
From a hemlock tree
Has given my heart
A change of mood
And saved some part
Of a day I had rued.

Snow Warning Other Poems:

The Poetry of the Forties A. Trevor Tolley, 1985 *Intending Scotland* Cairns Craig, 2020-03-31 A major reconsideration of our understanding of the development of Scottish culture from the Enlightenment to the present day International Who's Who of Authors and Writers 2008 Europa Publications, 2007-08-23 An invaluable source of information on the personalities and organizations of the literary world **The New Voice** Amos N. Wilder, 2013-12-01 In *The New Voice* Amos Wilder carries forward and combines two areas of activity represented in his earlier groundbreaking publications One of these is that of the theological critic concerned with modern literature as it illuminates the quests of our age and the vicissitudes of our religious tradition as found in his *Modern Poetry and the Christian Tradition* and *Theology and Modern Literature* The other area is that of biblical scholarship especially in its recent concern with hermeneutics and the modes of language as represented by his volume on early Christian rhetoric *The Language of the Gospel* Wilder seeks in the present book to deepen and correct the approach of the theological critic by urging that rhetorical criteria should receive primary attention and that language should be explored in new ways Wilder therefore examines certain aspects of biblical genre and style as ways of illuminating modern rhetoric and its underlying assumptions It is a main theme of the work that the disorders and travail of our time should be construed in a positive light and that the most significant writing of the period not only illuminates contemporary reality but fashions a language in which the abiding legacies and archetypes of the past can again be brought to speech Writers specially discussed in the book range from Musil Proust Eliot and Gide to Sartre Perse Beckett Lowell David Jones and the exponents of open verse The work of many others is brought into relation with the task defined by Pound as naming things accurately and by Stevens as making the bread of faithful speech *List of Publications in American Braille* Pennsylvania Institution for the Instruction of the Blind, 1914 **Famous Occult Tales** Frederick Brigham De Berard, 1899 *Finding-list of Books in the Classes of Poetry and the Drama, Literature and Polygraphy, Belonging to the Public Library of Indianapolis* Indianapolis Public Library, 1891 *Finding-list of Books in the Classes of Poetry and the Drama* Indianapolis Public Library, 1891 **Co-operative Bulletin** Brooklyn Public Library, 1901 **Monthly Bulletin of the Providence Public Library** Providence Public Library (R.I.), 1896
