Asmita Parmar, Pat Spatcher

Social Work With Families:

Social Work Practice with Individuals and Families Michael J. Holosko, Catherine N. Dulmus, Karen M. Sowers, 2012-12-27 A lifespan approach presenting evidence informed interventions for working with individuals and families Social Work Practice with Individuals and Families covers assessment of and intervention with children adolescents adults the elderly and families It offers an array of pedagogical features within each chapter as well as online resources and review questions at the conclusion of each chapter to help guide critical thinking about topics Reflecting the current state of evidence informed social work practice each chapter s contributors emphasize the incorporation of wider forms of systematically collected data such as case studies best or promising practices and consumer focused data Reading this book will not only give readers the tools to work effectively with individuals and families but also develop their skills in evidence informed practice Comprehensive and insightful Social Work Practice with Individuals and Families is a student and practitioner friendly text identifying the best assessment tools and strategies available for social workers to successfully serve individuals and families facing a broad range of challenges

Social Work Practice with Families and Children Anthony Maluccio, Barbara Pine, Elizabeth M. Tracy, 2002-09-11 This book emphasizes family centered social network and school based interventions in the preparation of social workers for direct and indirect practice with clients from vulnerable populations especially the poor people of color and recent immigrant groups With an eye to recent changes in social work practice and service delivery including the impact of welfare reform and managed care on vulnerable families and children Social Work Practice with Families and Children helps social work students and practitioners understand the increasingly complex needs of their clients Three valuable appendixes include information about tools and instruments to support practice child welfare resource centers and electronic resources pertaining to the field

Social Work Practice with Families Mary Patricia Van Hook, 2019-10-22 Social Work Practice with Families uses resiliency a strength based perspective to frame a collaborative approach to assessment and treatment with families In so doing the text aims to help practitioners select a therapeutic model that effectively assists in addressing risk factors and promoting important resources The book provides clear examples of the elements in a strength affirming assessment and engagement process discusses resiliency in terms of families belonging to various cultural groups and family structures and identifies resiliency issues and implications for practice with families facing major problems Including current evaluation research from the United States Canada and around the globe the text serves as a helpful resource to undergraduate and graduate social work students and practitioners

O. Yuen, 2014-06-11 Social Work Practice with Children and Families presents the framework for family health social work and its applications in various practice environments This vital textbook provides a unique blend of academic deliberations and practical service guidelines with topics ranging from forensic social work and community practice to disability child welfare and HIV AIDS The book is organized into two major sections entitled Practice Interventions and Policy Programs and Emerging Families Case examples or discussion questions are included at the end of each chapter to facilitate more in d **Services for Children and Their Families** John Stroud, 2013-10-22 Services for Children and their Families Aspects of Child Care for Social Workers is a collection of essays describing the level that the child care service has reached on the eve of the reorganization of program These essays contain the values ideas opinions and philosophies that are part of the social services These articles cover the period from 1870 to 1970 in 1971 child care services became the responsibility of the Department of Health and Social Services Some papers review the influences historical economical or geographical that make the environment where the social worker operates of which he or she should be aware of their effects Another essay discusses the contributions of the Children Act 1948 in which it recognizes the rights of the child as an individual human being It has only been recently that any large scale use of resources to the preventive work of child care has occurred One paper addresses the challenges for social workers to re examine themselves their responsibilities to society their identification with certain social controls and the structures and ways that society can show its concern for children and their families This collection can benefit sociologists economists historians students and academicians doing sociological research as well as policy makers involved in social services and welfare *Early Supports for Family Life* Ludwig L. Geismar, 1972 Captive Clients June Thoburn, 2025-08 Originally published in 1980 when about a third of all British children found to be in need of statutory care were living at home on trial with parents or relatives Still under researched today little had yet been written about these children so this book based on a detailed study of a sample of such children and their families was welcomed by all who worked in the field of child care It is especially concerned with the arguments about the least detrimental alternative for children at risk After a summary of the debate about how best to help such children and a survey

of the relevant research tape recorded comments of parents and social workers are used to describe emotional health and environmental problems of the families and the help offered at various stages Comments and discussions are included about the legal and administrative procedures the social workers use of authority and the parents reactions to it the process of decision making and the problem of child placement The book concludes with the author s suggestions about how the service to such families could be improved

Dimensions of Human Behavior Elizabeth D. Hutchison, 2008 What is it about the multiple dimensions of person environment and time that social workers need to understand How do diversity and inequality play a role in human behavior How does our biology spirituality and psychology impact behavior And finally what can we learn about how social institutions families groups organizations and communities impact the vast range of human behaviors The Third Edition of this powerful text aims to examine these dimensions by expanding on these important questions In this text you will meet social workers and clients from a variety of work settings and situations who bring the passion and power of social work to life through engaging case studies found throughout the text These case studies help apply the latest theory and research to real life practice situations The Third Edition offers new case studies and is thoroughly updated and revised to reflect recent census data developing trends and cutting edge research on human behavior New to the Third Edition Added coverage of international issues Human behavior is put in global context throughout the book Increased focus on social justice and diversity More content has been added on human diversity related to gender race and ethnicity culture sexual orientation and disability Engages the reader through a variety of illustrative features New case studies exhibits photos throughout and Web resources have been added to provide the most up to date information High Quality Ancillaries Student Study Website Help your students succeed with this new companion student study site at <http://www.sagepub.com/pandestudy> Students can review chapter highlights and summaries take practice quizzes and study via student flash cards on the Web In addition students can download podcasts which contain important highlights presented by the author Expanded Instructor s Resource CD New to this edition instructors can create tests using a new electronic test bank In addition this resource cd contains powerpoint slides teaching tips suggested classroom activities and more and is available to qualified adopters IRCDs are available for qualified instructors only To request an IRCD for this book please contact Customer Care at 1 800 818 7243 6 am 5 pm Pacific Time or by emailing info@sagepub.com with course name and enrollment and your university mailing address to expedite the process Intended Audience This text was developed for advanced undergraduate and graduate courses on Human Behavior in the Social Environment in departments of social work and psychology Together with its companion volume Dimensions of Human Behavior The Changing Life Course ISBN 978 1 4129 4126 6 students will receive the most comprehensive coverage available on Human Behavior The two volumes are also available at a discounted price as a bundle ISBN 978 1 4129 4128 0

Critical Social Work with Children and Families Steve Rogowski, 2024 In dealing with individual problems and difficulties critical social work CSW is an emancipatory practice which seeks to address

social injustice In this book the author draws on almost 40 years experience as a social worker to consider CSW in core areas of practice with children and families Fully updated to cover the impact of austerity Brexit the COVID 19 pandemic and cost of living crisis this accessible textbook is essential reading for students educators and practitioners of child and family social work It features *Helping Troubled Families* George Thorman,1982 Best Practice with Children and Families Barry Cooper,Jean Gordon,Andy Rixon,2014-12-12 Social work practice with children young people and families is complex highly skilled and fascinating Writing about social work increasingly acknowledges the complexities and uncertainties of practice but rarely features the voice of the social worker themselves This book takes a different approach that of Critical Best Practice a constructive realistic and strengths based approach that takes as its starting point the telling and analysing of in depth stories about live practice The reader is encouraged to join the social work practitioner or manager as they engage with the everyday dilemmas and uncertainties of 21st century practice Ten narratives based round the themes of relationships risk and negotiation problem solving provide varied opportunities for critical reflection and learning about social work in different contexts Insights are offered into social work with children from young babies to adolescents and families with differing needs in different parts of the UK England Scotland and Wales Effective Social Work with Children and Families Peter Unwin,Rachel Hogg,2012-03-05 Social work with children and families is constantly in the headlines and social workers decisions are subject to ever increasing scrutiny at all levels This aspirational book supports students and newly qualified social workers and suggests practical ways in which they might thrive rather than just survive in practice The book tackles the different challenges that students and practitioners can be faced with outlining common pitfalls and how to avoid these Reflective questions are used throughout the book ensuring that students critically evaluate their own practice Case examples and case studies drawn from the authors recent practice are included throughout the book to illuminate the realities of contemporary social work with children and families
