Social Services For Senior Gay Men And Lesbians

Gerald P Mallon

Social Services For Senior Gay Men And Lesbians:

Social Services for Senior Gay Men and Lesbians Jean K Quam, 2014-02-25 *Social Services for Senior Gay Men and Lesbians* is an important new reference that provides those in the helping professions with practical information on how to work with the older gay and lesbian population. Although older gays and lesbians are the same in many ways as their heterosexual counterparts, they have an extra layer of concerns that are unique to their sexual orientation, including coming out to family and medical professionals, fear of discrimination, isolation, and loneliness. This new book helps social service providers address these and other concerns of the aging homosexual. *Social Services for Senior Gay Men and Lesbians* examines the history of homosexuality and how practitioners have developed ways to better serve this population. The book features case studies of topics that face practitioners and their older gay clients, including housing needs of older gay and lesbian adults, group therapy for older gay males, long-term care dilemmas for older lesbians, counseling an older gay male who is coming out, staff development for non-gay social service providers, historical review of gay and lesbian issues. Because so little information exists in these and other areas, *Social Services for Older Gay Men and Lesbians* is an excellent resource for social workers, psychologists, nurses, counselors, and physicians.

Social Services for Senior Gay Men and Lesbians, 1997 ***Handbook of Social Work in Health and Aging*** Barbara Berkman, 2006-02-09 *The Handbook of Social Work in Health and Aging* is the first reference to combine the fields of health care, aging, and social work in a single authoritative volume. These areas are too often treated as discrete entities, while the reality is that all social workers deal with issues in health and aging on a daily basis, regardless of practice specialization. As the baby boomers age, the impact on practice in health and aging will be dramatic, and social workers need more specialized knowledge about aging, health care, and the resources available to best serve older adults and their families. The volume's 102 original chapters and 13 overviews, written by the most experienced and prominent gerontological health care scholars in the United States and across the world, provide social work practitioners and educators with up-to-date knowledge of evidence-based practice guidelines for effectively assessing and treating older adults and their families, new models for intervention in both community-based practice and institutional care, and knowledge of significant policy and research issues in health and aging. A truly monumental resource, this handbook represents the best research on health and aging available to social workers today. *Working with Gay Men and Lesbians in Private Psychotherapy Practice* Christopher J Alexander, 2020-03-24 *Working with Gay Men and Lesbians in Private Psychotherapy Practice* is written for private practitioners solely by private practice clinicians who specialize in the treatment of gay men or lesbians. Focusing on numerous clinical issues that gays and lesbians often deal with, *Working with Gay Men and Lesbians in Private Psychotherapy Practice* also offers you proven guidance for maintaining and promoting your psychotherapy practice as a business. You will explore issues such as whether the therapist should disclose her/his sexual orientation and how the therapist should address the degree to which internalized stigma about sexual orientation may

impact the client's concerns about the process of therapy in general. This insightful volume also focuses on the special complexities introduced to psychotherapy by managed care. You'll find detailed practical information about a strategic plan for establishing marketing and developing a private practice in lgb psychology, staying abreast of the latest research and trends in gay/lesbian mental health, treatment planning with gay and lesbian clients, lesbian/gay couples counseling, multiple identity and gender issues, particular to culture and ethnicity, boundary issues. *Working with Gay Men and Lesbians in Private Psychotherapy Practice* tackles how to therapeutically respond to the issues of gay men and lesbians. The practical strategies and specific suggestions can be directly incorporated into your work with gay and lesbian clients to ensure your success in confronting the specific issues and challenges they face.

Foundations of Social Work Practice with Lesbian and Gay Persons Gerald P. Mallon, 2013-09-13. Focusing on the pragmatic aspects of social work with gay and lesbian persons, this book offers a knowledge base of practice that will better prepare students and practitioners for working more competently and effectively with lesbians and gay men. Written by scholars and practitioners in the social work profession, *Foundations of Social Work Practice with Lesbian and Gay Persons* teaches you how to develop practice approaches that are sensitive to issues of sexual orientation as well as how to work with this population in the contexts of practice with individuals, couples, families, groups, communities, and organizations. The book's sensible strategies and case studies provide you with critical information that will help you deal with homophobia and heterocentrism and enact a professional commitment to pursuing economic and social equality for diverse and at-risk client populations. A foundation-level text on social work practice with gays and lesbians, this book is designed to provide social work students, academics, and practitioners with an understanding of the values and ethics fundamental to practice with this group of clients. *Foundations of Social Work Practice with Lesbian and Gay Persons* summarizes the variety of issues, dynamics, and techniques required to work effectively with gay and lesbian clients who are at different points in their development and life cycles. To further help you in your practice, it also discusses providing skilled professional assistance to gay victims of hate crimes, how homophobia can prevent lesbians and gay men from receiving adequate services, the obstacles social workers sometimes face when trying to integrate the core set of professional values and ethical principles into their practice, practitioner self-disclosure regarding sexual identity, developmental milestones for lesbian and gay persons, alcohol and substance abuse among lesbians, family therapy concepts of fusion and enmeshment, same-gender socialization, assessing issues of sexual expression. Counselors, social workers, and students and academics in gay and lesbian studies will find that *Foundations of Social Work Practice with Lesbian and Gay Persons* greatly expands the social work knowledge base to disrupt the impact of institutional, individualized, and internal homophobia on social workers, their clients, and the institutions in which social workers practice. Its flexible and creative treatment approaches to therapy with sexual minorities are sure to help you sensitize your therapeutic techniques and improve the quality of care you deliver.

Violence and Social Injustice Against Lesbian, Gay, and Bisexual People Lacey

Sloan, Nora Gustavsson, 2014-07-16 *Violence and Social Injustice Against Lesbian Gay and Bisexual People* helps you look past the stereotypical picture of violence against sexual minorities the public physical assaults on gay lesbian bisexual and transgendered youth by hypermasculine male thugs and directs you toward the many daily acts of quiet violence that go on unhindered in the workaday settings of our legal social educational and law enforcement institutions You ll learn about the frightening prevalence of complacency homophobic ignorance and apathy that pervades our police departments courts high schools and churches Also armed with this critical insight and statistical research you ll be better equipped to wage a non violent war of fairness and mutual respect against the daily senseless violence of policy and practice that threatens to render gay lesbian bisexual and transgendered people unwelcome and battered citizens in their own communities You ll find that *Violence and Social Injustice Against Lesbian Gay and Bisexual People* is ideal for aiding social workers counselors teachers and criminal justice officials in removing the unseen acts of violence from the policies and practices of the public sector These and other specific areas will give you the information and the fortitude necessary to evoke positive change in your community legal issues relating to same sex marriage the connection between social injustice and violence violence against sexual minority youth sexual identity and ethnic minorities practice and policy recommendations As this book shows violence against sexual minorities can be subtly woven into the very fabric of some of our most long standing respected social institutions For too long the sexual minorities of color for example and the lesbian who suffers physical assault at the hands of a partner have had little or no help from social workers law enforcement or education for fear of receiving either complete negligence or increased antagonism But now in *Violence and Social Injustice Against Lesbian Gay and Bisexual People* you ll find the facts and tools necessary for turning the ugliness of communal violence into social justice for people of all sexual orientations

Gay Men's Sexual Stories Robert Reynolds, Gerard Sullivan, 2003 Investigation of the role of sex in everyday lives of gay men With emphasis on psychosocial and emotional context the contributors explicitly describe their sex lives and sexual attitudes in a variety of situations The editors share their expertise and insights into these narratives and into the academic literature on gay men at midlife

Research Methods with Gay, Lesbian, Bisexual, and Transgender Populations William Meezan, James I. Martin, 2012-12-06 Take an in depth look at what works and what doesn't in research with GLBT populations This essential book examines the usefulness of current frameworks for research with GLBT populations and highlights the necessity for greater complexity in the conceptualization and design of research with these populations It will help you understand the need for more inclusive and representative samples and the need to protect the privacy of GLBT research participants and ways to accomplish these goals In addition *Research Methods with Gay Lesbian Bisexual and Transgender Populations* considers the advantages and limitations of having an inside perspective when conducting research with these populations It also explores the myriad ways in which this research can be used to better understand issues facing GLBT communities Specifically *Research Methods with Gay Lesbian Bisexual and Transgender*

Populations discusses eight strategies that outsiders can use to overcome barriers to doing their work the challenges of finding and studying older members of gay and lesbian communities the special challenges that studying gay drug users pose to the researcher factors affecting research with urban Black and African American GLBT populations sampling issues including ways to overcome the challenges of conducting research with sexual minority adolescents issues related to dealing with institutional review boards and lessons derived from empirical articles in the Journal of Gay Lesbian Social Services unique features of AIDS service organizations to consider when developing an evaluation strategy ethical standards for research and evaluation with GLBT populations and a great deal more From the Foreword by Anthony R D Augelli In social science research the effort to extract durable principles of social causality from the apparent randomness of everyday life requires the construction of reliable if tentative knowledge that is significantly more informative than mere speculation With our ever increasing knowledge base increasingly sophisticated and powerful quantitative and qualitative methodologies and with an ever expanding cadre of researchers our ability to discern patterns of development of GLBT people from birth to death the unique qualities of their relationships and the impact of communities and cultures on the ways in which their sexualities are manifested will come into sharper focus In this way research becomes a tool by which GLBT people transcend invisibility and marginalization As new research accumulates the unique contributions that GLBT lives make to our understanding of the nature of human development will be documented in ways never before thought possible Within the larger context of social science research on GLBT populations this book describes the current status of social service researchers in their quest for methodological sophistication and conceptual complexity The work of the contributors to this volume exemplifies the progress that has been made since the first research reports on this topic were published

Handbook of Lesbian and Gay Studies Diane Richardson, Steven Seidman, 2002-09-25 The creation of a new field of lesbian and gay studies over the past thirty years has been a fascinating project This volume brings together key authors in the field in 26 major essays and provides a clear sense of just how much has been achieved It is a guide to the state of the art and invaluable for scholars throughout the world Ken Plummer Professor of Sociology University of Essex and Editor of Sexualities This book is unique in lesbian and gay studies From politics to health cyber queers to queer families the review essays in this volume cover all the important bases of GLB history and politics The Introduction is a simple and accessible overview of the changing faces of theory and research over many decades This book is bound to be an important resource in a burgeoning field Janice Irvine Associate Professor of Sociology University of Massachusetts Amherst The Handbook of Gay and Lesbian Studies assembled by two leading theorists of sexuality makes available more than two dozen new cutting edge essays in gay studies Essential for social science scholars and students of gay queer studies David F Greenberg Professor of Sociology New York University With this benchmark work lesbian and gay studies comes of age Drawing from a rich team of global contributors and carefully structured to elucidate the core issues in the field it constitutes an unparalleled resource for

teaching research and debate The volume is organized into 4 sections History and Theory This covers the roots of lesbian and gay studies the institutionalization of the subject in the Academy the naturalness of heterosexuality science and sexuality the comparative sociology of homosexualities and the heterosexual homosexual division Identity and Community This examines the formation of gay and lesbian identities communities and movements cyber queer research sexuality and space generational issues in lesbian and gay lifecycles and the subject of bisexuality Institutions This investigates questions of the governance of sexualities lesbian and gay health sexualities and education religion and homosexuality homosexuality and the law gay and lesbian workers homosexuality and the family and lesbian gay and queer encounters with the media and popular culture Politics This explores the formation of the gay and lesbian movements impact of globalization antigay and lesbian violence nationalism and transnationalism in lesbian and gay studies and sexual citizenship The result is an authoritative book that demarcates the field stimulates critical discussion and provides lesbian and gay studies with an enriching focal reference point It is quite simply a breakthrough work that will galvanize discussion and research for years to come

Gay Men Living with Chronic Illnesses and Disabilities Benjamin Lipton, 2014-06-11 Understand gay men's unique health issues beyond the incomplete focus of HIV to include the concerns of those living with a broad range of chronic illnesses and disabilities *Gay Men Living with Chronic Illnesses and Disabilities From Crisis to Crossroads* is the groundbreaking book that comprehensively examines and forms strategies to respond to the needs of gay men living with non HIV chronic illnesses and disabilities such as diabetes cancer obesity and muscular sclerosis Bringing together the interdisciplinary expertise and unique perspectives of leaders in the fields of social work psychology and rehabilitation counseling this groundbreaking book helps you understand the key issues from theoretical clinical practical and personal perspectives *Gay Men Living with Chronic Illnesses and Disabilities From Crisis to Crossroads* conceptualizes and addresses the integration of psychosocial and medical issues faced by the gay men living with both HIV related and non HIV chronic illnesses and disabilities Each chapter delves deeply into the psychosocial impact of their marginalization in daily living while offering strategies for partnership and integration between gay and mainstream health and social service organizations With extensive up to date bibliographies at the end of each chapter and case studies that illuminate theoretical discussions this book is essential reading for those involved in health policy and practice with gay men living with chronic illnesses and disabilities *Gay Men Living with Chronic Illnesses and Disabilities From Crisis to Crossroads* explores the invisibility of gay men living with non HIV illnesses and disabilities and the need to provide adequate services to them the impact of sexual orientation on living with a broad range of life threatening illnesses the multiple layers of stigma of being gay while living with a chronic illness or disability how chronic illness can lead to increased body dissatisfaction in gay men the multidimensional challenge of psychotherapy with HIV positive gay men the connection between aging chronic illness and sexual orientation living with a non HIV chronic illness as a gay social service professional *Gay Men Living with Chronic Illnesses and Disabilities From Crisis to Crossroads* is vital

reading for social workers psychologists psychiatrists physicians sociologists public health advocates and experts community organizers and everyone engaged in providing medical social or psychological services **Rural Gays and Lesbians** James Donald Smith,1997 This book provides knowledge and practice tips specific to the unique and changing needs of rural lesbians and gay men It is intended to help social workers construct culturally competent service programs and intervention techniques **Lesbian, Gay, Bisexual and Transgender Ageing** Mike Sutherland,Richard Ward,Ian Rivers,2012-07-15 This book explores the lives and perspectives of older lesbian gay bisexual and transgender LGBT people As their distinct needs are often overlooked due to lack of understanding this book demonstrates how life course approaches can offer insights into their support needs as they grow older from housing and health care to community support School Experiences of Gay and Lesbian Youth Mary B Harris,2013-12-19 School Experiences of Gay and Lesbian Youth The Invisible Minority shows teachers youth advocates administrators and academic researchers how to embrace the needs of sexual minority students Through research and case studies this book explains the ways in which schools are failing the vulnerable population of gay lesbian and bisexual youths This text shows you how to take responsibility for recognizing and protecting the rights and needs of gays and lesbians and ridding schools of discrimination harassment and violence As School Experiences of Gay and Lesbian Youth illustrates the consequences of the cognitive social and emotional isolation that sexual minority youths experience as a result of homophobia and heterosexism can be devastating With this book s helpful suggestions provocative insight and open challenges you can help gay and lesbian youths develop feelings of self worth as well as positive aspirations for their futures Experiences of Gay and Lesbian Youth will help social workers psychologists academics counselors and other professionals understand the dearth of role models in the career development of lesbian and gay youths how to integrate sexual orientation into career counseling how to incorporate the topic of homosexuality into educational curricula forms of homophobia from the victim s and the aggressor s points of view and heterosexism in the high school environment how to open discussions about gay and lesbian issues at school the importance of having visible lesbian gay and bisexual staff who can provide support for sexual minority youth School Experiences of Gay and Lesbian Youth also informs you on the experiences gay and lesbian adults who attended high school five to fifty years ago as well as college students who have reported incidents of homophobic behavior in high school In addition this text discusses teachers fears of being fired as a result of talking about sexual minority issues and how school environments can lead students to become drop outs Experiences of Gay and Lesbian Youth will inform you on the issues facing gay and lesbian youth and provide you with suggestions on how to make the classroom a welcoming environment regardless of sexual orientation **Lesbian, Gay, Bisexual, and Transgender Aging** Douglas C. Kimmel,2006 This volume fills a unique gap Gerontologists seldom focus on special concerns of gay and lesbian older adults lesbian gay bisexual and transgender aging organizations rarely address issues of aging and the mental health field has demonstrated an ability to marginalize both aging and homosexuality This

book lays out the state of knowledge with respect to lesbian gay bisexual and transgender aging physical health sexuality family ties victimization and legal and financial concerns The references at the end of individual chapters and the bibliographical material at the end of the book provide an invaluable resource For any gerontologist intrigued by the interplay of historical changes and individual aging it is difficult to imagine a more powerful example than *Lesbian Gay Bisexual and Transgender Aging Evolution of attitudes toward homosexuality the emergence of HIV AIDS and legal protections beginning to be afforded to same sex relationships are all part of the changing world that has shaped and been shaped by lesbian gay bisexual and transgender individuals who are now old* *Gay and Lesbian Professionals in the Closet* Teresa Decrescenzo, 2020-03-24 The closet takes its toll on its dwellers through their experiences of isolation fear paranoia potentially increased internalized homophobia and dissonance between role and identity yet many people in the helping professions do not feel that it is desirable or even appropriate to disclose their sexual orientation to those receiving help *Gay and Lesbian Professionals in the Closet* explores the different positions people take on this provocative issue the arguments they use to support their positions and why the issue may not be as clear cut as it sometimes seems While complex sociopsychological factors cultural values and influences and legal issues keep many gays lesbians and bisexuals in the closet closeted practice may have its advantages A closeted practitioner whether case manager counselor psychotherapist physician or minister can bring understanding and insight to practice with homosexual clients and their families as well as lend substantial support to openly gay and lesbian helping professionals Yet as *Gay and Lesbian Professionals in the Closet* reveals being closeted can compromise your integrity as well as that of your clients and the benefits of being out will likely outweigh those of being closeted Being out will help readers counteract stereotypes of gays and lesbians allow you to serve as a role model improve the quality of care offered by traditionally homophobic or homo ignorant institutions and employees contribute to the establishment of affirming services and environments for both yourself and your clients stop segregating your sexual life from the rest of your life attain credibility with your clients not feed repression through silence As *Gay and Lesbian Professionals in the Closet* will show readers it is always important to consider patients needs and each work setting before coming out but gay lesbian and bisexual social service providers should make decisions on a case by case basis not avoid being out altogether Being open in the workplace will remind caregivers clients and coworkers of the exemplary citizenship and service gays lesbians and bisexuals are capable of offering Think again whether the closet carries protective cover from discrimination or tacit endorsement of homophobia *Community-Based Research on LGBT Aging* Brian De Vries, Catherine Croghan, 2017-10-02 The study of LGBT aging is in its infancy In the absence of federal data on this often hidden population community groups and organizations from across the country have taken it upon themselves to understand and assess the needs of this first cohort to reach later life in a time of LGBT public consciousness Eight papers are included in this compilation three from the east coast Boston New York and Washington DC four from the Midwest Chicago Bowling

Green and surrounding areas St Louis and the twin cities of Minneapolis St Paul and one from the west coast Palm Springs area Together these reports provide a community based and regionally nuanced image of the strengths of and the challenges faced by older LGBT persons local snapshots that together form a partial tapestry of LGBT aging in the U S They also serve as a source of lessons learned in the field efforts that may be seen to parallel those undertaken by LGBT communities then forming during the 1980s and 1990s to address the growing health crisis of HIV AIDS a time when formal responses were slow and treatments still being developed As such the voice of the communities represented herein the voices of these older adults is clear strong and apparent This book was originally published as a special issue of the Journal of Homosexuality

Lady Boys, Tom Boys, Rent Boys Peter A. Jackson, Gerard Sullivan, 2020-11-25 Lady Boys Tom Boys Rent Boys Male and Female Homosexualities in Contemporary Thailand offers methods that will help social workers researchers and students create HIV AIDS intervention services for gay men lesbians and transgender individuals in or from Thailand Many of these methods can also be used by practitioners or HIV AIDS educators in North America and developing countries to address issues of culturally diverse clientele In response to Western and Thai sexuality studies that fail to accurately represent the diverse sexualities of Thailand this book discusses and describes certain factors that need to be taken into consideration when developing intervention programs Demonstrating how cultural and social factors influence services Lady Boys Tom Boys Rent Boys will help you provide clients with effective and relevant services Drawing attention to Eurocentric ideology that may hinder cross cultural collaboration for Thai Western service provisions this book offers you information that will help you understand how cultural political and economic systems shape sexuality and gender roles in Thai society Lady Boys Tom Boys Rent Boys provides you with the necessary knowledge for providing successful services including how Thai sexualities are identified by examining the meaning of terms such as toms masculine Thai lesbians dee feminine identified women who have relations with other women kathoey males that dress like women and wear make up or lady boys transsexual or transvestite males how Thai society actually defines having sex and recognizing the differences from Western connotations of sex to effectively teach individuals about the risk of HIV AIDS ways Western views of confidentiality and privacy differ from Thai views in order to understand why individuals hesitate to get tested for or seek counselling about HIV AIDS the relationship between occupation and sexual identity in movies and magazines that reveal how sexuality is characterized in Thailand the unique social identity of toms and how Thai society labels what is masculine and feminine reasons for hiding sexual identity such as rejection fear of stereotypes and having a relationship that is viewed by society as wrong and meaningless protecting commercial sex workers CSW from infection by developing culturally appropriate interventions One of the only books to address HIV AIDS issues of gay and transgender individuals in Thailand Lady Boys Tom Boys Rent Boys will help you increase awareness about HIV AIDS and create successful intervention programs for clients

Gay, Lesbian, Bisexual, and Transgender Aging Tarynn M. Witten, A. Evan Eyler, 2012-06 The graying of the

US population draws increasing focus to historically unattended segments of society including sexual and gender minorities This title addresses the challenges of aging in the gay lesbian bisexual transgender and intersex populations It presents what is known about aging GLBT individuals *Sexual Orientation and Gender Expression in Social Work Practice* Deana F. Morrow, Lori Messinger, 2006-02-01 This volume offers an invaluable resource for both social work educators and practitioners working with gay lesbian bisexual and transgender GLBT clients and their families It is the first such work to specifically address issues affecting bisexual and transgender people as well as the larger concerns of the GLBT community Contributors present specific practical suggestions for effective knowledge based and skills based practice with GLBT clients Topics include heterosexism and homophobia identity development coming out GLBT adolescents and older adults health care concerns relationships and families workplace issues the history of the GLBT civil rights movement sex reassignment AIDS and the role of spirituality in the lives of GLBT individuals The contributors also consider intragroup issues of race ethnicity age and socioeconomic status *Gay Widowers* Michael Shernoff, 2013-10-18 A recent gay widower may find that once the shock and initial confusion of losing his partner is overcome there are still many hard lonely and overwhelming stages of grief to be worked through Often the bereaved feels isolated and looking around for comfort realizes that he doesn't have many resources to turn to but *Gay Widowers: Life After the Death of a Partner* is a start By offering first person accounts of becoming a widower this book the first of its kind allows others who are about to lose or already have lost a partner to find support validation recognition and fellowship Its editor and contributors hope that by sharing their stories of loss pain and bewilderment they will help others in mourning as well as make one more step forward in their own healing Men of different ages and ethnic religious geographic and economic backgrounds join together in *Gay Widowers* to remind other gay widowers that they are not alone and that their feelings of pain anger and emptiness are normal and legitimate Not solely a book about life after the loss of a partner to AIDS this book is about rebuilding life as a bereaved gay man regardless of the cause of your partner's death You will find encouragement for moving your life forward without shutting your memories away as you read about how homophobia can complicate a gay widower's grieving and mourning handling financial and legal matters before and after death specific mental health issues of gay widowers dating again similarities among gay widowers responses to their partners deaths making time for your feelings rather than avoiding them finding love after or during bereavement trauma theory's applications to gay widowers By bringing forth these stories *Gay Widowers* offers bereaved gay men psychologists counselors and social workers in a society where the mourning process is generally a heterosexual social construct a clinical overview of the psychodynamic issues relevant and perhaps unique to the mourning process of gay men
