**The Bonds of Brotherhood** Bob Mitchell,2023-08-15

The Bonds of Brotherhood begins with an act of vandalism at a prestigious English private school A statue in honor of the school s founder is defaced sparking the curiosity of a group of perceptive ninth graders Was this a routine property crime or a political statement gone wrong This is a fresh take on the classic boarding school novel Stimulating critical thinking for teenagers in an age of cancel culture the tale is told with gentleness and plenty of humor The British boarding school setting is the perfect environment to critique elitism and pomposity and to revisit some of the darker shadows of history Underneath this story is the biblical notion of our shared value and humanity Important motifs about inequality slavery exclusion and bullying pervade the text Strong Christian voices come from the main protagonist Edwin Fothergill and the school s chaplain goodness generosity and kindness prevail

### **Disciplinarity: Functional Linguistic and Sociological Perspectives**

Frances Christie,Karl Maton,2011-02-03 Disciplinarity knowledge is under threat in the modern world Claims abound that we are entering a landscape in which the division of disciplines is obsolete implying a commitment to outdated values in scholarship Notions of discipline are critiqued as reflecting social power and representing the worldview of dominant social groups By addressing and challenging such claims this edited collection argues that proclamations of the death of disciplines have been greatly overstated Not only are the notions of disciplinarity still important for understanding how we come to know the world but this volume demonstrates how significant disciplinarity is to understanding different forms of knowledge if we wish to improve the building of knowledge and educational practice Using analytical tools from systemic functional linguistics theory and social realist sociology this volume illustrates how different disciplines can collaborate and cross fertilize successfully without losing their distinctive insights and disciplinary integrity The subsequent theory developed will thereby extend both linguistic and sociological approaches to the topic and make a major contribution to educational theory
