

Social Work And Child Abuse

S Marginson

Social Work And Child Abuse:

Child Welfare Kathryn Krase, Tobi Delong-Hamilton, 2020-11-23 Child Welfare Preparing Social Workers for Practice in the Field is a comprehensive text for child welfare courses taught from a social work perspective This textbook provides a single source for all material necessary for a contextual child welfare course As well as combining history theory and practice the authors integrate different practice perspectives to teach social workers how to engage children and families at the micro mezzo and macro levels Covering both broad issues such as child welfare child maltreatment and responses to child maltreatment and current issues in social care including mandated reporting and evidence based policy prevention and preservation the material is designed to meet the needs of social work students entering the child welfare workforce Child Welfare provides students in social work courses at both the undergraduate and graduate levels with a single source for all material necessary to successfully navigate their studies and careers *Social Work and Child Abuse* Dave

Merrick, 2006-09-08 While social work practice with child abuse is a well documented topic this revised edition of Social Work and Child Abuse actually challenges and changes the focus of existing literature Instead of concerning itself with the ways in which the task of preventing and detecting child abuse can be more effectively undertaken it presents a critical analysis of the task itself There has been much new guidance and regulation since the first edition of Social Work and Child Abuse was published in 1996 making this a timely new edition With a brand new introduction and conclusion this fully revised text discusses the implications of the Victoria Climbié Inquiry the Laming Report the Green Paper Every Child Matters and the 2004 Children Act the 1989 Children Act and the conflicting duties of the social worker to prevent and intervene in child abuse and also to promote the family the emergence of official discourses of prevention treatment and punishment the 1975 Children Act and the role of moral panic Concluding with a call for the full implementation of the UN Convention on the Rights of the Child to strengthen the child protection system by giving children and young people a much stronger voice this book is essential reading for all professionals in social and probation work and for students in social work social policy and criminology Social Work and Child Abuse D.M. Cooper, David Ball, 1987-09-18 Well publicised cases of child abuse have

brought heavy media criticism of the social work role in prevention and child protection This book attempts to bring a sense of perspective to allay the anxieties and fears felt by many social workers The authors resist the idea that child abuse is a special disease and develop a broad based strategy encompassing both individual therapy and environmental approaches Cooper and Ball's short introduction to child abuse in the Practical Social Work Series is a remarkable achievement in that it provides local authority social workers and general social work students with a concise overview of issues related to working in child abuse Issues in Social Work Education **Social Work and Child Abuse** D.M. Cooper, David Ball, 1987-11-03 Well publicised cases of child abuse have brought heavy media criticism of the social work role in prevention and child protection This book attempts to bring a sense of perspective to allay the anxieties and fears felt by many social workers The authors

resist the idea that child abuse is a special disease and develop a broad based strategy encompassing both individual therapy and environmental approaches Cooper and Ball s short introduction to child abuse in the Practical Social Work Series is a remarkable achievement in that it provides local authority social workers and general social work students with a concise overview of issues related to working in child abuse Issues in Social Work Education The Sexual Abuse of Adolescent Girls Stewart Kirk,2019-01-04 First published in 1999 this volume examines the meanings specific child protection cases involving the familial sexual abuse of adolescent girls hold for social workers This is achieved through a qualitative analysis of a series of interviews with social workers regarding current or recent cases The analysis reveals various influences on social workers practice the organisation and administrative structure of child protection governmental requirements to interagency coordination the abused girl her family and the skills and limitations of the social worker The findings point to a series of tensions between social workers perceptions of appropriate intervention practice on the one hand and organisational needs the demands of the criminal justice system and client choice on the other This leads to recommendations for improved in service training including joint training for social workers and police officers and a review of the transitional procedures between child protection and adult services Social Work and Child Abuse David Michael Cooper,1987 The Handbook of Social Work and Social Development in Africa Mel Gray,2016-10-26 All recent books on international social work mention Africa only briefly and few engage with the broader field of development studies This book focuses solely on the unique African context engaging with issues relating to social work and development more broadly thus enabling a deeper examination and more complex and nuanced picture to emerge Unlike most academic works this book highlights multiple practitioner voices with authors or co authors that have recently been or are currently practising social workers As an edited book it draws from both academic research as well as lived practice experience supported by strong theoretical positioning and guidance in introductory chapters drawing on African literature wherever possible Looking at case studies from Lesotho Botswana Kenya Zimbabwe Ethiopia Namibia Uganda Nigeria Kenya South Africa Rwanda Zambia and Tanzania and covering established areas of practice such as child protection working with older people working with people with disabilities mental health and mainstream services targeting women as well as emerging areas of developmental social work practice such as humanitarian assistance in post conflict situations work with immigrants and refugees and the training of community based workers this book takes a future oriented perspective that aims to move beyond well worn critiques to envision constructive and sustainable futures for social work and social development in Africa from a critical perspective **Social Work with Children and Their Families** Christopher G. Petr,2003-09-18 An extensively revised version of the first edition this text focuses on the practical foundational knowledge required to practice social work effectively in the complex and fast changing world of services to children and their families The core organizing framework consists of eight pragmatic perspectives combating adultcentrism family centered practice the strengths perspective respect

for diversity and difference the least restrictive alternative ecological perspective organization and financing and achieving outcomes Unlike most texts that focus either on direct practice or on policy Petr s revised volume integrates current policy including recent reform efforts with best practices The student thus gains a deep appreciation for how direct social work practice is linked to and even guided by contemporary policy initiatives and the values that underscore those initiatives Two new chapters are devoted specifically to the fields of child welfare and children s mental health providing an overview of the laws policies practices and terminology pertaining to each setting The next eight chapters focus on each pragmatic perspective and its relevance to child welfare and children s mental health The in depth case studies that comprise the concluding two chapters illustrate how typical client situations can be successfully addressed within the context of the pragmatic perspectives Packed with case studies specific practice instruction chapter summaries and suggested learning activities this book prepares students and practitioners to think and act professionally in ways that are consistent with current laws values policies and reform efforts in the field

Social Work with Abused and Neglected Children

Kathleen Coulborn Faller,1981 Social Workers and Child Abuse Reporting ,2000 Mandated Reporting of Child Abuse and Neglect Kenneth Lau,Kathryn Krase,Richard H. Morse,2008-12-02 A concise and detailed description of a very complex issue rich in detail and insight Leslie J Temme LCSW School of Social Work Adelphi University A must have resource for practicing professionals and an invaluable teaching tool for social work students This is precisely the book that mandated reporters seek to assist in the reporting process and understanding their legal obligations Keva M Miller PhD LCSW School of Social Work Portland State University In all states social workers are required to report suspected child abuse and neglect and face serious penalties if they fail to do so But not all cases of abuse are obvious Mandated reporters are thus confronted with a host of both legal and ethical quandaries when filing a report What are the responsibilities of mandated reporters What are appropriate grounds for reporting abuse How and when should a report be made Does reporting suspected abuse violate client confidentiality What if my employer encourages me not to report my suspicions Addressing these questions and more this book provides clear definitions of different types of child abuse including physical sexual and emotional and delineates guidelines on how to identify risk factors and signs of child maltreatment The authors also clarify difficult ethical issues including client confidentiality and privileged communication and present numerous case studies and theoretical vignettes culled from their own experiences as social workers This guide will be the one resource mandated reporters and social work students cannot do without **Social Workers and Child Abuse Reporting** National Association of Social Workers,2012 **Social Work and Family Violence** Joan McClennen,2010-02-08 To competently serve families social work students must understand the theories and issues surrounding family violence This innovative textbook comprehensively discusses three types of family violence child abuse and maltreatment intimate partner violence and elder abuse Discussions on assessments and interventions are provided for the adult victims of family violence adult survivors of

child abuse child witnesses of domestic violence adolescent victims of dating violence elderly victims and perpetrators of abuse Assessment procedures and evidence based treatments are also discussed This book also covers a broad range of vulnerable populations and addresses their needs for particular services legislative action and strategies for effective intervention The book meets the criteria of the Council on Social Work Education with its focus on ethics populations at risk and diversity Intended for both bachelor s and master s level social work students this text includes a variety of features such as case studies from real life stories of family violence in every chapter key terms discussion questions and more Key topics Court structures and procedures specialized court services for families experiencing violence investigative interviewing and social workers roles within the judicial system Identifying and investigating child maltreatment discussing symptoms and consequences child interviewing ethical dilemmas of mandated reporting and the foster care system Intimate partner violence including theoretical perspectives laws and policies financial costs learned helplessness the battered woman syndrome orders of protection mandatory arrest and more Elder abuse including an overview of theories assessments risk factors Adult Protective Services caregiver interventions and more Instructor s Guide Available as an electronic file the instructor s guide features a sample syllabus suitable for a Family Violence course It also features chapter objectives questions multiple choice true false and discussion and answers and PowerPoint slides for each chapter Qualified instructors may contact us to receive the files To request a copy please email textbook.springerpub.com *Child and Family Assessment in Social Work Practice* Sally Holland,2004-03-06 This is an essential guide for both social work students and practitioners involved in the assessment of children and their families It is a guide for practice that is strongly rooted in research evidence *Social Work Child Welfare Practice* Giesela Grumbach,JoDee Keller,Yolanda Jordan,2024-05-06 Blends practitioner focused and culturally responsive interventions to provide an innovative approach to learning With the aim of transforming flawed child welfare practices and policies into a more equitable system this comprehensive practice based text delves into contemporary child welfare practice from antiracist social justice and decolonial perspectives Incorporating first hand knowledge of day to day practice the book examines the many roles of professional child welfare workers foundational skills they need to work in the field the challenges and promises of trauma informed practice how to maintain a dedicated workforce and strategies for reshaping the system This book covers child welfare practice thoroughly from reporting to investigating and everything in between It also explores relevant policies signs of abuse neglect building relationships anti racist approaches and the importance of cultural sensitivity Throughout it emphasizes the trauma experienced by children and families involved in the system and the impact on child welfare professionals Learning objectives reflection boxes discussion questions and additional resources are included in every chapter to provide opportunities for students to apply concepts Additionally case studies in most chapters offer practical applications to real world situations To accompany the book qualified instructors have access to an Instructor Manual Sample Syllabus Test Bank chapter PowerPoints and

supplemental videos covering topics such as careers engagement and foster care Key Features Informed by real world experience demonstrated through case studies reflection boxes and discussion questions Weaves antiracist social justice and decolonial perspectives throughout and includes the viewpoints of diverse voices from the field Provides extensive coverage of trauma informed practice Devotes a separate chapter to the unique issues of foster children in school settings Connects content to the 2022 Educational Policy and Accreditation Standards from the Council on Social Work Education Covers a broad range of career opportunities for child welfare workers in myriad settings

Social Work and Family Violence, Second Edition Joan McClennen, Amanda M. Keys, Michele Day, 2016-08-28 The second edition of this comprehensive text for MSW and BSW students studying family violence is fully reorganized for improved flow of information is substantially revised and is updated to reflect current scholarship and practice Focusing on child abuse and maltreatment intimate partner violence IPV and older adult abuse the book covers assessment procedures and evidence based treatments used by social workers with victims and perpetrators of all age groups and of both genders It provides expanded information on agencies advocating on behalf of children including child advocacy centers guardians ad litem and court appointed special advocates as well as child welfare laws and policies The textbook provides updated information related to IPV and vulnerable at risk populations including sex trafficking victims veterans and male victims The second edition also features more in depth theoretical information integrated with case studies and new information regarding technological issues and criminal justice reform The authors address assessments and interventions for adult victims of family violence adult survivors of child abuse child witnesses of domestic violence adolescent victims of dating violence older adult victims of abuse and both male and female perpetrators of abuse The text encompasses several features that make it particularly useful in the classroom including real life case studies in every chapter key terms and discussion questions An updated and robust instructor package includes a fully revised Test Bank and more detailed PowerPoints New to the Second Edition Aligns with 2015 CSWE Educational Policy and Accreditation Standards Adds updated news articles to help stimulate discussion on chapter content Updated instructor package including fully revised Test Bank Updated and expanded PowerPoint presentations Expanded information in the child maltreatment section on child advocacy centers guardians ad litem and court appointed special advocates A new child maltreatment case example and SMART plan Updated child welfare laws and policies Expanded coverage of safety planning and protection orders for IPV victims New coverage of IPV and sex trafficking Expanded coverage of IPV with male victims and their female perpetrators Coverage of multiple vulnerable and at risk populations Use of pet therapy and service dogs for IPV in military Updated material on causation of older adult abuse Inclusion of instrument to screen for maltreatment Expanded chapter on assessment and intervention of older adult abuse Example of a possible risk assessment for older adults

Ethical Issues in Social Work Richard Hugman, David Smith, 1995 It has always been recognised that the practice of social work raises ethical questions and dilemmas Recently

however traditional ways of addressing ethical issues in social work have come to seem inadequate as a result of developments both in philosophy and in social work theory and practice This collection of thought provoking essays explores the ethics of social work practice on the light of these changes Ethical Issues in Social Work provides up to date critical analyses of the ethical implications of new legislation in community care and criminal justice and of trends in social work thought and policy such as managerialism user empowerment feminism and anti oppressive practice This study provides important and stimulating reading for social work students and their teachers and for all practitioners and managers who are concerned about the ethical dimensions of their work *Social Work with Children, Young People and their Families in Scotland* Steve Hothersall,2008-08-08 This updated edition enables students to develop a broader understanding of social work with children and families in Scotland It uses practical examples case studies and a critical appreciation of the legislation to reinforce learning In many ways Scotland has led the way in legal and policy direction for social care and this edition is fully updated to reflect recent key changes **Working in Social Work** Jessica Rosenberg,2009-09-25 This text provides graduate students going into the social work field with real world and practical information about what it is really like to work as a social worker Each chapter presents a true picture of what to expect as a front line social worker in the given practice setting **Social Work in the 21st Century** Morley D. Glicken,2007 The focus of this book is on understanding the major social issues in America the social welfare system and it s attempts to resolve those issues and the many roles assumed by professional social workers within the social welfare system This is an easy to read book which includes many examples of successful social work practices within existing social welfare settings

Social Work And Child Abuse Introduction

In today's digital age, the availability of Social Work And Child Abuse books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Work And Child Abuse books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Work And Child Abuse books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase

several of them for educational or professional purposes. By accessing Social Work And Child Abuse versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Work And Child Abuse books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Work And Child Abuse books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Work And Child Abuse books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Work And Child Abuse books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Work And Child Abuse books and manuals for download and embark on your journey of knowledge?

FAQs About Social Work And Child Abuse Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
