Social Issues in IMF-Supported Programs Mr.Louis Dicks-Mireaux,Mr.Sanjeev Gupta,Mrs.Ritha S. Khemani,Mr.Calvin A. McDonald,Marijn Verhoeven,2000-01-13 As part of its mandate the IMF seeks to create the conditions necessary for sustained high quality growth which encompasses a broad range of elements These include sound macroeconomic policies growth enhancing structural reforms good governance and such social policies as cost effective social safety nets and targeted social expenditures This paper reviews the IMF s policy advice in two key areas of social policy social safety nets and public spending on education and health care It was initiated as part of the work by the World Bank and IMF to strengthen the poverty focus of adjustment programs in low income countries in particular within the framework of the Initiative for Heavily Indebted Poor Countries HIPC

Handbook of Small States Lino Briguglio,2018-05-11 This handbook covers a wide spectrum of issues relating to small states Chapters in the volume have been grouped under the three main themes of economic social and environmental issues The economics sections include chapters dealing with trade finance and regulatory frameworks while the social theme covers health migration population ageing as well as overall social wellbeing The environmental theme examines matters such as measuring environmental performance natural disasters the ocean economy and the validity of the Sustainable Development Goals One major issue is the definition of small states As this volume demonstrates generally speaking population is used to measure country size in the literature However it clearly emerges that there is no real consensus as to the population cut off point that distinguishes small states from large ones While the approaches taken by the authors vary in all cases the chapters draw practical policy implications for small states The book can therefore be considered as a wide ranging depositary of information on small states with the aim of deriving policy prescriptions and thus as an excellent resource for academics students and policymakers

Sri Lanka International Monetary Fund,1998-09-05 This paper reviews economic developments in Sri Lanka during 1996 98 After slowing to 4 percent in 1996 economic growth recovered to 6.2 percent in 1997 The slowdown in 1996 had been mainly owing to a severe drought that affected the agricultural sector and disrupted the power supply The recovery in 1997 was strongest in agriculture and manufacturing supplemented by continued good performance in the services sector including a rebound in tourism In addition significant accomplishments were achieved in economic restructuring including several successful privatizations and an initial step toward fiscal adjustment

Monetary Policy in Developing Countries Sheila Page,2013-10-11 Developing countries now use monetary policy as part of their adjustment programmes but its targets the tools and the theory were developed for advanced countries Low income countries do not have the sophisticated financial sectors that rich ones can assume and the shocks and size of adjustment which they face may be much greater Using six country studies with special analysis of the roles of the external sector and the informal financial sector this book analyses the interaction among monetary policy the financial sector and development

Social Welfare Issues in

Southern Europe Maria Brown, Michael Briguglio, 2022-03-10 This volume is the first of its kind to discuss social welfare issues using case studies from a broad range of Southern European countries both large and small a decade after the financial crisis It identifies similarities and differences in the ways in which Southern European countries engage with specific welfare issues and examines whether Southern European welfare is distinct from that of the rest of the continent The book also engages with the impact of COVID 19 on the social welfare issues under investigation The volume is divided into four sections each examining in detail issues including employment education health sexuality globalization social movements and migration With its contributions from experts in the field the volume is recommended for academics researchers and students of sociology social policy economics education politics and social movements **Social Sciences Index**, 1989 *Future Survey Annual 1985* Michael Marien, 1987-01-01 **Transparency in Government Operations** Mr. J. D. Craig, Mr. George Kopits, 1998-02-03 Transparency in government operations is widely regarded as an important precondition for macroeconomic fiscal sustainability good governance and overall fiscal rectitude Notably the Interim Committee at its April and September 1996 meetings stressed the need for greater fiscal transparency Prompted by these concerns this paper represents a first attempt to address many of the aspects of transparency in government operations It provides an overview of major issues in fiscal transparency and examines the IMF's role in promoting transparency in government operations **SDGs in the Americas and Caribbean Region** Walter Leal Filho, Noé Aguilar-Rivera, Bruno Borsari, Paulo R. B. de Brito, Baltazar Andrade Guerra, 2023-08-31 This volume provides an overview of the ways sustainable development issues as a whole and the SDGs in particular are perceived and practiced in a variety of countries in the Latin America and Caribbean region It also discusses the extent to which its many socio economic problems hinder progress towards the pursuit of a sustainable future and documents successful experiences from across the region This book is part of the 100 papers to accelerate the implementation of the UN Sustainable Development Goals initiative **IMF, WORLD BANK & ADB AGENDA ON PRIVATISATION** Nihal Sri Ameresekere, 2011-04-25 This shockingly explosive Book deals with the manipulative privatization of Sri Lanka Insurance under a privatization program pushed by IMF World Bank and ADB questionably mishandled by PricewaterhouseCoopers and Ernst involving a consortium of leading corporates controlled by one individual portrayed as a close associate of former US President Bill Clinton This dubious deal was annulled as wrongful unlawful and illegal by the Supreme Court the highest judiciary observing that it shocked the conscience of Court asserting that public assets are held in trust on behalf of the people This Book exposes those holding elected and selected influential and powerful public office unabashedly compromising national and public interests in the disposal of an invaluable national asset at a ridiculous price to parties who had not even been pre qualified with one party incorporated in Gibraltar after the completion of the process and whose source of funds channeled through a leading Bank remained a mystery This Book appallingly reveals how pontificating professionals retrospectively manipulated the financials of Sri Lanka Insurance

facilitating a fraudulent demand for a refund from the Government It reveals the unashamed condoning of fraud and corruption and bestowing on corrupt miscreants even more recognition shunning the rule of law and the absence of law enforcement and the duplicitous stances of the Chamber of Commerce and the Institute of Chartered Accountants This book is an eye opener on socio political realities and is invaluable to those dealing with privatization public finance and commerce fraud and corruption forensic accounting and to legal academics and professionals and public interest activists The Latin American Crisis and the New Authoritarian State Manuel Larrabure,2022-12-30 This book provides a fresh interpretation of the rise and fall of Latin America s left turn or movement towards more progressive economic or social policies From a historical and comparative perspective the book argues that Latin America is entering a new phase of authoritarian statism Based on over 10 years of research on Latin American political economy and social movements including years of fieldwork in Chile Brazil Venezuela and Argentina this book combines the stories of individuals and groups in particular situations with the macro level political and economic trajectory of the region since the postwar period The book draws on over 100 interviews with community activists workers union leaders politicians journalists and NGOs as well as archival work In addition the book uses up to date national and regional economic data including both standard and heterodox development indicators By engaging with key case studies including Argentina s recovered enterprises Chile s student movement Brazil s free transit movement and Venezuela s popular economy this book analyzes the complex relationship between post capitalist struggles and the governance models of the pink tide the wave of left governments that began to sweep the region at the turn of the century This book will be of interest to researchers across politics development Latin American studies and social movement studies The original data and analysis of the relationship between social movements and governments will also benefit policymakers and those working within the NGO sector

Financial Management and Accounting in the Public Sector Gary Bandy,2023-03-14 The importance of public financial management for the health and wellbeing of citizens became dramatically apparent as governments sought to respond to the coronavirus pandemic in 2020 Now governments and other public sector organizations face the challenge of recovering from the pandemic whilst also seeking to achieve Sustainable Development Goals with squeezed budgets and ever increasing demands for public services Public sector managers are confronted daily with targets and demands that are often set in confusing accounting and financial language In *Financial Management and Accounting in the Public Sector* Gary Bandy employs a clear and concise narrative to introduce the core concepts of public financial management to help those managers to deliver programmes projects and services that are value for money As the author puts it managing public money is an art not a science This third edition has been revised and updated throughout offering a structure that is more clearly linked to the stages of the public financial management cycle greater coverage of transparency and accountability issues a broader view of public procurement to include goods works and services and effective contract management and an increased focus on public spending in the context of a post

COVID environment With a glossary of terms to help managers understand and be understood by accountants as well as learning objectives discussion questions and exercises this practical textbook will help students of public management and administration to understand the financial and accounting aspects of managing public services International Finance ,

International Finance Dilip Das,2003-09-02 In this updated fourth edition author Maurice Levi successfully integrates both the micro and macro aspects of international finance He successfully explores managerial issues and focuses on problems arising from financial trading relations between nations whilst covering key topics such as organization of foreign exchange markets determination of exchange rates the fundamental principles of international finance foreign exchange risk and exposure fixed and flexible exchange rates This impressive new edition builds and improves upon the popular style and structure of the original With new data improved pedagogy and coverage of all of the main developments in international finance over the last few years this book will prove essential reading for students of economics and business **Current**
